Sec. 2. (1) For the purpose of taxation, real property includes all of the following:

(a) All land within this state, all buildings and fixtures on the land, and all appurtenances to the land, except as expressly exempted by law.

(b) All real property owned by this state or purchased or condemned for public highway purposes by any board, officer, commission, or department of this state and sold on land contract, notwithstanding the fact that the deed has not been executed transferring title.

(c) For taxes levied after December 31, 2002, buildings and improvements located upon leased real property, except buildings and improvements exempt under section 9f or improvements assessable under section 8(h), if the value of the buildings or improvements is not otherwise included in the assessment of the real property. However, buildings and improvements located on leased real property shall not be treated as real property unless they would be treated as real property if they were located on real property owned by the

taxpayer.

(2) The taxable status of persons and real and personal property for a tax year shall be determined as of each December 31 of the immediately preceding year, which is considered the tax day, any provisions in the charter of any city or village to the contrary notwithstanding. An assessing officer is not restricted to any particular period in the preparation of the assessment roll but may survey, examine, or review property at any time before or after the tax day.

(3) Notwithstanding a provision to the contrary in any law, if real property is acquired for public purposes by purchase or condemnation, all general property taxes, but not penalties, levied during the 12 months immediately preceding, but not including, the day title passes to the public agency shall be prorated in accordance with this subsection. The seller or condemnee is responsible for the portion of taxes from the levy date or dates to, but not including, the day title passes and the public agency is responsible for the remainder of the taxes. In the absence of an agreement, the public agency shall compute the proration of taxes as of the date title passes. The question of proration of taxes shall not be considered in any condemnation proceeding. As used in this subsection, "levy date" means the day on which general property taxes become due and payable. In addition to the portion of taxes for which the public agency is responsible under the provisions of this subsection, the public agency is also responsible for all general property taxes levied on or after the date title passes and before the property is removed from the tax rolls.

(4) In a real estate transaction between private parties in the absence of an agreement to the contrary, the seller is responsible for that portion of the annual taxes levied during the 12 months immediately preceding, but not including, the day title passes, from the levy date or dates to, but not including, the day title passes and the buyer is responsible for the remainder of the annual taxes. As used in this subsection, "levy date" means the day on which a general property tax becomes due and payable.

Sec. 7a. (1) As used in this section:

(a) "Exemption affidavit" means the form prescribed by the department of treasury upon which the owner certifies that the property is the homestead of the owner. The information which shall be required on an exemption affidavit shall include the name and address of the owner of the property, an identification of whether the property is an integral part of a larger assessment unit or of a multipurpose or multidwelling building, the social security numbers of the owner signing the exemption affidavit and each resident in the homestead with an ownership interest, an identification by address or legal description of the property for which the exemption affidavit is filed, and the parcel identification number.

(b) "Domicile" means a place where an individual has his or her true, fixed, and permanent home, to which, whenever absent therefrom, the individual intends to return.

(c) "Homestead" means a dwelling or a unit in a multipurpose or multidwelling building which is subject to ad valorem taxes and which is owned and occupied as the principal domicile by the owner thereof.

When a homestead is an integral part of a larger unit of assessment such as commercial, industrial, developmental, residential, timber cutover, or a multipurpose or multidwelling building, the tax on the

homestead shall be the same proportion of the total property tax as the proportion of the value of the homestead is to the total value of the assessed property.

(d) "Owner" means the holder of legal title if a land contract does not exist, or the most recent land contract vendee.

(2) Each city and township shall cause to be mailed, on or before May 1, 1981, an exemption affidavit to the occupant of each piece of property within the city or township which is classified as residential or agricultural property and which contains a dwelling suitable for occupancy. Exemption affidavits shall be returned on or before May 22, 1981 to the local official of the city or township who shall be designated on the exemption affidavit. Exemption affidavits shall also be made available at each local unit of government after April 30, 1981. Each city and township may publish individually or jointly on or before May 10, 1981, in a newspaper of general circulation, notice of the availability of the exemption affidavit, that these exemption affidavits must be returned by May 22, 1981 in order to be eligible for the reduction of a 1981 property tax bill if Proposal A at the May 19, 1981 special election is approved, and that, if Proposal A at the May 19, 1981 special election is approved, an eligible owner of a homestead who fails to file an exemption affidavit by May 22, 1981 may submit a claim for a refund of taxes paid that were eligible to be exempted with the state department of treasury. The failure to send or receive the exemption affidavit shall not invalidate an ad valorem property tax levy on the property.

(3) The state treasurer shall cause to be paid on June 1, 1981 to each local unit required to make a mailing of exemption affidavits pursuant to subsection (2) the sum of 1 of the following:

(a) Thirty cents per exemption affidavit required to be mailed pursuant to subsection (2) if the local unit uses a state supplied exemption affidavit.

(b) Thirty-five cents per exemption affidavit required to be mailed pursuant to subsection (2) if the local unit does not use a state supplied exemption affidavit.

(4) Each local unit required to make a mailing of exemption affidavits pursuant to subsection (2) shall submit a reimbursement claim to the state treasurer by May 15, 1981 for the expenses described in subsection (3) related to this required mailing.

(5) On or before June 8, 1981, each local property tax collecting unit that is required to mail exemption affidavits shall submit a reimbursement claim of \$1.00 for each homestead on which ad valorem property taxes will be exempt from collection under the exemption provided by section 3 of article 9 of the state constitution of 1963, as amended by the voters on May 19, 1981. If more than 1 local treasurer collects ad valorem property taxes in the same calendar year on a homestead for which a claim is submitted under this subsection, each local property tax collecting unit which does not receive the \$1.00 per homestead reimbursement under this subsection, shall submit, on or before June 8, 1981 for each of these local property tax collecting units that collect a summer tax levy and on or before November 1, 1981 for each of these local property tax collecting units that collect a winter tax levy, a reimbursement claim of 10 cents for each homestead on which ad valorem property taxes will be exempt from collection under the exemption provided by section 3 of article 9 of the state constitution of 1963, as amended by the voters on May 19, 1981. The state treasurer shall require disbursements to be made by June 20, 1981 if the claim is required on or before June 8, 1981 or by November 20, 1981 if the claim is required on or before November 1, 1981, for the amount of the qualified claims submitted under this subsection, which amount shall be for the necessary costs of implementation of the exemptions provided by the exemption provided by section 3 of article 9 of the state constitution of 1963, as amended by the voters on May 19, 1981.

(6) If, in 1981 only, a local property tax collecting units seeks reimbursement for any additional necessary administrative costs in excess of the amounts provided in subsections (3) and (5), the local property tax collecting unit shall file a claim pursuant to Act No. 101 of the Public Acts of 1979, being sections 21.231 to 21.244 of the Michigan Compiled Laws.

“(ii) A bond or note, other than a judgment obligation or a tax anticipation note, issued to fund past or future operating expenses, if and to the extent ad valorem property taxes levied to repay principal and interest are in addition to charter or statutory limitations as authorized by section 1a of Chapter VII of Act No. 202 of the Public Acts of 1943, as amended, being section 137.1a of the Michigan Compiled Laws.

“(3) Except as provided by subsections (4) and (9), to qualify to receive the benefit of the exemption provided by subsection (1) reflected in a reduction in a tax bill a taxpayer eligible to elect an exemption under subsection (1) annually shall file an exemption affidavit, which shall be included with or as part of the assessment notice under section 24c, on or before April 15 or a later date specified by the local tax collecting unit, with the local official designated by the taxpayer's tax collecting unit. A local tax collecting unit shall not reduce pursuant to this section the ad valorem property tax levy against a piece of property for which an exemption affidavit is filed if the local tax collecting unit has knowledge that the property does not qualify for an exemption under this section. The failure of an individual to receive or of the unit of local government to send the exemption affidavit shall not invalidate an ad valorem property tax levy on the property.

“(4) If a tax payer who is eligible to receive the benefit of an exemption under subsection (1) fails to make a timely filing of an exemption affidavit pursuant to subsection (3) or (9), the taxpayer may file for an exemption refund from the department of treasury for the amount of tax levied that was eligible for exemption. A filing may be made pursuant to this subsection within 4 years after the December 31 which follows the date on which the tax was due and payable. The department of treasury shall refund to a qualified taxpayer the tax levied that was eligible for exemption less any amount allowed the taxpayer as an income tax credit under section 520 of Act No. 281 of the Public Acts of 1967, as amended, being section 206.520 of the Michigan Compiled Laws, for the year for which an exemption refund is filed in excess of the income tax credit for that year under section 520 of Act No. 281 of the Public Acts of 1967, as amended, calculated using property taxes as reduced by the amount of the exemption refund for that year. An exemption refund made by the department of treasury under this subsection or subsection (9) shall be considered a refund to an individual who, by paying the tax eligible for exemption, has made a payment or return of a reimbursement to units of local government on behalf of the state for the exemption provided by this section.

“(5) The department of treasury shall prescribe the information required on the exemption affidavit to each assessing officer and shall prepare sample exemption affidavits. The information which shall be required on an exemption affidavit shall include the name and address of the owner of the property, an identification of whether the property is an integral part of a larger assessment unit or of a multipurpose or multidwelling building, the social security numbers of the owner who signs the exemption affidavit and each resident in the homestead with an ownership interest, an identification by address or legal description of the property for which the exemption affidavit is filed, the parcel identification number, and a statement requiring the signature of the owner to certify that the property qualified for the exemption provided by this section. In 1982 and each year thereafter the assessing officer shall mail the exemption affidavit with or as part of the notice required by section 24c. Exemption affidavits shall also be made available at each local unit of government.

“(6) The maximum amount of taxes which may be exempt under subsection (1) shall be adjusted by the state tax commission on the second Monday in May in 1982 and each year thereafter, pursuant to the percentage increase or decrease in the state equalized value of property in this state, excluding new construction and improvements, classified as residential and agricultural real property. The adjustment shall be made by multiplying the percentage increase or decrease in the state equalized value of property in this state, excluding new construction and improvements, classified as residential and agricultural real property by the amount of the prior year's maximum tax exemption. The resultant product shall be added to the prior year's maximum tax exemption and then rounded down to the nearest multiple of \$10.00. This figure shall be the new maximum amount of taxes which may be exempt for tax levies in the then current calendar year and shall be certified to the treasurer of each unit of local government by the state tax commission.

“(7) An individual who files an exemption affidavit pursuant to subsection (3) or (9) for purposes of exempting taxes on the individual's homestead from collection shall not be qualified either to file for another exemption affidavit pursuant to subsection (3) or

(9) for tax levies in the same calendar year or to file for an exemption refund pursuant to subsection (4) for tax levies in the same calendar year. Upon filing of a qualified exemption affidavit pursuant to subsection (3) or (9) the taxes on the homestead to which the exemption affidavit applied shall be eligible for the exemption from collection provided by subsection (1) for tax levies in the year the qualified exemption affidavit was filed, regardless of any subsequent transfer, sale, or use of the property in that year.

“(8) A person who knowingly files an exemption affidavit pursuant to subsection (3) or (9) or an application for a refund under subsection (4) for tax levies in the same calendar year for more than 1 homestead, or who knowingly files an exemption affidavit pursuant to subsection (3) or (9) or an application for a refund under subsection (4) for which the taxpayer is not qualified or eligible, is guilty of a misdemeanor. A person who files, with an intent to defraud, an exemption affidavit pursuant to subsection (3) or (9) or an application for a refund under subsection (4) either for tax levies in the same calendar year for more than 1 homestead, or for a refund or exemption for which the person is not qualified or eligible, is guilty of a felony, punishable by imprisonment for not more than 5 years, or a fine of not more than \$5,000.00, or both.

“(9) Each city and township shall cause to be mailed, on or before May 1, 1981, an exemption affidavit to the occupant of each piece of property within the city or township which is classified as residential or agricultural property and, if determinable by the city or township, which contains a dwelling suitable for occupancy. In order to receive the benefit of an exemption provided by subsection (1) reflected as a reduction in their 1981 ad valorem property tax bill, an individual's exemption affidavit shall be returned on or before May 22, 1981, or a later date specified by the city or township, to the local official of the city or township who shall be designated on the exemption affidavit. Exemption affidavits shall also be made available at each local unit of government after April 30, 1981. Each city and township may publish individually or jointly on or before May 10, 1981, in a newspaper of general circulation, notice of the availability of the exemption affidavit, that these exemption affidavits must be returned by May 22, 1981 or the later date specified by the city or township in order to be eligible for the reduction of a 1981 property tax bill if Proposal A at the May 19, 1981 special election is approved, and that, if Proposal A at the May 19, 1981 special election is approved, an eligible owner of a homestead who fails to file an exemption affidavit by May 22, 1981 or the later date specified by the city or township may submit a claim for a refund of taxes paid that were eligible to be exempted with the state department of treasury. The failure to send or receive the exemption affidavit shall not invalidate an ad valorem property tax levy on the property. For ad valorem property tax levies in 1981 and each year thereafter, if an exemption affidavit includes an identification of the property as a unit in cooperatively owned housing, or as an integral part of a larger assessment unit or of a multipurpose or multidwelling building, the local tax collecting unit that received the exemption affidavit shall either determine that portion of the property which is considered a homestead under this section or, if the property is a unit in cooperatively owned housing, solicit additional information from the individual filing the exemption affidavit of that portion of the ad valorem property taxes to be levied in the calendar year against the cooperatively owned housing which will be attributed to the unit for which the individual files an exemption affidavit. After determination or receipt of this information the local tax collecting unit shall either make the appropriate reduction of ad valorem taxes against the property, or, if this determination cannot be made, or if this information is not received, by a date timely enough to allow for the reduction of the property tax bill, certify the amount of taxes eligible for exemption to the state treasurer. The state treasurer shall issue an exemption refund to the individual who filed a qualified exemption affidavit in the amount certified by the local tax collecting unit. In place of the procedures established by this subsection for the filing of exemption affidavits for, and solicitation of determinations of ownership interests for, a homestead which is a unit in cooperatively owned housing the department of treasury may provide for a unitary filing of exemption affidavits, and for the submission of exemption refund claims, for each eligible homestead in the cooperatively owned housing by a cooperative organization on behalf of, but signed by, the occupant of the cooperatively owned housing who is eligible to receive benefit of an exemption under this section.

“(10) A local unit of government shall adjust its subsequent ad valorem property tax levy against a piece of property to collect the value of an exemption which was deducted from the preceding tax levy against the property and not reimbursed by the state pursuant to the authority of section 9(1) of the local tax relief fund act. Upon request of the department of treasury and if ownership of the property has not changed since the tax levy for which an unqualified exemption was applied, a unit of local government shall adjust its subsequent ad valorem property tax levy against a piece of property to collect the value of an unqualified exemption which was deducted from a preceding property tax levy against the property. The additional ad valorem property taxes levied and collected by application of these adjustments for previously applied unqualified exemptions shall be remitted to the state treasurer.

“(11) If a homestead is located both within a city and a township or in more than 1 city, township, county, or school district and if the portion of the homestead upon which the domicile of the owner is located is within a taxing unit which collects ad valorem property tax at the same time that the analogous taxing unit or units collect from the balance of the homestead, the maximum exemption available under this section shall be allocated in a manner which allows it to be applied first against the applicable property tax levies for each taxing unit where the domicile of the owner of the homestead is located, and any unused portion then shall be applied, to the extent allowed by this section, against the applicable property tax levies for the analogous taxing unit or units in which the remainder of the homestead is located. If different local treasurers collect ad valorem property tax levies in the same year and on the same property, the local tax collecting treasurer for an ad valorem property tax levy on property against which another ad valorem property tax levy is also imposed shall forward the information contained in each exemption affidavit filed in the year for these properties, along with a notation for each homestead of the amount of tax that was exempted from collection pursuant to this section with the applicable ad valorem property tax levy, to each other local tax collecting treasurer who collects ad valorem property tax levies on the same property in that year. If property for which an exemption affidavit is filed has ad valorem property tax levies against it in the same year collected by a village treasurer, each township that receives exemption affidavits for these properties shall forward, by June 1 of each year, the information contained in each exemption affidavit filed in the year for these properties to the village treasurer. A local tax collecting treasurer who collects summer levies of ad valorem property taxes for operating purposes may apply a prorated portion of the maximum exemption allowed by this section for the year, as adjusted pursuant to subsection (6), against the summer property tax levies. This prorated portion shall be the same portion that the actual summer ad valorem property tax levy for operating purposes bears to the total actual summer and winter property tax levies for operating purposes in the year. If the actual winter property tax levy for operating purposes in the year is not known, the winter levy of ad valorem property taxes for operating purposes in the immediately preceding year may be used in determining the proportion. If the local tax collecting treasurer who collects summer ad valorem property taxes decides to use a prorated portion of the maximum exemption allowed by this section in determining the exemption applied against the summer property tax levies, this prorated portion shall be again prorated among each unit of local government for which the local tax collecting treasurer collects a summer levy according to the percentage that the actual summer ad valorem property tax levy for operating purposes for each respective taxing unit bears to the aggregate actual summer ad valorem property tax levies for operating purposes for the respective taxing units.

“(12) In 1981 only each local tax collecting treasurer that receives from a financial institution an identification of properties from which the local tax collecting treasurer collects ad valorem property taxes and for which the financial institution has established an

escrow account for purposes of paying ad valorem property tax, shall forward at 1 time on or before July 1, 1981 to the financial institution an identification of each property identified by the financial institution for which an exemption affidavit has been filed and for which the exemption from collection provided by this section will apply and be reflected as a reduction in the tax bill.

“(13) The state treasurer shall cause to be paid on June 1, 1981 to each local unit required to make a mailing of exemption affidavits pursuant to subsection (9) the sum of 1 of the following:

“(a) Thirty cents per exemption affidavit required to be mailed pursuant to subsection (9) if the local unit uses a state supplied exemption affidavit.

“(b) Thirty-five cents per exemption affidavit required to be mailed pursuant to subsection (9) if the local unit does not use a state supplied exemption affidavit.

“(14) Each local unit required to make a mailing of exemption affidavits pursuant to subsection (9) shall submit a reimbursement claim to the state treasurer by May 15, 1981 for the expenses described in subsection (13) related to this required mailing.”

Section 2 of Act 41 of 1981 provides:

“(1) Except as provided by subsections (2) and (3), this amendatory act shall not take effect unless House Joint Resolution G of the 81st Legislature becomes a part of the constitution as provided in section 1 of article 12 of the state constitution of 1963.

“(2) Section 7a(8), (9), (12), (13), and (14) of this amendatory act shall take immediate effect, but shall expire on the date the state board of canvassers certifies to the secretary of state that Proposal A on the statewide May 19, 1981 special election ballot has been rejected by the voters.

“(3) Sections 7a(11) and 34d(3), (4), (7), (9), (10), (11), (17), and (18) of this amendatory act shall take effect on the date the state board of canvassers certifies to the secretary of state that Proposal A on the statewide May 19, 1981 special election ballot has been approved by the voters.”

Proposal A, referred to in Sections 2 and 3 of Act 41 of 1981, was submitted to and disapproved by the people at the special election held on May 19, 1981. The state board of canvassers, also referred to in Sections 2 and 3, certified to the secretary of state on May 27, 1981, that Proposal A had been rejected by the voters.

This penalty shall be collected under 1941 PA 122, MCL 205.1 to 205.31, and shall be deposited in the state school aid fund established in section 11 of article IX of the state constitution of 1963. If the assessor denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (23). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due, interest, and penalties through the date of that notification. The department of treasury shall then assess the owner who claimed the exemption under this section for the tax, interest, and penalties accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (23). The denial shall be made on a form prescribed by the department of

treasury. If the property for which the assessor has denied a claim for exemption under this subsection is located in a county in which the county treasurer or the county equalization director have elected to audit exemptions under subsection (10), the assessor shall notify the county treasurer or the county equalization director of the denial under this subsection.

(7) If the assessor of the local tax collecting unit believes that the property for which the exemption is claimed is not the principal residence of the owner claiming the exemption and has not denied the claim, the assessor shall include a recommendation for denial with any affidavit that is forwarded to the department of treasury or, for an existing claim, shall send a recommendation for denial to the department of treasury, stating the reasons for the recommendation.

(8) The department of treasury shall determine if the property is the principal residence of the owner claiming the exemption. The department of treasury may review the validity of exemptions for the current calendar year and for the 3 immediately preceding calendar years. If the department of treasury determines that the property is not the principal residence of the owner claiming the exemption, the department shall send a notice of that determination to the local tax collecting unit and to the owner of the property claiming the exemption, indicating that the claim for exemption is denied, stating the reason for the denial, and advising the owner claiming the exemption of the right to appeal the determination to the department of treasury and what those rights of appeal are. The department of treasury may issue a notice denying a claim if an owner fails to respond within 30 days of receipt of a request for information from that department. An owner may appeal the denial of a claim of exemption to the department of treasury within 35 days of receipt of the notice of denial. An appeal to the department of treasury shall be conducted according to the provisions for an informal conference in section 21 of 1941 PA 122, MCL 205.21. Within 10 days after acknowledging an appeal of a denial of a claim of exemption, the department of treasury shall notify the assessor and the treasurer for the county in which the property is located that an appeal has been filed. Upon receipt of a notice that the department of treasury has denied a claim for exemption, the assessor shall remove the exemption of the property and, if the tax roll is in the local tax collecting unit's possession, amend the tax roll to reflect the denial and the local treasurer shall within 30 days of the date of the denial issue a corrected tax bill for any additional taxes with interest at the rate of 1.25% per month or fraction of a month and penalties computed from the date the taxes were last payable without interest and penalty. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the denial and the county treasurer shall within 30 days of the date of the denial prepare and submit a supplemental tax bill for any additional taxes, together with interest at the rate of 1.25% per month or fraction of a month and penalties computed from the date the taxes were last payable without interest or penalty. Interest on any tax set forth in a corrected or supplemental tax bill shall again begin to accrue 60 days after the date the corrected or supplemental tax bill is issued at the rate of 1.25% per month or fraction of a month. Taxes levied in a corrected or supplemental tax bill shall be returned as delinquent on the March 1 in the year immediately succeeding the year in which the corrected or supplemental tax bill is issued. If the department of treasury denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (23). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due and interest through the date of that notification. The department of treasury shall then assess the owner who claimed the exemption under this section for the tax and interest plus penalty accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (23).

(9) The department of treasury may enter into an agreement regarding the implementation or administration of subsection (8) with the assessor of any local tax collecting unit in a county that has not elected to audit exemptions claimed under this section as provided in subsection (10). The agreement may specify that for a period of time, not to exceed 120 days, the department of treasury will not deny an exemption identified by the department of treasury in the list provided under subsection (11).

(10) A county may elect to audit the exemptions claimed under this section in all local tax collecting units located in that county as provided in this subsection. The election to audit exemptions shall be made by the county treasurer, or by the county equalization director with the concurrence by resolution of the county board of commissioners. The initial election to audit exemptions shall require an audit period of 2 years. Subsequent elections to audit exemptions shall be made every 2 years and shall require 2 annual audit periods. An election to audit exemptions shall be made by submitting an election to audit form to the assessor of each local tax collecting unit in that county and to the department of treasury not later than October 1 in the year in which an

election to audit is made. The election to audit form required under this subsection shall be in a form prescribed by the department of treasury. If a county elects to audit the exemptions claimed under this section, the department of treasury may continue to review the validity of exemptions as provided in subsection (8). If a county does not elect to audit the exemptions claimed under this section as provided in this subsection, the department of treasury shall conduct an audit of exemptions claimed under this section in the initial 2-year audit period for each local tax collecting unit in that county unless the department of treasury has entered into an agreement with the assessor for that local tax collecting unit under subsection (9).

(11) If a county elects to audit the exemptions claimed under this section as provided in subsection (10) and the county treasurer or his or her designee or the county equalization director or his or her designee believes that the property for which an exemption is claimed is not the principal residence of the owner claiming the exemption, the county treasurer or his or her designee or the county equalization director or his or her designee may deny an existing claim by notifying the owner, the assessor of the local tax collecting unit, and the department of treasury in writing of the reason for the denial and advising the owner that the denial may be appealed to the residential and small claims division of the Michigan tax tribunal within 35 days after the date of the notice. The county treasurer or his or her designee or the county equalization director or his or her designee may deny a claim for exemption for the current year and for the 3 immediately preceding calendar years. If the county treasurer or his or her designee or the county equalization director or his or her designee denies an existing claim for exemption, the county treasurer or his or her designee or the county equalization director or his or her designee shall direct the assessor of the local tax collecting unit in which the property is located to remove the exemption of the property from the assessment roll and, if the tax roll is in the local tax collecting unit's possession, direct the assessor of the local tax collecting unit to amend the tax roll to reflect the denial and the treasurer of the local tax collecting unit shall within 30 days of the date of the denial issue a corrected tax bill for any additional taxes with interest at the rate of 1.25% per month or fraction of a month and penalties computed from the date the taxes were last payable without interest and penalty. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the denial and the county treasurer shall within 30 days of the date of the denial prepare and submit a supplemental tax bill for any additional taxes, together with interest at the rate of 1.25% per month or fraction of a month and penalties computed from the date the taxes were last payable without interest or penalty. Interest on any tax set forth in a corrected or supplemental tax bill shall again begin to accrue 60 days after the date the corrected or supplemental tax bill is issued at the rate of 1.25% per month or fraction of a month. Taxes levied in a corrected or supplemental tax bill shall be returned as delinquent on the March 1 in the year immediately succeeding the year in which the corrected or supplemental tax bill is issued. If the county treasurer or his or her designee or the county equalization director or his or her designee denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (23). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due and interest through the date of that notification. The department of treasury shall then assess the owner who claimed the exemption under this section for the tax and interest plus penalty accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (23). The department of treasury shall annually provide the county treasurer or his or her designee or the county equalization director or his or her designee a list of parcels of property located in that county for which an exemption may be erroneously claimed. The county treasurer or his or her designee or the county equalization director or his or her designee shall forward copies of the list provided by the department of treasury to each assessor in each local tax collecting unit in that county within 10 days of receiving the list.

(12) If a county elects to audit exemptions claimed under this section as provided in subsection (10), the county treasurer or the county equalization director may enter into an agreement with the assessor of a local tax collecting unit in that county regarding the implementation or administration of this section. The agreement may specify that for a period of time, not to exceed 120 days, the county will not deny an exemption identified by the department of treasury in the list provided under subsection (11).

(13) An owner may appeal a denial by the assessor of the local tax collecting unit under subsection (6), a final decision of the department of treasury under subsection (8), or a denial by the county treasurer or his or her designee or the county equalization director or his or her designee under subsection (11) to the residential and small claims division of the Michigan tax tribunal within 35 days of that decision. An owner is not required to pay the amount of tax in dispute in order to appeal a denial of a claim of exemption to the

department of treasury or to receive a final determination of the residential and small claims division of the Michigan tax tribunal. However, interest at the rate of 1.25% per month or fraction of a month and penalties shall accrue and be computed from the date the taxes were last payable without interest and penalty. If the residential and small claims division of the Michigan tax tribunal grants an owner's appeal of a denial and that owner has paid the interest due as a result of a denial under subsection (6), (8), or (11), the interest received after a distribution was made under subsection (23) shall be refunded.

(14) For taxes levied after December 31, 2005, for each county in which the county treasurer or the county equalization director does not elect to audit the exemptions claimed under this section as provided in subsection (10), the department of treasury shall conduct an annual audit of exemptions claimed under this section for the current calendar year.

(15) An affidavit filed by an owner for the exemption under this section rescinds all previous exemptions filed by that owner for any other property. The department of treasury shall notify the assessor of the local tax collecting unit in which the property for which a previous exemption was claimed is located that the previous exemption is rescinded by the subsequent affidavit. When an exemption is rescinded, the assessor of the local tax collecting unit shall remove the exemption effective December 31 of the year in which the affidavit was filed that rescinded the exemption. For any year for which the rescinded exemption has not been removed from the tax roll, the exemption shall be denied as provided in this section. However, interest and penalty shall not be imposed for a year for which a rescission form has been timely filed under subsection (5).

(16) Except as otherwise provided in subsection (28), if the principal residence is part of a unit in a multiple-unit dwelling or a dwelling unit in a multiple-purpose structure, an owner shall claim an exemption for only that portion of the total taxable value of the property used as the principal residence of that owner in a manner prescribed by the department of treasury. If a portion of a parcel for which the owner claims an exemption is used for a purpose other than as a principal residence, the owner shall claim an exemption for only that portion of the taxable value of the property used as the principal residence of that owner in a manner prescribed by the department of treasury.

(17) When a county register of deeds records a transfer of ownership of a property, he or she shall notify the local tax collecting unit in which the property is located of the transfer.

(18) The department of treasury shall make available the affidavit forms and the forms to rescind an exemption, which may be on the same form, to all city and township assessors, county equalization officers, county registers of deeds, and closing agents. A person who prepares a closing statement for the sale of property shall provide affidavit and rescission forms to the buyer and seller at the closing and, if requested by the buyer or seller after execution by the buyer or seller, shall file the forms with the local tax collecting unit in which the property is located. If a closing statement preparer fails to provide exemption affidavit and rescission forms to the buyer and seller, or fails to file the affidavit and rescission forms with the local tax collecting unit if requested by the buyer or seller, the buyer may appeal to the department of treasury within 30 days of notice to the buyer that an exemption was not recorded. If the department of treasury determines that the buyer qualifies for the exemption, the department of treasury shall notify the assessor of the local tax collecting unit that the exemption is granted and the assessor of the local tax collecting unit or, if the tax roll is in the possession of the county treasurer, the county treasurer shall correct the tax roll to reflect the exemption. This subsection does not create a cause of action at law or in equity against a closing statement preparer who fails to provide exemption affidavit and rescission forms to a buyer and seller or who fails to file the affidavit and rescission forms with the local tax collecting unit when requested to do so by the buyer or seller.

(19) An owner who owned and occupied a principal residence on May 1 for which the exemption was not on the tax roll may file an appeal with the July board of review or December board of review in the year for which the exemption was claimed or the immediately succeeding 3 years. If an appeal of a claim for exemption that was not on the tax roll is received not later than 5 days prior to the date of the December board of review, the local tax collecting unit shall convene a December board of review and consider the appeal pursuant to this section and section 53b.

(20) If the assessor or treasurer of the local tax collecting unit believes that the department of treasury erroneously denied a claim for exemption, the assessor or treasurer may submit written information supporting the owner's claim for exemption to the department of treasury within 35 days of the owner's receipt of the notice denying the claim for exemption. If, after reviewing the information provided, the department of treasury determines that the claim for exemption was erroneously denied, the department of treasury shall grant the exemption and the tax roll shall be amended to reflect the exemption.

(21) If granting the exemption under this section results in an overpayment of the tax, a rebate, including any interest paid, shall be made to the taxpayer by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll within 30

days of the date the exemption is granted. The rebate shall be without interest.

(22) If an exemption under this section is erroneously granted for an affidavit filed before October 1, 2003, an owner may request in writing that the department of treasury withdraw the exemption. The request to withdraw the exemption shall be received not later than November 1, 2003. If an owner requests that an exemption be withdrawn, the department of treasury shall issue an order notifying the local assessor that the exemption issued under this section has been denied based on the owner's request. If an exemption is withdrawn, the property that had been subject to that exemption shall be immediately placed on the tax roll by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll as though the exemption had not been granted. A corrected tax bill shall be issued for the tax year being adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. Unless a denial has been issued prior to July 1, 2003, if an owner requests that an exemption under this section be withdrawn and that owner pays the corrected tax bill issued under this subsection within 30 days after the corrected tax bill is issued, that owner is not liable for any penalty or interest on the additional tax. An owner who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest that would have accrued if the exemption had not been granted from the date the taxes were originally levied.

(23) Subject to subsection (24), interest at the rate of 1.25% per month or fraction of a month collected under subsection (6), (8), or (11) shall be distributed as follows:

(a) If the assessor of the local tax collecting unit denies the exemption under this section, as follows:

- (i) To the local tax collecting unit, 70%.
- (ii) To the department of treasury, 10%.
- (iii) To the county in which the property is located, 20%.

(b) If the department of treasury denies the exemption under this section, as follows:

- (i) To the local tax collecting unit, 20%.
- (ii) To the department of treasury, 70%.
- (iii) To the county in which the property is located, 10%.

(c) If the county treasurer or his or her designee or the county equalization director or his or her designee denies the exemption under this section, as follows:

- (i) To the local tax collecting unit, 20%.
- (ii) To the department of treasury, 10%.
- (iii) To the county in which the property is located, 70%.

(24) Interest distributed under subsection (23) is subject to the following conditions:

(a) Interest distributed to a county shall be deposited into a restricted fund to be used solely for the administration of exemptions under this section. Money in that restricted fund shall lapse to the county general fund on the December 31 in the year 3 years after the first distribution of interest to the county under subsection (23) and on each succeeding December 31 thereafter.

(b) Interest distributed to the department of treasury shall be deposited into the principal residence property tax exemption audit fund, which is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the fund. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from fund investments. Money in the fund shall be considered a work project account and at the close of the fiscal year shall remain in the fund and shall not lapse to the general fund. Money from the fund shall be expended, upon appropriation, only for the purpose of auditing exemption affidavits.

(25) Interest distributed under subsection (23) is in addition to and shall not affect the levy or collection of the county property tax administration fee established under this act.

(26) A cooperative housing corporation is entitled to a full or partial exemption under this section for the tax year in which the cooperative housing corporation files all of the following with the local tax collecting unit in which the cooperative housing corporation is located if filed on or before May 1:

(a) An affidavit form.

(b) A statement of the total number of units owned by the cooperative housing corporation and occupied as the principal residence of a tenant stockholder as of the date of the filing under this subsection.

(c) A list that includes the name, address, and social security number of each tenant stockholder of the cooperative housing corporation occupying a unit in the cooperative housing corporation as his or her principal residence as of the date of the filing under this subsection.

(d) A statement of the total number of units of the cooperative housing corporation on which an exemption under this section was claimed and that were transferred in the tax year immediately preceding the tax year in which the filing under this section was made.

(27) Before May 1, 2004 and before May 1, 2005, the treasurer of each county shall forward to the department of education a statement of the taxable value of each school district and fraction of a school district within the county for the preceding 4 calendar years. This requirement is in addition to the requirement set forth in section 151 of the state school aid act of 1979, 1979 PA 94, MCL 388.1751.

(28) For a parcel of property open and available for use as a bed and breakfast, the portion of the taxable value of the property used as a principal residence under subsection (16) shall be calculated in the following manner:

(a) Add all of the following:

(i) The square footage of the property used exclusively as that owner's principal residence.

(ii) 50% of the square footage of the property's common area.

(iii) If the property was not open and available for use as a bed and breakfast for 90 or more consecutive days in the immediately preceding 12-month period, the result of the following calculation:

(A) Add the square footage of the property that is open and available regularly and exclusively as a bed and breakfast, and 50% of the square footage of the property's common area.

(B) Multiply the result of the calculation in sub-subparagraph (A) by a fraction, the numerator of which is the number of consecutive days in the immediately preceding 12-month period that the property was not open and available for use as a bed and breakfast and the denominator of which is 365.

(b) Divide the result of the calculation in subdivision (a) by the total square footage of the property.

(29) The owner claiming an exemption under this section for property open and available as a bed and breakfast shall file an affidavit claiming the exemption on or before May 1 with the local tax collecting unit in which the property is located. The affidavit shall be in a form prescribed by the department of treasury.

(30) As used in this section:

(a) "Bed and breakfast" means property classified as residential real property under section 34c that meets all of the following criteria:

(i) Has 10 or fewer sleeping rooms, including sleeping rooms occupied by the owner of the property, 1 or more of which are available for rent to transient tenants.

(ii) Serves meals at no extra cost to its transient tenants.

(iii) Has a smoke detector in proper working order in each sleeping room and a fire extinguisher in proper working order on each floor.

(b) "Common area" includes, but is not limited to, a kitchen, dining room, living room, fitness room, porch, hallway, laundry room, or bathroom that is available for use by guests of a bed and breakfast or, unless guests are specifically prohibited from access to the area, an area that is used to provide a service to guests of a bed and breakfast.

211.7dd Definitions.

Sec. 7dd. As used in sections 7cc and 7ee:

(a) "Owner" means any of the following:

(i) A person who owns property or who is purchasing property under a land contract.

(ii) A person who is a partial owner of property.

(iii) A person who owns property as a result of being a beneficiary of a will or trust or as a result of intestate succession.

(iv) A person who owns or is purchasing a dwelling on leased land.

(v) A person holding a life lease in property previously sold or transferred to another.

(vi) A grantor who has placed the property in a revocable trust or a qualified personal residence trust.

(vii) The sole present beneficiary of a trust if the trust purchased or acquired the property as a principal residence for the sole present beneficiary of the trust, and the sole present beneficiary of the trust is totally and permanently disabled. As used in this subparagraph, "totally and permanently disabled" means disability as defined in section 216 of title II of the social security act, 42 USC 416, without regard as to whether the sole present beneficiary of the trust has reached the age of retirement.

(viii) A cooperative housing corporation.

(ix) A facility registered under the living care disclosure act, 1976 PA 440, MCL 554.801 to 554.844.

(b) "Person", for purposes of defining owner as used in section 7cc, means an individual and for purposes of defining owner as used in section 7ee means an individual, partnership, corporation, limited liability company, association, or other legal entity.

(c) "Principal residence" means the 1 place where an owner of the property has his or her true, fixed, and permanent home to which, whenever absent, he or she intends to return and that shall continue as a principal residence until another principal residence is established. Principal residence includes only that portion of a dwelling or unit in a multiple-unit dwelling that is subject to ad valorem taxes and that is owned and occupied by an owner of the dwelling or unit. Principal residence also includes all of an owner's unoccupied property classified as residential that is adjoining or contiguous to the dwelling subject to ad valorem taxes and that is owned and occupied by the owner. Contiguity is not broken by a road, a right-of-way, or property purchased or taken under condemnation proceedings by a public utility for power transmission lines if the 2 parcels separated by the purchased or condemned property were a single parcel prior to the sale or condemnation. Principal residence also includes any portion of a dwelling or unit of an owner that is rented or leased to another person as a residence as long as that portion of the dwelling or unit that is rented or leased is less than 50% of the total square footage of living space in that dwelling or unit. Principal residence also includes a life care facility registered under the living care disclosure act, 1976 PA 440, MCL 554.801 to 554.844. Principal residence also includes property owned by a cooperative housing corporation and occupied by tenant stockholders.

Related buildings include a residence occupied by a person employed in or actively involved in the agricultural use and who has not claimed a principal residence exemption on other property. Property used for commercial storage, commercial processing, commercial distribution, commercial marketing, or commercial shipping operations or other commercial or industrial purposes is not qualified agricultural property. A parcel of property is devoted primarily to agricultural use only if more than 50% of the parcel's acreage is devoted to agricultural use. An owner shall not receive an exemption for that portion of the total state equalized valuation of the property that is used for a commercial or industrial purpose or that is a residence that is not a related building.

211.7ee Qualified agricultural property exemption from tax levied by local school district for school operating purposes; procedures.

Sec. 7ee. (1) Qualified agricultural property is exempt from the tax levied by a local school district for school operating purposes to the extent provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, according to the provisions of this section.

(2) Qualified agricultural property that is classified as agricultural under section 34c is exempt under subsection (1) and the owner is not required to file an affidavit claiming an exemption with the local tax collecting unit unless requested by the assessor to determine whether the property includes structures that are not exempt under this section. To claim an exemption under subsection (1) for qualified agricultural property that is not classified as agricultural under section 34c, the owner shall file an affidavit claiming the exemption with the local tax collecting unit by May 1.

(3) The affidavit shall be on a form prescribed by the department of treasury.

(4) For property classified as agricultural, and upon receipt of an affidavit filed under subsection (2) for property not classified as agricultural, the assessor shall determine if the property is qualified agricultural property and if so shall exempt the property from the collection of the tax as provided in subsection (1) until December 31 of the year in which the property is no longer qualified agricultural property as defined in section 7dd. An owner is required to file a new claim for exemption on the same property as requested by the assessor under subsection (2).

(5) Not more than 90 days after all or a portion of the exempted property is no longer qualified agricultural property, the owner shall rescind the exemption for the applicable portion of the property by filing with the local tax collecting unit a rescission form prescribed by the department of treasury. An owner who fails to file a rescission as required by this subsection is subject to a penalty of \$5.00 per day for each separate failure beginning after the 90 days have elapsed, up to a maximum of \$200.00. This penalty shall be collected under

1941 PA 122, MCL 205.1 to 205.31, and shall be deposited in the state school aid fund established in section 11 of article IX of the state constitution of 1963. This penalty may be waived by the department of treasury.

(6) An owner of property that is qualified agricultural property on May 1 for which an exemption was not on the tax roll may file an appeal with the July or December board of review in the year the exemption was claimed or the immediately succeeding year. An owner of property that is qualified agricultural property on May 1 for which an exemption was denied by the assessor in the year the affidavit was filed, may file an appeal with the July board of review for summer taxes or, if there is not a summer levy of school operating taxes, with the December board of review.

(7) If the assessor of the local tax collecting unit believes that the property for which an exemption has been granted is not qualified agricultural property, the assessor may deny or modify an existing exemption by notifying the owner in writing at the time required for providing a notice under section 24c. A taxpayer may appeal the assessor's determination to the board of review meeting under section 30. A decision of the board of review may be appealed to the residential and small claims division of the Michigan tax tribunal.

(8) If an exemption under this section is erroneously granted, an owner may request in writing that the local tax collecting unit withdraw the exemption. If an owner requests that an exemption be withdrawn, the local assessor shall notify the owner that the exemption issued under this section has been denied based on that owner's request. If an exemption is withdrawn, the property that had been subject to that exemption shall be immediately placed on the tax roll by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll as though the exemption had not been granted. A corrected tax bill shall be issued for the tax year being adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. If an owner requests that an exemption under this section be withdrawn before that owner is contacted in writing by the local assessor regarding that owner's eligibility for the exemption and that owner pays the corrected tax bill issued under this subsection within 30 days after the corrected tax bill is issued, that owner is not liable for any penalty or interest on the additional tax. An owner who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest that would have accrued if the exemption had not been granted from the date the taxes were originally levied.

In a county in which a vacancy has been created in the position of director of a county tax or equalization department and in which the position was previously filled by a person certified at the level required by the board pursuant to this subsection, a person certified at 1 level below the level required by the board pursuant to this subsection may serve in the position for 12 months after the vacancy has been created.

Sec. 10e. All assessing officials, whose duty it is to assess real or personal property on which real or personal property taxes are levied by any taxing unit of the state, shall use only the official assessor's manual or any manual approved by the state tax commission, consistent with the official assessor's manual, with their latest supplements, as prepared or approved by the state tax commission as a guide in preparing assessments. Beginning with the tax assessing year 1978, all assessing officials shall maintain records relevant to the assessments, including appraisal record cards, personal property records, historical assessment data, tax maps, and land value maps consistent with standards set forth in the assessor's manual published by the state tax commission.

211.10f Preparation of certified assessment roll; costs; quality of tax maps and appraisal records; levy of interim taxes; substitution of latest complete assessment roll; effect and labeling of interim tax levy; notice of new assessment; petition for hearing; contents of notice; final levy; reporting difference in tax; sharing additional taxes or credits against tax liability; technical assistance; certified copy of orders; copy of final determination.

Sec. 10f. (1) If a local assessing district does not have an assessment roll that has been certified by a qualified certified assessing officer, or if a certified assessor or a board of review for a local tax collecting unit is not in substantial compliance with the provisions of this act, the state tax commission shall assume jurisdiction over the assessment roll and provide for the preparation of a certified roll. The commission may order the county tax or equalization department to prepare the roll; may provide for the use of state employees to prepare the roll; or may order the local assessing unit to contract with a commercial appraisal firm to conduct an appraisal of the property in the assessing unit under the supervision of the county tax or equalization department and the commission. The costs of an appraisal and the preparation of the roll by the county tax or equalization department or by the commission shall be paid by the local assessing district as provided by section 10d. The commission shall consider the quality of the tax maps and appraisal records required by section 10e as part of its investigation of the facts before ordering the local assessing unit to contract for an appraisal.

(2) If a certified assessment roll cannot be provided in sufficient time for a summer tax levy, or for the annual levy on December 1, the commission shall order the levy of interim taxes based on the tentative taxable value of individual properties as determined by the commission. Tentative taxable values shall be calculated pursuant to section 27a. State equalized values necessary to determine tentative taxable values shall be determined by the commission, sitting as the state board of equalization, apportioned to the local assessing unit by the county board of commissioners, and apportioned to each property in proportion to the assessed valuation entered in the current uncertified assessment roll. If there is no current assessment roll, the commission shall substitute the latest complete assessment roll for the current roll for the interim tax levy. The payment of a tax levied as an interim tax levy does not constitute a final and ultimate discharge of the taxpayer's liability for the tax levied against that property. An interim tax levy made under this subsection shall be clearly labeled as an "interim tax levy subject to adjustment after an assessment roll is certified".

(3) Within 30 days after the final determination by the commission of the assessed valuation and taxable value for each individual property listed on the assessment roll, the commission shall cause to be mailed a notice of the new assessment and new taxable value to each owner. An owner has the right to petition the tax tribunal directly for a hearing on the assessed valuation or taxable value within 30 days after the date of the notice in the same manner as provided under section 35 of the tax tribunal act, Act No. 186 of the Public Acts of 1973, being section 205.735 of the Michigan Compiled Laws. The notice shall specify each parcel of property, the assessed valuation for the current year, the assessed valuation for the immediately preceding year, the tentative taxable value for the current year, the taxable value for the immediately preceding year, the state equalized valuation for the immediately preceding year, the tentative state equalized valuation for the current year, the net change in the assessed valuation, the net change in the tentative taxable value, and the net change between the tentative state equalized valuation for the current year and the state equalized valuation for the immediately preceding year. The notice shall include a statement informing the owner that an appeal of the assessment or taxable value must be made within 30 days of the date of the assessment notice directly to the tax tribunal and shall also include information on how and where an appeal can be made.

(4) After the final determination of the state equalized valuations and taxable values by the commission, the assessing officer or, if there is no assessing officer, an agent designated by the commission shall determine the difference in tax, if any, between the interim levy and a levy made on the final taxable values as finally determined by the commission, which may be referred to as the "final levy". The final levy shall be at the

rates that were approved and ordered spread for the year in which there was not a certified assessment roll.

(5) A difference in the tax determined in subsection (4) shall be reported to the county board of commissioners, which shall order that additional taxes or credits against individual properties be added to or subtracted from the next succeeding annual tax roll, together with a proportionate share of the property tax administration fee, if a fee is charged, applicable to the difference.

(6) Additional taxes collected or credits against the tax liability made under this section shall be shared by taxing units in the respective proportions that they share the revenue received from the final levy.

(7) The commission shall render technical assistance if necessary to implement this section.

(8) The commission shall provide the tax tribunal with a certified copy of its orders and a copy of each final determination made under this section.

(4) A local tax collecting unit may provide for the electronic filing of the statement required under subsection (2) or (3).

(5) A statement under subsection (2) or (3) shall be in a form prescribed by the state tax commission. If a local tax collecting unit has provided for electronic filing of the statement under subsection (4), the filing format shall be prescribed by the state tax commission. The state tax commission shall not prescribe more than 1 format for electronically filing a statement under subsection (2) or more than 1 format for electronically filing a statement under subsection (3).

(7) A supervisor or assessor shall not accept a statement under subsection (2) or (3) as final or sufficient if that statement is not in the proper form or does not contain a manual, facsimile, or electronic signature. A supervisor or assessor shall preserve a statement that is not in the proper form or is not signed as in other cases, and that statement may be used to make the assessment and as evidence in any proceeding regarding the assessment of the person furnishing that statement.

(8) An electronic or facsimile signature shall be accepted by a local tax collecting unit using a procedure prescribed by the state tax commission.

ASSESSMENT ROLL.

211.24 Property tax assessment roll; time; determining value of metallic mining properties and mineral rights; report of state geologist; certification by state tax commission; appeal.

Sec. 24. (1) On or before the first Monday in March in each year, the assessor shall make and complete an assessment roll, upon which he or she shall set down all of the following:

(a) The name and address of every person liable to be taxed in the local tax collecting unit with a full description of all the real property liable to be taxed. If the name of the owner or occupant of any tract or parcel of real property is known, the assessor shall enter the name and address of the owner or occupant opposite to the description of the property. If unknown, the real property described upon the roll shall be assessed as "owner unknown". All contiguous subdivisions of any section that are owned by 1 person, firm, corporation, or other legal entity and all unimproved lots in any block that are contiguous and owned by 1 person, firm, corporation, or other legal entity shall be assessed as 1 parcel, unless demand in writing is made by the owner or occupant to have each subdivision of the section or each lot assessed separately. However, failure to assess contiguous parcels as entireties does not invalidate the assessment as made. Each description shall show as near as possible the number of acres contained in it, as determined by the assessor. It is not necessary for the assessment roll to specify the quantity of land comprised in any town, city, or village lot.

(b) The assessor shall estimate, according to his or her best information and judgment, the true cash value and assessed value of every parcel of real property and set the assessed value down opposite the parcel.

(c) The assessor shall calculate the tentative taxable value of every parcel of real property and set that value down opposite the parcel.

(d) The assessor shall determine the percentage of value of every parcel of real property that is exempt from the tax levied by a local school district for school operating purposes to the extent provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, and set that percentage of value down opposite the parcel.

(e) The assessor shall determine the date of the last transfer of ownership of every parcel of real property occurring after December 31, 1994 and set that date down opposite the parcel.

(f) The assessor shall estimate the true cash value of all the personal property of each person, and set the assessed value and tentative taxable value down opposite the name of the person. In determining the property to be assessed and in estimating the value of that property, the assessor is not bound to follow the statements of any person, but shall exercise his or her best judgment. For taxes levied after December 31, 2003, the assessor shall separately state the assessed value and tentative taxable value of any leasehold improvements.

(g) Property assessed to a person other than the owner shall be assessed separately from the owner's property and shall show in what capacity it is assessed to that person, whether as agent, guardian, or otherwise. Two or more persons not being copartners, owning personal property in common, may each be assessed severally for each person's portion. Undivided interests in lands owned by tenants in common, or joint tenants not being copartners, may be assessed to the owners.

(2) The state geologist, or his or her duly authorized deputy, shall determine, according to his or her best information and judgment, the true cash value of the metallic mining properties and mineral rights consisting of metallic resources that are either producing, developed, or have a known commercial mineral value,

including surface rights and personal property that may be used in the operation or development of the property assessed, or any stockpile of ore or mineral stored on the surface. For the purpose of encouraging the exploration and development of metallic mineral resources, metallic mineral ore newly discovered or proven in the ground and not part of the property of an operating mine shall be exempt from the taxes collected under this act for a maximum period of 10 years or until the time it becomes part of the property of an operating mine or it in itself becomes an operating mine. Metallic mineral ore newly discovered or proven in the ground and part of the property of an operating mine shall be exempt from taxes collected under this act until it, in combination with previously discovered metallic mineral ore of the operating mine, comes into a 10-year recovery period of the mine as determined by the average normal annual rate of extraction of the mine.

(3) An operating mine shall be defined to be an operating mine as of the date of starting of a shaft, stripping of overburden, or rehabilitation, or an abandoned or idle mine closed for not less than 2 years. Ore shall not enjoy more than 10 years' exemption from taxation. This section does not exempt from the taxes collected under this act ore reserves proven as of April 1, 1947. It is the intent of this act that mineral properties shall be valued and assessed in the future for ad valorem taxes according to the formula used in the valuation of mineral properties before the effective date of this act. It is the intent of this act that no metallic mineral ore shall be exempt more than 10 years because of the application of this act and if at any time it becomes evident that such is the case, the state tax commission shall determine the value of this untaxed ore and place this valuation on the proper tax roll. The state geologist shall report his or her determination of the true cash value of the mineral properties to the state tax commission on or before February 10 of each year. The state tax commission shall assess the mineral properties containing 20% or more of natural iron per ton of ore in conformity and uniformity with all other property within the assessing district. The state tax commission shall assess all other metallic mineral properties at the value certified by the state geologist. The state tax commission, as early as is practicable before February 20, shall certify the assessment of the property to the assessor of the township or city in which the property is situated, who shall for the mineral properties and mineral rights that are owned separate from the surface rights on the property assess each to the owner at the valuation certified to him or her. However, an adjustment to the value certified by the state tax commission may be made by the assessor of the township or city to reflect any general adjustment of assessed valuation from the immediately preceding year not included in the state tax commission computation. The assessor shall determine the true cash value of the surface rights and assess the value of the surface rights to the owner. The assessment upon the metallic mining properties and mineral rights may be altered from year to year regardless of whether any previous assessment has been reviewed by the state tax commission. The assessor or the owner of any interest in the property assessed may appeal the assessment and valuation of the property as determined by the board of review to the state tax commission which shall review the assessment and valuation as provided in section 152.

211.24c Notice of increase in tentative state equalized valuation or tentative taxable value; contents; required information and forms; addressing and mailing assessment notice; effect of failure to send or receive assessment notice; calculation of tentative equalized valuation; model assessment notice form; statement; separate statement.

Sec. 24c. (1) The assessor shall give to each owner or person or persons listed on the assessment roll of the property a notice by first-class mail of an increase in the tentative state equalized valuation or the tentative taxable value for the year. The notice shall specify each parcel of property, the tentative taxable value for the current year, and the taxable value for the immediately preceding year. The notice shall also specify the time and place of the meeting of the board of review. The notice shall also specify the difference between the property's tentative taxable value in the current year and the property's taxable value in the immediately preceding year.

(2) The notice shall include, in addition to the information required by subsection (1), all of the following:

(a) The state equalized valuation for the immediately preceding year.

(b) The tentative state equalized valuation for the current year.

(c) The net change between the tentative state equalized valuation for the current year and the state equalized valuation for the immediately preceding year.

(d) The classification of the property as defined by section 34c.

(e) The inflation rate for the immediately preceding year as defined in section 34d.

(f) A statement provided by the state tax commission explaining the relationship between state equalized valuation and taxable value. If the assessor believes that a transfer of ownership has occurred in the immediately preceding year, the statement shall state that the ownership was transferred and that the taxable value of that property is the same as the state equalized valuation of that property.

(3) When required by the income tax act of 1967, 1967 PA 281, MCL 206.1 to 206.532, the assessment notice shall include or be accompanied by information or forms prescribed by the income tax act of 1967, 1967 PA 281, MCL 206.1 to 206.532.

(4) The assessment notice shall be addressed to the owner according to the records of the assessor and mailed not less than 10 days before the meeting of the board of review. The failure to send or receive an assessment notice does not invalidate an assessment roll or an assessment on that property.

(5) The tentative state equalized valuation shall be calculated by multiplying the assessment by the tentative equalized valuation multiplier. If the assessor has made assessment adjustments that would have changed the tentative multiplier, the assessor may recalculate the multiplier for use in the notice.

(6) The state tax commission shall prepare a model assessment notice form that shall be made available to local units of government.

(7) The assessment notice under subsection (1) shall include the following statement:

“If you purchased your principal residence after May 1 last year, to claim the principal residence exemption, if you have not already done so, you are required to file an affidavit before May 1.”

(8) For taxes levied after December 31, 2003, the assessment notice under subsection (1) shall separately state the state equalized valuation and taxable value for any leasehold improvements.

211.24d Structures or improvements approved for acquisition by governmental units; exemption; affidavit; false statement; notice of reoccupancy; noncompliance; condition for exemption.

Sec. 24d. (1) When the occupancy of a structure or improvement approved for acquisition by the appropriate units of local and federal government is subsequently vacated, the real property shall be exempt from ad valorem taxation on the tax day next following the vacation and until the property is acquired by the local public agency, the plan of acquisition is abandoned or the property is reinhabited.

(2) To obtain the exemption, each year the property owner shall file with the local assessing officer an affidavit showing that the property possesses the qualifications for exemption and including his sworn statement that the property is vacant and shall remain vacant during the total tax year. The claim for exemption shall thereafter be open to public inspection.

(3) A person shall not claim or be allowed more than 1 exemption for each such property under this section. The claim for exemption shall thereafter be open to public inspection.

(4) If the owner knowingly makes a false statement on his affidavit he shall be subject to a civil penalty equal to 2 times the taxes the owner would have paid on the property but for the exemption plus interest compounded annually at a rate of 6%.

(5) If the property is reoccupied for any purpose or any period during the tax year for which the exemption is applicable, the owner within 10 days following the date of reoccupancy shall so notify the local assessing officer in writing and shall pay to the treasurer of the local unit an amount equal to the amount of taxes that would have been paid on the property but for the exemption. If the owner fails to comply with this subsection or subsection (6) he shall be subject to the penalty prescribed in subsection (4).

(6) As a condition for the exemption provided in this section, the owner shall render and maintain the property safe from vandalism and from becoming a public nuisance as may reasonably be required by the local assessing officer.

211.24e Definitions; levying ad valorem property taxes for operating purposes; limitation; reduction; approving levy of additional millage rate; change in state equalized valuation of local governmental unit resulting from appeal; insufficiency of additional millage rate; public hearing; notice; establishing proposed additional millage rate before public hearing; calculating reductions in millage rates; amount used for substance abuse treatment programs; distribution to coordinating agency; applicability of section; effect of § 380.1211.

Sec. 24e. (1) As used in this section:

(a) “Additional millage rate” means a millage rate for operating purposes in excess of the millage rate permitted by subsection (2).

(b) “Additions” means that term as defined in section 34d.

(c) “Base tax rate” means a millage rate for a local unit of government equal to the dollar amount of taxes levied for operating purposes for the concluding fiscal year from existing property divided by the taxable value of existing property for ad valorem property tax levies for the ensuing fiscal year.

(d) “Concluding fiscal year” means the fiscal year of the taxing unit immediately preceding the fiscal year for which a limitation under this section is applied or calculated.

(e) “Ensuing fiscal year” means the fiscal year of the taxing unit for which a limitation under this section is applied or calculated.

(f) “Existing property” means all property against which ad valorem property taxes were levied by a local unit for its concluding fiscal year, minus all property that is considered losses for purposes of ad valorem property tax levies of the local unit for the ensuing fiscal year.

(g) “Local unit of government” or “taxing unit” means a city, village, township, charter township, county, charter county, local school district, intermediate school district, community college district, or authority.

(h) “Losses” means that term as defined in section 34d.

(i) “Operating purposes” means all purposes for which ad valorem property taxes are levied by the taxing unit other than the levy of ad valorem property taxes to provide local school districts revenue that is deposited in a building and site fund, or to pay principal and interest due on a bond or note if and to the extent the ad valorem taxes levied for this purpose are in addition to charter or statutory limitations, as authorized by the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(2) Except as provided by subsection (3), unless the taxing unit complies with section 16 of the uniform budgeting and accounting act, 1968 PA 2, MCL 141.436, the governing body of a taxing unit shall not levy ad valorem property taxes for operating purposes for an ensuing fiscal year of the taxing unit that yield an amount more than the sum of the taxes levied at the base tax rate on additions within the taxing unit for the ensuing fiscal year plus an amount equal to the taxes levied for operating purposes for the concluding fiscal year on existing property. If the taxing unit is a county, for purposes of this calculation the resulting sum shall be reduced by an amount equal to the estimate of the distribution as certified by the state treasurer to be received by the county pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630, to the extent that the distribution has been appropriated by the legislature and the estimate has been certified by the state treasurer before the final date on which a county millage rate can be certified for the ensuing year. For purposes of this section, the state treasurer shall certify an amount that is an estimate of the amount to be distributed to each county pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630.

(3) Unless the taxing unit complies with section 16 of the uniform budgeting and accounting act, 1968 PA 2, MCL 141.436, a governing body of a taxing unit may approve a levy of an additional millage rate only after providing the notice required by subsections (6) and (9) and holding a public hearing of the governing body as prescribed by subsection (6). To approve the levy of the additional millage rate, the governing body shall adopt a separate resolution or ordinance.

(4) If, as a result of an appeal of county equalization or state equalization, the state equalized valuation of a unit of local government changes, and an incorrect amount of property taxes has been levied, the amount of additional tax revenue or the shortage of tax revenue shall be deducted from or added to the next regular tax levy for that unit of local government after the determination of the rate authorized pursuant to this section. If the legislature makes an appropriation to a county pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630, after the final date a county millage rate can be certified for the ensuing year, if an appropriation made pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630, is reduced by an executive order, or if the amount of a distribution pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630, varies from the estimated amount certified by the state treasurer pursuant to subsection (2), the amount of additional tax revenue or the shortage of tax revenue shall be deducted from or added to the next regularly estimated amount for purposes of the next required calculations under subsections (2) and (11).

(5) If, at any time, the taxing unit determines that the published, proposed additional millage rate or an adopted additional millage rate is insufficient, the taxing unit shall readvertise, hold another public hearing of the governing body, and, if necessary, revoke.

(6) The public hearing of the governing body of a taxing unit required pursuant to subsections (3) and (5) shall be held for the purpose of receiving testimony and discussing a levy of an additional millage rate for its ensuing fiscal year. In addition to satisfying the requirements under the open meetings act, 1976 PA 267, MCL 15.261 to 15.275, the local unit of government or taxing unit shall publish notice of this public hearing in a newspaper of general circulation within the local unit of government or taxing unit. This notice shall be published not less than 6 days before the public hearing and may be jointly published with the notice of the public hearing on the taxing unit's proposed budget as required by section 2 of 1963 (2nd Ex Sess) PA 43, MCL 141.412, if both public hearings are held jointly. This notice shall specify the time, date, and place of the public hearing and shall include, in addition to other pertinent information the local unit of government or taxing unit may elect to include, a statement indicating the proposed additional millage rate, the percentage by which this proposed additional millage rate would increase revenues for operating purposes from ad valorem property tax levies permitted by operation of subsection (2), the percentage of increased revenue from the immediately preceding year that the taxing unit would receive if the additional millage rate is not approved, and that the date and location the taxing unit plans to take action on the proposed resolution or ordinance will be announced at the public hearing. This notice shall also provide a statement that the taxing unit publishing the notice has complete authority to establish the number of mills to be levied from within its authorized millage rate. The notice shall be in not less than 12-point type, shall be preceded by a headline stating "notice of a public hearing on increasing property taxes" which shall be in not less than 18-point type, shall be not less than 8 vertical column inches and 4 horizontal inches, and shall not be placed in that portion of the newspaper reserved for legal notice and classified advertisements.

(7) The proposed additional millage rate, which is required by subsection (6) to be part of the notice of the public hearing, shall be established by a resolution adopted by the governing body of the taxing unit before conducting the public hearing.

(8) Not more than 10 days after a public hearing, a taxing unit may approve the levy of an additional millage rate, but shall not approve an additional millage rate that is greater than a proposed additional millage rate that was published pursuant to subsection (6) and on which the public hearing has been held.

(9) Each local unit shall send timely written notice of the time, date, and place of a public hearing to be held pursuant to this section to all newspapers of general circulation within the local unit.

(10) This section shall not serve to extend or authorize the levy of ad valorem property taxes at a tax rate in excess of the maximum permitted by law, or to prevent the reduction of the tax rate either by action of the governing body of the taxing unit or pursuant to this act, including sections 34 and 34d. Reductions in millage rates that may be required by the compound operation of sections 34 and 34d shall be calculated independently of the tax rate limitation determined by operation of this section.

(11) If the sum of a county's operating property tax levy for the ensuing fiscal year plus the county's distribution to be received pursuant to section 10 of the state convention facility development act, 1985 PA 106, MCL 207.630, exceeds the product of the county's taxable value for the ensuing fiscal year times the greater of the county's base tax rate or concluding fiscal year's operating millage rate, then an amount equal to the lesser of 50% of the excess or 50% of the state convention facility development act distribution shall be

used for substance abuse treatment programs within the county. The proceeds received by the taxing unit shall be distributed to the coordinating agency designated for that county pursuant to section 6226 of the public health code, 1978 PA 368, MCL 333.6226, and used only for substance abuse prevention and treatment programs in the county from which the proceeds originated.

(12) Except as provided in subsection (13), this section applies to a fiscal year of a taxing unit for which ad valorem property taxes are levied in 1982 or in any year after 1982. This section does not apply for the ensuing fiscal year of a local unit of government that levied ad valorem property taxes for operating purposes of 1 mill or less for its concluding fiscal year.

(13) This section does not apply to local school districts in 1994.

(14) In 1995, the calculations made pursuant to this section by local school districts shall be made without regard to the exemption provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, and the taxable value of property exempt under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, is not considered a loss.

211.24f Proposal authorizing bond issuance or millage rate; ballot; maximum number of elections; submitting single question on renewal and additional millage.

Sec. 24f. (1) If a taxing unit submits a proposal on the question of authorizing the issuance of bonds, imposing a new millage, or increasing or renewing an existing millage, except an ad valorem special assessment millage for police or fire protection under 1951 PA 33, MCL 41.801 to 41.813, the ballot shall fully disclose each local unit of government to which the revenue from that millage will be disbursed. As used in this subsection:

(a) “Local unit of government” means a county, city, village, township, school district, intermediate school district, community college district, public library, or local authority created under state law.

(b) “Public library” means that term as defined in section 2 of the state aid to public libraries act, 1977 PA 89, MCL 397.552.

(2) In addition to the requirement set forth in subsection (1) and any other requirement provided by law, when submitting a proposal on the question of authorizing a millage rate to be levied under this act, the ballot shall state all of the following:

(a) The millage rate to be authorized.

(b) The estimated amount of revenue that will be collected in the first year that the millage is authorized and levied.

(c) The duration of the millage in years.

(d) A clear statement of the purpose for the millage.

(e) A clear statement indicating whether the proposed millage is a renewal of a previously authorized millage or the authorization of a new additional millage.

(3) In addition to any other requirement provided by law, when submitting a proposal to authorize the issuance of bonds, the ballot shall state all of the following:

(a) The principal amount to be borrowed.

(b) The maximum number of years the bonds may be outstanding, exclusive of any refunding.

(c) A clear statement of the purpose for which the proceeds of the bonds will be used.

(d) For bonds other than bonds that are intended to be paid from a separate revenue source or from taxes levied in less than the entire taxing unit, the estimated millage that will be levied for the proposed bonds in the first year that the levy is authorized and the estimated simple average annual millage that will be required to retire the debt. Inaccuracies in the estimates provided under this subdivision shall not affect the validity of the bonds, the general obligation unlimited tax status requiring the levy of taxes sufficient to pay the bonds, or the results of an election.

(e) For bonds that are intended to be paid from a separate revenue source or from taxes levied in less than the entire taxing unit, the primary source of the revenue that is intended to be used to retire the bonds.

(4) A taxing unit shall hold not more than 2 elections in a calendar year concerning the authorization of a millage rate greater than the product of the immediately preceding year's reduced maximum authorized rate or rates as defined in section 34d(16) multiplied by the current year's millage reduction fraction, regardless of the number of questions presented at the election.

(5) A taxing unit that levies millage under this act shall not submit a single question to the electors of the taxing unit requesting both the renewal of voter authorized millage and the authorization of new additional

millage if the additional millage is greater than 0.5 mill. If authorization to levy millage has expired and the taxing unit submits to the electors the authorization of millage greater than the number of expired mills reduced pursuant to the millage reduction in section 34d(11), and if the additional millage is greater than 0.5 mill, the taxing unit shall submit 1 question for authorization of the number of expired mills reduced pursuant to the millage reduction in section 34d(11) and 1 or more additional questions for the authorization of millage in excess of that amount.

(a) If the land to be assessed is an entire section, it may be described by the number of the section, township, and range.

(b) If the tract is a subdivision of a section authorized by the United States for the sale of public lands, it may be described by the designation of the subdivision, with the number of the section, township, and range.

(f) It shall be sufficient to describe the real property assessed upon a roll and in other proceedings under this act in the manner heretofore in use by initials, letters, abbreviations, and figures.

(g) In the case of the separate assessment of mineral rights it shall be sufficient to describe the same as provided in this section followed by the term “mineral rights only”, and it shall be sufficient description of the surface rights which shall include all other rights in the property except mineral rights, as defined in sections 6a and 6b, to describe the property as provided in this section followed by the term “surface rights only”.

(2) The descriptions of real property of townships shall be arranged in the following manner:

211.25a Real estate index number system.

Sec. 25a. An assessing officer, with the approval of the governing body of the city or township, may establish a real estate index number system for listing real estate for purposes of assessment and collection of taxes, in addition to, or in lieu of, the method of listing by legal description provided in this act. The system shall describe real estate by county, township, section, block and parcel or lot. The numbering system shall be approved by the state tax commission. The assessing officer shall establish and maintain cross indexes of numbers assigned under the system with the complete legal description of the real estate to which such numbers relate. The assessing officer shall assign individual index numbers and the assessment rolls, tax rolls and tax statements shall carry the index numbers and not the legal descriptions, except that both the legal description and the index number shall be shown on the tax statements for the first year after this section is effective. Indexes established hereunder shall be open to public inspection.

211.27 “True cash value” defined; considerations in determining value; indicating exclusions from true cash value on assessment roll; subsection (2) applicable only to residential property; repairs considered normal maintenance; exclusions from real estate sales data; “present economic income” defined; applicability of subsection (4); value of transferred property; “purchase price” defined; net book value.

Sec. 27. (1) As used in this act, “true cash value” means the usual selling price at the place where the property to which the term is applied is at the time of assessment, being the price that could be obtained for the property at private sale, and not at auction sale except as otherwise provided in this section, or at forced sale. The usual selling price may include sales at public auction held by a nongovernmental agency or person if those sales have become a common method of acquisition in the jurisdiction for the class of property being valued. The usual selling price does not include sales at public auction if the sale is part of a liquidation of the seller's assets in a bankruptcy proceeding or if the seller is unable to use common marketing techniques to obtain the usual selling price for the property. A sale or other disposition by this state or an agency or political subdivision of this state of land acquired for delinquent taxes or an appraisal made in connection with the sale or other disposition or the value attributed to the property of regulated public utilities by a governmental regulatory agency for rate-making purposes is not controlling evidence of true cash value for assessment purposes. In determining the true cash value, the assessor shall also consider the advantages and disadvantages of location; quality of soil; zoning; existing use; present economic income of structures, including farm structures; present economic income of land if the land is being farmed or otherwise put to income producing use; quantity and value of standing timber; water power and privileges; and mines, minerals, quarries, or other valuable deposits known to be available in the land and their value. In determining the true cash value of personal property owned by an electric utility cooperative, the assessor shall consider the number of kilowatt hours of electricity sold per mile of distribution line compared to the average number of kilowatt hours of electricity sold per mile of distribution line for all electric utilities.

(2) The assessor shall not consider the increase in true cash value that is a result of expenditures for normal repairs, replacement, and maintenance in determining the true cash value of property for assessment purposes until the property is sold. For the purpose of implementing this subsection, the assessor shall not increase the construction quality classification or reduce the effective age for depreciation purposes, except if the appraisal of the property was erroneous before nonconsideration of the normal repair, replacement, or maintenance, and shall not assign an economic condition factor to the property that differs from the economic condition factor assigned to similar properties as defined by appraisal procedures applied in the jurisdiction. The increase in value attributable to the items included in subdivisions (a) to (o) that is known to the assessor and excluded from true cash value shall be indicated on the assessment roll. This subsection applies only to residential property. The following repairs are considered normal maintenance if they are not part of a structural addition or completion:

- (a) Outside painting.
- (b) Repairing or replacing siding, roof, porches, steps, sidewalks, or drives.
- (c) Repainting, repairing, or replacing existing masonry.
- (d) Replacing awnings.
- (e) Adding or replacing gutters and downspouts.
- (f) Replacing storm windows or doors.
- (g) Insulating or weatherstripping.
- (h) Complete rewiring.
- (i) Replacing plumbing and light fixtures.
- (j) Replacing a furnace with a new furnace of the same type or replacing an oil or gas burner.
- (k) Repairing plaster, inside painting, or other redecorating.
- (l) New ceiling, wall, or floor surfacing.
- (m) Removing partitions to enlarge rooms.
- (n) Replacing an automatic hot water heater.

(o) Replacing dated interior woodwork.

(3) A city or township assessor, a county equalization department, or the state tax commission before utilizing real estate sales data on real property purchases, including purchases by land contract, to determine assessments or in making sales ratio studies to assess property or equalize assessments shall exclude from the sales data the following amounts allowed by subdivisions (a), (b), and (c) to the extent that the amounts are included in the real property purchase price and are so identified in the real estate sales data or certified to the assessor as provided in subdivision (d):

(a) Amounts paid for obtaining financing of the purchase price of the property or the last conveyance of the property.

(b) Amounts attributable to personal property that were included in the purchase price of the property in the last conveyance of the property.

(c) Amounts paid for surveying the property pursuant to the last conveyance of the property. The legislature may require local units of government, including school districts, to submit reports of revenue lost under subdivisions (a) and (b) and this subdivision so that the state may reimburse those units for that lost revenue.

(d) The purchaser of real property, including a purchaser by land contract, may file with the assessor of the city or township in which the property is located 2 copies of the purchase agreement or of an affidavit that identifies the amount, if any, for each item listed in subdivisions (a) to (c). One copy shall be forwarded by the assessor to the county equalization department. The affidavit shall be prescribed by the state tax commission.

(4) As used in subsection (1), "present economic income" means for leased or rented property the ordinary, general, and usual economic return realized from the lease or rental of property negotiated under current, contemporary conditions between parties equally knowledgeable and familiar with real estate values. The actual income generated by the lease or rental of property is not the controlling indicator of its true cash value in all cases. This subsection does not apply to property subject to a lease entered into before January 1, 1984 for which the terms of the lease governing the rental rate or tax liability have not been renegotiated after December 31, 1983. This subsection does not apply to a nonprofit housing cooperative subject to regulatory agreements between the state or federal government entered into before January 1, 1984. As used in this subsection, "nonprofit cooperative housing corporation" means a nonprofit cooperative housing corporation that is engaged in providing housing services to its stockholders and members and that does not pay dividends or interest upon stock or membership investment but that does distribute all earnings to its stockholders or members.

(5) Beginning December 31, 1994, the purchase price paid in a transfer of property is not the presumptive true cash value of the property transferred. In determining the true cash value of transferred property, an assessing officer shall assess that property using the same valuation method used to value all other property of that same classification in the assessing jurisdiction. As used in this subsection, "purchase price" means the total consideration agreed to in an arms-length transaction and not at a forced sale paid by the purchaser of the property, stated in dollars, whether or not paid in dollars.

(6) For purposes of a statement submitted under section 19, the true cash value of a standard tool is the net book value of that standard tool as of December 31 in each tax year as determined using generally accepted accounting principles in a manner consistent with the established depreciation method used by the person submitting that statement. The net book value of a standard tool for federal income tax purposes is not the presumptive true cash value of that standard tool. As used in this subsection, "standard tool" means that term as defined in section 9b.

Constitutionality: For the purpose of assessing taxes on real property, to the extent that creative financing represents something of value either to a seller or a buyer, it is not part of the real property, and cannot be included in the determination of the true cash value of the property. *Washtenaw County v. State Tax Commission*, 422 Mich. 346, 373 N.W.2d 697 (1985).

Popular name: Act 206

211.27a Property tax assessment; determining taxable value; adjustment; exception; "transfer of ownership" defined; qualified agricultural property; notice of transfer of property; applicability of subsection (10); definitions.

Sec. 27a. (1) Except as otherwise provided in this section, property shall be assessed at 50% of its true cash value under section 3 of article IX of the state constitution of 1963.

(2) Except as otherwise provided in subsection (3), for taxes levied in 1995 and for each year after 1995, the taxable value of each parcel of property is the lesser of the following:

(a) The property's taxable value in the immediately preceding year minus any losses, multiplied by the lesser of 1.05 or the inflation rate, plus all additions. For taxes levied in 1995, the property's taxable value in the immediately preceding year is the property's state equalized valuation in 1994.

(b) The property's current state equalized valuation.

(3) Upon a transfer of ownership of property after 1994, the property's taxable value for the calendar year following the year of the transfer is the property's state equalized valuation for the calendar year following the transfer.

(4) If the taxable value of property is adjusted under subsection (3), a subsequent increase in the property's taxable value is subject to the limitation set forth in subsection (2) until a subsequent transfer of ownership occurs. If the taxable value of property is adjusted under subsection (3) and the assessor determines that there had not been a transfer of ownership, the taxable value of the property shall be adjusted at the July or December board of review. Notwithstanding the limitation provided in section 53b(1) on the number of years for which a correction may be made, the July or December board of review may adjust the taxable value of property under this subsection for the current year and for the 3 immediately preceding calendar years. A corrected tax bill shall be issued for each tax year for which the taxable value is adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. For purposes of section 53b, an adjustment under this subsection shall be considered the correction of a clerical error.

(5) Assessment of property, as required in this section and section 27, is inapplicable to the assessment of property subject to the levy of ad valorem taxes within voted tax limitation increases to pay principal and interest on limited tax bonds issued by any governmental unit, including a county, township, community college district, or school district, before January 1, 1964, if the assessment required to be made under this act would be less than the assessment as state equalized prevailing on the property at the time of the issuance of the bonds. This inapplicability shall continue until levy of taxes to pay principal and interest on the bonds is no longer required. The assessment of property required by this act shall be applicable for all other purposes.

(6) As used in this act, "transfer of ownership" means the conveyance of title to or a present interest in property, including the beneficial use of the property, the value of which is substantially equal to the value of the fee interest. Transfer of ownership of property includes, but is not limited to, the following:

(a) A conveyance by deed.

(b) A conveyance by land contract. The taxable value of property conveyed by a land contract executed after December 31, 1994 shall be adjusted under subsection (3) for the calendar year following the year in which the contract is entered into and shall not be subsequently adjusted under subsection (3) when the deed conveying title to the property is recorded in the office of the register of deeds in the county in which the property is located.

(c) A conveyance to a trust after December 31, 1994, except if the settlor or the settlor's spouse, or both, conveys the property to the trust and the sole present beneficiary or beneficiaries are the settlor or the settlor's spouse, or both.

(d) A conveyance by distribution from a trust, except if the distributee is the sole present beneficiary or the spouse of the sole present beneficiary, or both.

(e) A change in the sole present beneficiary or beneficiaries of a trust, except a change that adds or substitutes the spouse of the sole present beneficiary.

(f) A conveyance by distribution under a will or by intestate succession, except if the distributee is the decedent's spouse.

(g) A conveyance by lease if the total duration of the lease, including the initial term and all options for renewal, is more than 35 years or the lease grants the lessee a bargain purchase option. As used in this subdivision, "bargain purchase option" means the right to purchase the property at the termination of the lease for not more than 80% of the property's projected true cash value at the termination of the lease. After December 31, 1994, the taxable value of property conveyed by a lease with a total duration of more than 35 years or with a bargain purchase option shall be adjusted under subsection (3) for the calendar year following the year in which the lease is entered into. This subdivision does not apply to personal property except buildings described in section 14(6) and personal property described in section 8(h), (i), and (j). This subdivision does not apply to that portion of the property not subject to the leasehold interest conveyed.

(h) A conveyance of an ownership interest in a corporation, partnership, sole proprietorship, limited liability company, limited liability partnership, or other legal entity if the ownership interest conveyed is more

than 50% of the corporation, partnership, sole proprietorship, limited liability company, limited liability partnership, or other legal entity. Unless notification is provided under subsection (10), the corporation, partnership, sole proprietorship, limited liability company, limited liability partnership, or other legal entity shall notify the assessing officer on a form provided by the state tax commission not more than 45 days after a conveyance of an ownership interest that constitutes a transfer of ownership under this subdivision.

(i) A transfer of property held as a tenancy in common, except that portion of the property not subject to the ownership interest conveyed.

(j) A conveyance of an ownership interest in a cooperative housing corporation, except that portion of the property not subject to the ownership interest conveyed.

(7) Transfer of ownership does not include the following:

(a) The transfer of property from 1 spouse to the other spouse or from a decedent to a surviving spouse.

(b) A transfer from a husband, a wife, or a husband and wife creating or disjoining a tenancy by the entireties in the grantors or the grantor and his or her spouse.

(c) A transfer of that portion of property subject to a life estate or life lease retained by the transferor, until expiration or termination of the life estate or life lease. That portion of property transferred that is not subject to a life lease shall be adjusted under subsection (3).

(d) A transfer through foreclosure or forfeiture of a recorded instrument under chapter 31, 32, or 57 of the revised judicature act of 1961, 1961 PA 236, MCL 600.3101 to 600.3280 and MCL 600.5701 to 600.5759, or through deed or conveyance in lieu of a foreclosure or forfeiture, until the mortgagee or land contract vendor subsequently transfers the property. If a mortgagee does not transfer the property within 1 year of the expiration of any applicable redemption period, the property shall be adjusted under subsection (3).

(e) A transfer by redemption by the person to whom taxes are assessed of property previously sold for delinquent taxes.

(f) A conveyance to a trust if the settlor or the settlor's spouse, or both, conveys the property to the trust and the sole present beneficiary of the trust is the settlor or the settlor's spouse, or both.

(g) A transfer pursuant to a judgment or order of a court of record making or ordering a transfer, unless a specific monetary consideration is specified or ordered by the court for the transfer.

(h) A transfer creating or terminating a joint tenancy between 2 or more persons if at least 1 of the persons was an original owner of the property before the joint tenancy was initially created and, if the property is held as a joint tenancy at the time of conveyance, at least 1 of the persons was a joint tenant when the joint tenancy was initially created and that person has remained a joint tenant since the joint tenancy was initially created. A joint owner at the time of the last transfer of ownership of the property is an original owner of the property. For purposes of this subdivision, a person is an original owner of property owned by that person's spouse.

(i) A transfer for security or an assignment or discharge of a security interest.

(j) A transfer of real property or other ownership interests among members of an affiliated group. As used in this subsection, "affiliated group" means 1 or more corporations connected by stock ownership to a common parent corporation. Upon request by the state tax commission, a corporation shall furnish proof within 45 days that a transfer meets the requirements of this subdivision. A corporation that fails to comply with a request by the state tax commission under this subdivision is subject to a fine of \$200.00.

(k) Normal public trading of shares of stock or other ownership interests that, over any period of time, cumulatively represent more than 50% of the total ownership interest in a corporation or other legal entity and are traded in multiple transactions involving unrelated individuals, institutions, or other legal entities.

(l) A transfer of real property or other ownership interests among corporations, partnerships, limited liability companies, limited liability partnerships, or other legal entities if the entities involved are commonly controlled. Upon request by the state tax commission, a corporation, partnership, limited liability company, limited liability partnership, or other legal entity shall furnish proof within 45 days that a transfer meets the requirements of this subdivision. A corporation, partnership, limited liability company, limited liability partnership, or other legal entity that fails to comply with a request by the state tax commission under this subdivision is subject to a fine of \$200.00.

(2) The governing body of the city or township may authorize, by adoption of an ordinance or resolution, alternative starting dates in March when the board of review shall initially meet, which alternative starting dates shall be the Tuesday or Wednesday following the second Monday of March.

(3) The first meeting of the board of review shall start not earlier than 9 a.m. and not later than 3 p.m. and last for not less than 6 hours. The board of review shall also meet for not less than 6 hours during the remainder of that week. Persons or their agents who have appeared to file a protest before the board of review at a scheduled meeting or at a scheduled appointment shall be afforded an opportunity to be heard by the board of review. (4) A board of review shall meet a total of at least 12 hours during the week beginning the second Monday in March to hear protests. At the request of a person whose property is assessed on the assessment roll or of his or her agent, and if sufficient cause is shown, the board of review shall correct the assessed value or tentative taxable value of the property in a manner that will make the valuation of the property relatively just and proper under this act. A nonresident taxpayer may file his or her appearance, protest, and papers in support of the protest by letter, and his or her personal appearance is not required. An objection to a change in assessed value or tentative taxable value or to the addition of property to the tax roll shall be promptly heard and determined. Each person who makes a request, protest, or application to the board of review for the correction of the assessed value or tentative taxable value of the person's property shall be notified in writing, not later than the first Monday in June, of the board of review's action on the request, protest, or application, of the state equalized valuation or tentative taxable value of the property, and of information regarding the right of further appeal to the tax tribunal. Information regarding the right of further appeal to the tax tribunal shall include, but is not limited to, a statement of the right to appeal to the tax tribunal, the address of the tax tribunal, and the final date for filing an appeal with the tax tribunal.

(5) After the board of review completes the review of the assessment roll, a majority of the board of review shall indorse the roll and sign a statement to the effect that the roll is the assessment roll for the year in which it has been prepared and approved by the board of review.

(6) The completed assessment roll shall be delivered by the appropriate assessing officer to the county equalization director not later than the tenth day after the adjournment of the board of review, or the Wednesday following the first Monday in April, whichever date occurs first.

(7) The governing body of the township or city may authorize, by adoption of an ordinance or resolution, a resident taxpayer to file his or her protest before the board of review by letter without a personal appearance by the taxpayer or his or her agent. If that ordinance or resolution is adopted, the township or city shall include a statement notifying taxpayers of this option in each assessment notice under section 24c and on each notice or publication of the meeting of the board of review.

In the absence of the supervisor, the board shall appoint 1 of its members to serve as secretary. The state tax commission may prescribe the form of the record whenever deemed necessary.

History: 1893, Act 206, Eff. June 12, 1893;—CL 1897, 3856;—CL 1915, 4027;—CL 1929, 3421;—CL 1948, 211.33;—Am. 1964,

EQUALIZATION BY COUNTIES.

211.34 Determination of county equalized value; conducting business at public meeting; notice of meeting; advising local taxing units of increased equalized value; reduction of maximum authorized millage rate; examination of assessment rolls to ascertain equal and uniform assessment of real and personal property; equalization procedure; establishment of department to survey assessments and assist board of commissioners; appeal to state tax tribunal; authority of agent to file and sign petition for appeal.

Sec. 34. (1) The county board of commissioners in each county shall meet in April each year to determine county equalized value which equalization shall be completed and submitted along with the tabular statement required by section 5 of Act No. 44 of the Public Acts of 1911, being section 209.5 of the Michigan Compiled Laws, to the state tax commission before the first Monday in May. The business which the board may perform shall be conducted at a public meeting of the board held in compliance with the open meetings act, Act No. 267 of the Public Acts of 1976, as amended, being sections 15.261 to 15.275 of the Michigan Compiled Laws. Public notice of the time, date, and place of the meeting shall be given in the manner required by Act No. 267 of the Public Acts of 1976, as amended. Each year the county board of commissioners shall advise the local taxing units when the state tax commission increases the equalized value of the county as established by the board of county commissioners and each taxing unit other than a city, township, school district, intermediate school district, or community college district, shall immediately reduce its maximum authorized millage rate, as determined after any reduction caused by section 34d, so that subsequent to the increase ordered by the state tax commission pursuant to Act No. 44 of the Public Acts of 1911, as amended, being sections 209.1 to 209.8 of the Michigan Compiled Laws, total property taxes levied for that unit shall not exceed that which would have been levied for that unit at its maximum authorized millage rate, as determined after any reduction caused by section 34d, if there had not been an increase in valuation by the state. If its state equalized valuation exceeds its assessed valuation by 5.0% or more in 1982 or by any amount in 1983 or any year thereafter, a city or township shall reduce its maximum authorized millage rate, as determined after any reduction caused by section 34d, so that total property taxes levied for that unit do not exceed that which would have been levied based on its assessed valuation.

(2) The county board of commissioners shall examine the assessment rolls of the townships or cities and ascertain whether the real and personal property in the respective townships or cities has been equally and uniformly assessed at true cash value. If, on the examination, the county board of commissioners considers the assessments to be relatively unequal, it shall equalize the assessments by adding to or deducting from the valuation of the taxable property in a township or city an amount which in the judgment of the county board of commissioners will produce a sum which represents the true cash value of that property, and the amount added to or deducted from the valuations in a township or city shall be entered upon the records. The county board of commissioners and the state tax commission shall equalize real and personal property separately by adding to or deducting from the valuation of taxable real property, and by adding to or deducting from the valuation of taxable personal property in a township, city, or county, an amount which will produce a sum which represents the proportion of true cash value established by the legislature. Beginning December 31, 1980, the county board of commissioners and the state tax commission shall equalize separately the following classes of real property by adding to or deducting from the valuation of agricultural, developmental, residential, commercial, industrial, and timber cutover taxable real property, and by adding to or deducting from the valuation of taxable personal property in a township, city, or county, an amount as will produce a sum which represents the proportion of true cash value established by the legislature. The tax roll and the tax statement shall clearly set forth the latest state equalized valuation for each item or property which shall be determined by using a separate factor for personal property and a separate factor for real property as equalized. Beginning December 31, 1980, the tax roll and the tax statement shall clearly set forth the latest state equalized valuation for each item or property which shall be determined by using a separate factor for personal property and a separate factor for each classification for real property as equalized. Factors used in determining the state equalized valuation for real and personal property on the tax roll shall be rounded up to not less than 4 decimal places. Equalized values for both real and personal property shall be equalized uniformly at the same proportion of true cash value in the county. The county board of commissioners shall also cause to be entered upon its records the aggregate valuation of the taxable real and personal property of each township or city in its county as determined by the county board. The county board of commissioners shall also make alterations in the description of any land on the rolls as is necessary to render the descriptions

conformable to the requirements of this act. After the rolls are equalized, each shall be certified to by the chairperson and the clerk of the board and be delivered to the supervisor of the proper township or city, who shall file and keep the roll in his or her office.

(3) The county board of commissioners of a county shall establish and maintain a department to survey assessments and assist the board of commissioners in the matter of equalization of assessments, and may employ in that department technical and clerical personnel which in its judgment are considered necessary. The personnel of the department shall be under the direct supervision and control of a director of the tax or equalization department who may designate an employee of the department as his or her deputy. The director of the county tax or equalization department shall be appointed by the county board of commissioners. The county board of commissioners, through the department, may furnish assistance to local assessing officers in the performance of duties imposed upon those officers by this act, including the development and maintenance of accurate property descriptions, the discovery, listing, and valuation of properties for tax purposes, and the development and use of uniform valuation standards and techniques for the assessment of property.

(4) The supervisor of a township or, with the approval of the governing body, the certified assessor of a township or city, or the intermediate district board of education, or the board of education of an incorporated city or village aggrieved by the action of the county board of commissioners, in equalizing the valuations of the townships or cities of the county, may appeal from the determination to the state tax tribunal in the manner provided by law. An appeal from the determination by the county board of commissioners shall be filed with the clerk of the tribunal by a written or printed petition which shall set forth in detail the reasons for taking the appeal. The petition shall be signed and sworn to by the supervisor, the certified assessor, or a majority of the members of the board of education taking the appeal, shall show that a certain township, city, or school district has been discriminated against in the equalization, and shall pray that the state tax tribunal proceed at its earliest convenience to review the action from which the appeal is taken. The state tax tribunal shall, upon hearing, determine if in its judgment there is a showing that the equalization complained of is unfair, unjust, inequitable, or discriminatory. The state tax tribunal shall have the same authority to consider and pass upon the action and determination of the county board of commissioners in equalizing valuations as it has to consider complaints relative to the assessment and taxation of property. The state tax tribunal may order the county board of commissioners to reconvene and to cause the assessment rolls of the county to be brought before it, may summon the commissioners of the county to give evidence in relation to the equalization, and may take further action and may make further investigation in the premises as it considers necessary. The state tax tribunal shall fix a valuation on all property of the county. If the state tax tribunal decides that the determination and equalization made by the county board of commissioners is correct, further action shall not be taken. If the state tax tribunal, after the hearing, decides that the valuations of the county were improperly equalized, it shall proceed to make deductions from, or additions to, the valuations of the respective townships, cities, or school districts as may be considered proper, and in so doing the tribunal shall have the same powers as the county board of commissioners had in the first instance. The deductions or additions shall decrease or increase the state equalized valuation of the local unit affected but shall not increase or decrease the total state equalized valuation of the county in the case of an appeal under this section to the state tax tribunal. If the tax tribunal finds that the valuations of a class of property in a county were improperly equalized by that county and determines that the total value of that class of property in the county may not be at the level required by law, prior to entry of a final order, the tax tribunal shall forward its findings and determination to the state tax commission. Within 90 days after receiving the findings and determination of the tax tribunal, the state tax commission shall determine whether the state equalized valuation of that class of property in the county was set at the level prescribed by law or should be revised to provide uniformity among the counties and shall enter an order consistent with the state tax commission's findings. The tax tribunal shall enter a final order based upon the revised state equalized valuation, if any, which is adopted by the state tax commission. The state tax tribunal immediately after completing its revision of the equalization of the valuation of the several assessment districts shall report its action to the county board of commissioners and board of education if the board has instituted the appeal by filing its report with the clerk of the county board of commissioners. The action of the state tax tribunal in the premises shall constitute the equalization of the county for the tax year.

(5) For purposes of appeals pursuant to subsection (4) in 1981 only, an agent of a supervisor, including an assessor, shall be considered to have the authority to file and sign a petition for an appeal, and any otherwise timely submitted petition in 1981 by an agent of a supervisor shall be reviewed by the tribunal as if submitted by the supervisor.

211.34a Tabular statement of tentative equalization ratios and estimated multipliers; preparation; publication; copies, notices; effect on equalization procedures; appeal.

Sec. 34a. (1) The equalization director of each county shall prepare a tabular statement each year, by the several cities and townships of the county, showing the tentative recommended equalization ratios and estimated multipliers necessary to compute individual state equalized valuation of real property and of personal property. The county shall publish the tabulation in a newspaper of general circulation within the county on or before the third Monday in February each year and furnish a copy to each assessor and to each of the boards of review in the county and to the state tax commission. All notices of meetings of the boards of review shall give the tentative ratios and estimated multipliers pertaining to their jurisdiction. The tentative recommended equalization ratios and multiplying figures shall not prejudice the equalization procedures of the county board of commissioners or the state tax commission.

(2) If the final equalization multiplier for only the 1986 tax year exceeds the tentative multiplier used in preparing the assessment notice and as a result of action of the state board of equalization or county board of commissioners a taxpayer's assessment as equalized is in excess of 50% of true cash value, that person may appeal directly to the tax tribunal. The appeal shall be filed under this subsection during 1986 on or before the third Monday in August and shall be heard in the same manner as other appeals of the tribunal. An appeal pursuant to this subsection shall not result in an equalized value less than the assessed value multiplied by the tentative equalization multiplier used in preparing the assessment notice.

Sec. 34d. (1) As used in this section or section 27a, or section 3 or 31 of article IX of the state constitution of 1963:

(a) For taxes levied before 1995, "additions" means all increases in value caused by new construction or a physical addition of equipment or furnishings, and the value of property that was exempt from taxes or not

included on the assessment unit's immediately preceding year's assessment roll.

(b) For taxes levied after 1994, "additions" means, except as provided in subdivision (c), all of the following:

(i) Omitted real property. As used in this subparagraph, "omitted real property" means previously existing tangible real property not included in the assessment. Omitted real property shall not increase taxable value as an addition unless the assessing jurisdiction has a property record card or other documentation showing that the omitted real property was not previously included in the assessment. The assessing jurisdiction has the burden of proof in establishing whether the omitted real property is included in the assessment. Omitted real property for the current and the 2 immediately preceding years, discovered after the assessment roll has been completed, shall be added to the tax roll pursuant to the procedures established in section 154. For purposes of determining the taxable value of real property under section 27a, the value of omitted real property is based on the value and the ratio of taxable value to true cash value the omitted real property would have had if the property had not been omitted.

(ii) Omitted personal property. As used in this subparagraph, "omitted personal property" means previously existing tangible personal property not included in the assessment. Omitted personal property shall be added to the tax roll pursuant to section 154.

(iii) New construction. As used in this subparagraph, "new construction" means property not in existence on the immediately preceding tax day and not replacement construction. New construction includes the physical addition of equipment or furnishings, subject to the provisions set forth in section 27(2)(a) to (o). For purposes of determining the taxable value of property under section 27a, the value of new construction is the true cash value of the new construction multiplied by 0.50.

(iv) Previously exempt property. As used in this subparagraph, "previously exempt property" means property that was exempt from ad valorem taxation under this act on the immediately preceding tax day but is subject to ad valorem taxation on the current tax day under this act. For purposes of determining the taxable value of real property under section 27a:

(A) The value of property previously exempt under section 7u is the taxable value the entire parcel of property would have had if that property had not been exempt, minus the product of the entire parcel's taxable value in the immediately preceding year and the lesser of 1.05 or the inflation rate.

(B) The taxable value of property that is a facility as that term is defined in section 2 of 1974 PA 198, MCL 207.552, that was previously exempt under section 7k is the taxable value that property would have had under this act if it had not been exempt.

(C) The value of property previously exempt under any other section of law is the true cash value of the previously exempt property multiplied by 0.50.

(v) Replacement construction. As used in this subparagraph, "replacement construction" means construction that replaced property damaged or destroyed by accident or act of God and that occurred after the immediately preceding tax day to the extent the construction's true cash value does not exceed the true cash value of property that was damaged or destroyed by accident or act of God in the immediately preceding 3 years. For purposes of determining the taxable value of property under section 27a, the value of the replacement construction is the true cash value of the replacement construction multiplied by a fraction the numerator of which is the taxable value of the property to which the construction was added in the immediately preceding year and the denominator of which is the true cash value of the property to which the construction was added in the immediately preceding year, and then multiplied by the lesser of 1.05 or the inflation rate.

(vi) An increase in taxable value attributable to the complete or partial remediation of environmental contamination existing on the immediately preceding tax day. The department of environmental quality shall determine the degree of remediation based on information available in existing department of environmental quality records or information made available to the department of environmental quality if the appropriate assessing officer for a local tax collecting unit requests that determination. The increase in taxable value attributable to the remediation is the increase in true cash value attributable to the remediation multiplied by a fraction the numerator of which is the taxable value of the property had it not been contaminated and the denominator of which is the true cash value of the property had it not been contaminated.

(vii) An increase in the value attributable to the property's occupancy rate if either a loss, as that term is defined in this section, had been previously allowed because of a decrease in the property's occupancy rate or if the value of new construction was reduced because of a below-market occupancy rate. For purposes of determining the taxable value of property under section 27a, the value of an addition for the increased occupancy rate is the product of the increase in the true cash value of the property attributable to the increased occupancy rate multiplied by a fraction the numerator of which is the taxable value of the property in the immediately preceding year and the denominator of which is the true cash value of the property in the

immediately preceding year, and then multiplied by the lesser of 1.05 or the inflation rate.

(viii) Public services. As used in this subparagraph, "public services" means water service, sewer service, a primary access road, natural gas service, electrical service, telephone service, sidewalks, or street lighting. For purposes of determining the taxable value of real property under section 27a, the value of public services is the amount of increase in true cash value of the property attributable to the available public services multiplied by 0.50 and shall be added in the calendar year following the calendar year when those public services are initially available.

(c) For taxes levied after 1994, additions do not include increased value attributable to any of the following:

(i) Platting, splits, or combinations of property.

(ii) A change in the zoning of property.

(iii) For the purposes of the calculation of the millage reduction fraction under subsection (7) only, increased taxable value under section 27a(3) after a transfer of ownership of property.

(d) "Assessed valuation of property as finally equalized" means taxable value under section 27a.

(e) "Financial officer" means the officer responsible for preparing the budget of a unit of local government.

(f) "General price level" means the annual average of the 12 monthly values for the United States consumer price index for all urban consumers as defined and officially reported by the United States department of labor, bureau of labor statistics.

(g) For taxes levied before 1995, "losses" means a decrease in value caused by the removal or destruction of real or personal property and the value of property taxed in the immediately preceding year that has been exempted or removed from the assessment unit's assessment roll.

(h) For taxes levied after 1994, "losses" means, except as provided in subdivision (i), all of the following:

(i) Property that has been destroyed or removed. For purposes of determining the taxable value of property under section 27a, the value of property destroyed or removed is the product of the true cash value of that property multiplied by a fraction the numerator of which is the taxable value of that property in the immediately preceding year and the denominator of which is the true cash value of that property in the immediately preceding year.

(ii) Property that was subject to ad valorem taxation under this act in the immediately preceding year that is now exempt from ad valorem taxation under this act. For purposes of determining the taxable value of property under section 27a, the value of property exempted from ad valorem taxation under this act is the amount exempted.

(iii) An adjustment in value, if any, because of a decrease in the property's occupancy rate, to the extent provided by law. For purposes of determining the taxable value of real property under section 27a, the value of a loss for a decrease in the property's occupancy rate is the product of the decrease in the true cash value of the property attributable to the decreased occupancy rate multiplied by a fraction the numerator of which is the taxable value of the property in the immediately preceding year and the denominator of which is the true cash value of the property in the immediately preceding year.

(iv) A decrease in taxable value attributable to environmental contamination existing on the immediately preceding tax day. The department of environmental quality shall determine the degree to which environmental contamination limits the use of property based on information available in existing department of environmental quality records or information made available to the department of environmental quality if the appropriate assessing officer for a local tax collecting unit requests that determination. The department of environmental quality's determination of the degree to which environmental contamination limits the use of property shall be based on the criteria established for the categories set forth in section 20120a(1) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20120a. The decrease in taxable value attributable to the contamination is the decrease in true cash value attributable to the contamination multiplied by a fraction the numerator of which is the taxable value of the property had it not been contaminated and the denominator of which is the true cash value of the property had it not been contaminated.

(i) For taxes levied after 1994, losses do not include decreased value attributable to either of the following:

(i) Platting, splits, or combinations of property.

(ii) A change in the zoning of property.

(j) "New construction and improvements" means additions less losses.

(k) "Current year" means the year for which the millage limitation is being calculated.

(l) "Inflation rate" means the ratio of the general price level for the state fiscal year ending in the calendar year immediately preceding the current year divided by the general price level for the state fiscal year ending in the calendar year before the year immediately preceding the current year.

(2) On or before the first Monday in May of each year, the assessing officer of each township or city shall

tabulate the tentative taxable value as approved by the local board of review and as modified by county equalization for each classification of property that is separately equalized for each unit of local government and provide the tabulated tentative taxable values to the county equalization director. The tabulation by the assessing officer shall contain additions and losses for each classification of property that is separately equalized for each unit of local government or part of a unit of local government in the township or city. If as a result of state equalization the taxable value of property changes, the assessing officer of each township or city shall revise the calculations required by this subsection on or before the Friday following the fourth Monday in May. The county equalization director shall compute these amounts and the current and immediately preceding year's taxable values for each classification of property that is separately equalized for each unit of local government that levies taxes under this act within the boundary of the county. The county equalization director shall cooperate with equalization directors of neighboring counties, as necessary, to make the computation for units of local government located in more than 1 county. The county equalization director shall calculate the millage reduction fraction for each unit of local government in the county for the current year. The financial officer for each taxing jurisdiction shall calculate the compounded millage reduction fractions beginning in 1980 resulting from the multiplication of successive millage reduction fractions and shall recognize a local voter action to increase the compounded millage reduction fraction to a maximum of 1 as a new beginning fraction. Upon request of the superintendent of the intermediate school district, the county equalization director shall transmit the complete computations of the taxable values to the superintendent of the intermediate school district within that county. At the request of the presidents of community colleges, the county equalization director shall transmit the complete computations of the taxable values to the presidents of community colleges within the county.

(3) On or before the first Monday in June of each year, the county equalization director shall deliver the statement of the computations signed by the county equalization director to the county treasurer.

(4) On or before the second Monday in June of each year, the treasurer of each county shall certify the immediately preceding year's taxable values, the current year's taxable values, the amount of additions and losses for the current year, and the current year's millage reduction fraction for each unit of local government that levies a property tax in the county.

(5) The financial officer of each unit of local government shall make the computation of the tax rate using the data certified by the county treasurer and the state tax commission. At the annual session in October, the county board of commissioners shall not authorize the levy of a tax unless the governing body of the taxing jurisdiction has certified that the requested millage has been reduced, if necessary, in compliance with section 31 of article IX of the state constitution of 1963.

(6) The number of mills permitted to be levied in a tax year is limited as provided in this section pursuant to section 31 of article IX of the state constitution of 1963. A unit of local government shall not levy a tax rate greater than the rate determined by reducing its maximum rate or rates authorized by law or charter by a millage reduction fraction as provided in this section without voter approval.

(7) A millage reduction fraction shall be determined for each year for each local unit of government. For ad valorem property taxes that became a lien before January 1, 1983, the numerator of the fraction shall be the total state equalized valuation for the immediately preceding year multiplied by the inflation rate and the denominator of the fraction shall be the total state equalized valuation for the current year minus new construction and improvements. For ad valorem property taxes that become a lien after December 31, 1982 and through December 31, 1994, the numerator of the fraction shall be the product of the difference between the total state equalized valuation for the immediately preceding year minus losses multiplied by the inflation rate and the denominator of the fraction shall be the total state equalized valuation for the current year minus additions. For ad valorem property taxes that are levied after December 31, 1994, the numerator of the fraction shall be the product of the difference between the total taxable value for the immediately preceding year minus losses multiplied by the inflation rate and the denominator of the fraction shall be the total taxable value for the current year minus additions. For each year after 1993, a millage reduction fraction shall not exceed 1.

(8) The compounded millage reduction fraction shall be calculated by multiplying the local unit's previous year's compounded millage reduction fraction by the current year's millage reduction fraction. The compounded millage reduction fraction for the year shall be multiplied by the maximum millage rate authorized by law or charter for the unit of local government for the year, except as provided by subsection (9). A compounded millage reduction fraction shall not exceed 1.

(9) The millage reduction shall be determined separately for authorized millage approved by the voters. The limitation on millage authorized by the voters on or before April 30 of a year shall be calculated beginning with the millage reduction fraction for that year. Millage authorized by the voters after April 30 shall not be subject to a millage reduction until the year following the voter authorization which shall be

calculated beginning with the millage reduction fraction for the year following the authorization. The first millage reduction fraction used in calculating the limitation on millage approved by the voters after January 1, 1979 shall not exceed 1.

(10) A millage reduction fraction shall be applied separately to the aggregate maximum millage rate authorized by a charter and to each maximum millage rate authorized by state law for a specific purpose.

(11) A unit of local government may submit to the voters for their approval the levy in that year of a tax rate in excess of the limit set by this section. The ballot question shall ask the voters to approve the levy of a specific number of mills in excess of the limit. The provisions of this section do not allow the levy of a millage rate in excess of the maximum rate authorized by law or charter. If the authorization to levy millage expires after 1993 and a local governmental unit is asking voters to renew the authorization to levy the millage, the ballot question shall ask for renewed authorization for the number of expiring mills as reduced by the millage reduction required by this section. If the election occurs before June 1 of a year, the millage reduction is based on the immediately preceding year's millage reduction applicable to that millage. If the election occurs after May 31 of a year, the millage reduction shall be based on that year's millage reduction applicable to that millage had it not expired.

(12) A reduction or limitation under this section shall not be applied to taxes imposed for the payment of principal and interest on bonds or other evidence of indebtedness or for the payment of assessments or contract obligations in anticipation of which bonds are issued that were authorized before December 23, 1978, as provided by section 4 of chapter I of former 1943 PA 202, or to taxes imposed for the payment of principal and interest on bonds or other evidence of indebtedness or for the payment of assessments or contract obligations in anticipation of which bonds are issued that are approved by the voters after December 22, 1978.

(13) If it is determined subsequent to the levy of a tax that an incorrect millage reduction fraction has been applied, the amount of additional tax revenue or the shortage of tax revenue shall be deducted from or added to the next regular tax levy for that unit of local government after the determination of the authorized rate pursuant to this section.

(14) If as a result of an appeal of county equalization or state equalization the taxable value of a unit of local government changes, the millage reduction fraction for the year shall be recalculated. The financial officer shall effectuate an addition or reduction of tax revenue in the same manner as prescribed in subsection (13).

(15) The fractions calculated pursuant to this section shall be rounded to 4 decimal places, except that the inflation rate shall be computed by the state tax commission and shall be rounded to 3 decimal places. The state tax commission shall publish the inflation rate before March 1 of each year.

(16) Beginning with taxes levied in 1994, the millage reduction required by section 31 of article IX of the state constitution of 1963 shall permanently reduce the maximum rate or rates authorized by law or charter. The reduced maximum authorized rate or rates for 1994 shall equal the product of the maximum rate or rates authorized by law or charter before application of this section multiplied by the compounded millage reduction applicable to that millage in 1994 pursuant to subsections (8) to (12). The reduced maximum authorized rate or rates for 1995 and each year after 1995 shall equal the product of the immediately preceding year's reduced maximum authorized rate or rates multiplied by the current year's millage reduction fraction and shall be adjusted for millage for which authorization has expired and new authorized millage approved by the voters pursuant to subsections (8) to (12).

Compiler's note: Sec. 34d, as amended by Act 6 of 1981, was amended by Act 41 of 1981 to read as follows:

“Sec. 34d. (1) As used in this section or section 31 of article 9 of the state constitution of 1963, or both:

“(a) “Additions” means all increases in value caused by new construction in the classification, a physical addition of equipment or furnishings in the classification, and the value of property which was exempt from taxes or not included on the assessment unit's previous year's assessment roll for the classification, and, for property in a classification which was classified as part of a different class in the previous year, the value assigned to that property in the previous year.

“(b) “Financial officer” means the officer responsible for preparing the budget of a unit of local government.

“(c) “Losses” means a decrease in value caused by the removal or destruction of property in the classification, and the value of property taxed in the prior year which has been exempted or removed from the assessment unit's assessment roll for the classification, and the value of property which has been reclassified out of the class of property.

“(d) “New construction and improvements” means additions less losses.

“(e) “Current year” means the year for which the tax limitation is being calculated.

“(2) On or before the first Monday in May of each year the assessing officer of each township or city shall tabulate the assessed valuation as approved by the local board of review for each classification of property which is separately equalized for each unit of local government and provide the tabulated assessed valuations to the county equalization director. The tabulation by the assessing officer shall contain additions and losses for each classification of property which is separately equalized for each unit of local government or part of a unit of local government in the township or city. The county equalization director shall compute these amounts and the current and prior year's state equalized valuation for each classification of property which is separately equalized for each unit of local government that levies taxes under this act within the boundary of the county and shall cooperate with equalization directors of neighboring counties, as necessary, to make the computation for units of local government located in more than 1 county. The county equalization director shall calculate the tax reduction fractions for each unit of local government in the county for the current year. The financial officer for each taxing jurisdiction shall calculate the compounded tax reduction fractions beginning in 1982 resulting from the multiplication of successive tax reduction fractions and shall recognize a local voter action which may increase the compounded tax reduction fractions to a maximum of 1 as the new beginning fractions. Upon request of the superintendent of the intermediate school district, the county equalization director shall transmit the complete computations of the assessed valuations to the superintendent of the intermediate school district within that county. At the request of the presidents of community colleges, the county equalization director shall transmit the complete computations of the assessed valuation to the presidents of community colleges within the county.

“(3) On or before the fourth Tuesday in May of each year the county equalization director shall deliver the statement of the computations signed by the county equalization director to the county treasurer.

“(4) On or before June 1 of each year the treasurer of each county shall certify the prior year's state equalized valuation of property, the current year's state equalized valuation of property, the amount of additions and losses for the current year, and the current year's tax reduction fractions for each classification of property which is separately equalized for each unit of local government which levies a property tax in the county.

“(5) The financial officer of each unit of local government shall make the computation of the tax collection using the data certified by the county treasurer and the state tax commission. At the annual session in October, the county board of commissioners shall not authorize the levy of a tax unless the governing body of the taxing jurisdiction has certified that the requested levy's collection has been reduced, if necessary, in compliance with section 31 of article 9 of the state constitution of 1963 and has attached a completed tax reduction calculation form prescribed by the state tax commission.

“(6) The amount of taxes permitted to be collected from tax levies after December 31, 1980, is limited as provided in this section pursuant to section 31 of article 9 of the state constitution of 1963. Without voter approval, a unit of local government shall not collect an amount of taxes on each property classification which is separately equalized greater than the amount determined by multiplying the tax levy on each class by a tax reduction fraction for that classification of property as provided in this section.

“(7) Beginning in 1981, a tax reduction fraction shall be determined for each year for each classification of property which is separately equalized for each local unit of government. For ad valorem property taxes levied after December 31, 1980, the numerator of the fractions shall be the product of the difference of total state equalized valuation of the class of property for the preceding year less losses, multiplied by 1.06 and the denominator of the fraction shall be the total state equalized valuation of the class of property for the current year minus additions. The annual tax reduction fractions for ad valorem property tax levies shall not exceed 1. For 1981 ad valorem property tax levies, the 1981 annual tax reduction fractions shall be multiplied by the ad valorem property tax levy for operating purposes from the respective property classification by the unit of local government for 1981, except as provided by subsection (9).

“(8) The tax reduction fractions for the 1981 tax year shall be the first fractions in the series of annual reduction fractions which shall be multiplied together to produce the compounded tax reduction fractions for the year. The compounded tax reduction fractions for 1982 shall be calculated by multiplying the 1981 tax reduction fractions for a class by the 1982 tax reduction fraction for the class. The compounded tax reduction fraction for 1983 and each year thereafter for a class shall be calculated by multiplying the local unit's previous year's compounded tax reduction fraction for the class by the current year's tax reduction fraction for the class. Beginning with 1982 ad valorem property tax levies, the compounded tax reduction fractions for the year shall be multiplied by the ad valorem property tax levy for operating purposes from the respective property classification by the unit of local government for the year, except as provided by subsection (9). A compounded tax reduction fraction shall not exceed 1.

“(9) After January 1, 1981 and upon voter approval of the increased number of mills as required by subsection (11), the tax reduction shall be determined separately for taxes levied from a number of mills in excess of the number of mills levied in 1980. An increase in the number of mills over the number of mills levied in the previous year that is approved by the voters after January 1, 1981 shall not be subject to a tax reduction until the year following the first levy of these mills which shall be calculated beginning with the tax reduction fractions for the year following the first levy of these mills. The annual tax reduction fractions used in calculating the limitation on taxes from these increased number of mills approved by the voters after January 1, 1981 shall not exceed 1.

“(10) A unit of local government may submit to the voters for their approval a ballot question to allow the collection of taxes in excess of the limit set by this section or to reimpose the limit set by this section that had previously been increased or waived. The ballot question to allow the collection of taxes in excess of the limit set by this section may ask the voters to increase the 6% limit on increased tax collections in each class to a higher specified percentage in 1 or more specified years, to waive the application of the annual tax reduction fractions in that year by utilizing annual tax reduction fractions of 1 in determining the compound tax reduction fractions for the year, or to approve the collection in 1 or more specified years of its tax levy without regard to the tax reduction required by section 31 of article 9 of the state constitution of 1963 by approving an increase in that year's compounded tax reduction fractions to 1. If a collection of a tax levy with a limitation of over 6% or without regard to the tax reduction required by subsection (6) and section 31 of article 9 of the state constitution of 1963 is approved for more than 1 year, the voters in the unit of local government may require not more than 1 time in each 12-month period, upon filing a petition signed by not less than 10% of the qualified electors in the unit of local government which signatures have been collected within not more than 90 days after the petition was first circulated, that the question of reinstitution of the 6% limit be submitted to the electors of the unit of local government at either the next regularly scheduled election of the unit of local government or a special election called by the governing board of the unit of local government if the next regularly scheduled election is more than 180 days after the date the petitions are submitted. If, at an election held before the date certification is required of the unit of local government under section 36, the electors approve a question submitted pursuant to this subsection either by the unit of local government or by referendum, the approval shall be effective with ad valorem property tax levies for the year the question was approved. If necessary, any consequential adjustment required of the annual and compound tax reduction fractions and of the summer or winter tax levies of any unit of local government in the year the election is held shall be made by adding or deducting the appropriate amounts to or from the next ad valorem property tax levy of the unit of local government. If the question submitted pursuant to this subsection either by the unit of local government or by referendum is approved by the electors at an election held after the date certification is required of the unit of local government under section 36, approval shall be effective with ad valorem property tax levies

for the year immediately following the year in which the question was approved. If a limit in excess of 6% is approved before the date certification is required of the unit of local government under section 36, the year's annual tax reduction fractions shall be recalculated for determining the current year's and all following year's compounded tax reduction fractions. Upon reinstitution of the 6% limit after 1 or more years in which taxes were levied without regard to the required reduction, the compound tax reduction fraction calculation shall utilize 1 as the annual tax reduction fraction for each classification of property for each year in which the limitation was not effective. The provisions of this section shall not allow the levy of a millage rate in excess of the maximum rate authorized by law or charter or for the increase or waiver of the 6% limitation for less than all classifications of property. A vote at an election held between January 1, 1981 and July 4, 1981 at which a majority of the qualified electors of a unit of local government voting thereon approved, without approving an increase or establishment of an authorized millage rate, either the levy of a specified number of mills for operating purposes in excess of the limit imposed for 1981 tax levies pursuant to this section as effective January 1, 1981 or the levy of a certain number of mills for operating purposes after application of this section as effective January 1, 1981, shall be considered sufficient to increase the 6% limitation in 1981 to a percentage which would allow the unit of local government to collect full revenues from the levy of these mills in 1981. A vote at an election held between January 1, 1981 and July 4, 1981 at which a majority of the qualified electors of a unit of local government voting thereon approved, pursuant to this section as effective January 1, 1981, either a compound millage reduction fraction of 1 for 1981 tax levies or the levy of its authorized millage without regard to this section as then effective, shall be considered sufficient to waive the 6% limitation in 1981 for ad valorem property tax levies for that unit of local government.

“(11) A millage rate shall not be levied in excess of the rate levied in the previous year without approval of a majority of the qualified electors of the unit of local government voting thereon. A unit of local government, which submits a question seeking the approval of a majority of the qualified electors voting thereon for increasing or establishing an authorized millage rate for operating purposes, shall identify in the question the number of mills for operating purposes that the local unit could levy upon approval of the question in excess of the number of mills levied for operating purposes by the local unit in the previous year. If none of the mills authorized to be levied for operating purposes in 1980 have expired, a vote at an election held between January 1, 1981 and July 4, 1981 at which a majority of the qualified electors of a unit of local government voting thereon approved an increase in the maximum authorized millage rate for operating purposes effective in 1980, shall be considered to increase the number of mills which may be levied for operating purposes by the unit of local government over the millage rate levied for operating purposes by the unit of local government in 1980 by the number of mills by which the maximum authorized millage rate for operating purposes in 1980 is increased. A vote at an election held between January 1, 1981 and May 19, 1981 at which a majority of the qualified electors of a unit of local government voting thereon approved the establishment of a maximum authorized millage rate for operating purposes after a certain number of mills authorized to be levied for operating purposes in 1980 have expired, shall be considered to increase the number of mills which may be levied for operating purposes by the unit of local government in 1980 by the difference, if any, between the total number of mills this vote would actually allow to be levied for operating purposes under this section as effective January 1, 1981, based on the actual 1980 compounded millage reduction fraction and a 1981 annual millage reduction fraction of 1.0, less the millage rate for operating purposes levied for operating purposes under this section as effective January 1, 1981, based on the actual 1980 compounded millage reduction fraction and 1981 annual millage reduction fraction of 1.0, less the millage rate for operating purposes levied by the unit of local government in 1980. A vote at an election held between May 20, 1981 and July 4, 1981 at which a majority of the qualified electors of a unit of local government voting thereon approved the establishment of a maximum authorized millage rate for operating purposes after a certain number of mills authorized to be levied for operating purposes in 1980 have expired, shall be considered to increase the number of mills which may be levied for operating purposes by the unit of local government in 1980 by the difference, if any, between subdivision (a) less subdivision (b):

“(a) The sum of the difference between the maximum authorized millage rate for operating purposes in 1980 less the number of authorized mills in 1980 for operating purposes which have expired, plus the number of mills for operating purposes voted upon or renewed over the 1981 maximum authorized millage rate for operating purposes before this approval.

“(b) The millage rate for operating purposes levied by the unit of local government in 1980.

“(12) A reduction or limitation under this section shall be applied only to taxes imposed for operating purposes, as defined by section 7a.

“(13) Notwithstanding any charter provision or law to the contrary, a city, village, township, or county that prepares and mails summer tax bills shall delay the preparation and mailing of the 1981 summer tax bills, and a taxing unit shall not levy ad valorem property taxes in 1981, until between July 6, 1981 and a later date determined by the city, village, township, or county that prepares and mails summer tax bills in 1981. In addition, the final date on which the summer taxes are payable without penalty or interest shall be delayed by the same number of days that the mailing of the tax bills is delayed and the date on which a unit of local government must adopt its budget for a local fiscal year commencing in 1981 may be delayed until after May 19, 1981.

“(14) If it is determined subsequent to the levy of a tax that an incorrect tax reduction fraction has been applied, the amount of additional tax revenue or the shortage of tax revenue shall be deducted from or added to the next regular tax levy for that unit of local government after the determination of the reduction of tax collections pursuant to this section.

“(15) If, as a result of an appeal of county equalization or state equalization, the state equalized valuation of a separately equalized class of property of a unit of local government changes, the tax reduction fractions for the year shall be recalculated. The financial officer shall effectuate an addition or reduction of tax revenue in the same manner as prescribed in subsection (14).

“(16) The fractions calculated pursuant to this section shall be rounded to 4 decimal places.

“(17) Beginning in 1981, the determination, tabulation, calculation, and certification of assessed values, state equalized values, additions, and losses required by this section shall be done separately for each class of property which is separately equalized.

“(18) A question authorized to be submitted by subsection (10) shall not be submitted as part of a question seeking to increase or establish a millage rate for the unit of local government, but may be submitted as a separate question on the same ballot.”

Section 2 of Act 41 of 1981 provides: “(1) Except as provided by subsections (2) and (3), this amendatory act shall not take effect unless House Joint Resolution G of the 81st Legislature becomes a part of the constitution as provided in section 1 of article 12 of the state constitution of 1963.

“(2) Section 7a(8), (9), (12), and (14) of this amendatory act shall take immediate effect, but shall expire on the date the state board of canvassers certifies to the secretary of state that Proposal A on the statewide May 19, 1981 special election ballot has been rejected by the voters.

“(3) Sections 7a(11) and 34d(3), (4), (7), (9), (10), (11), (17), and (18) of this amendatory act shall take effect on the date the state board of canvassers certifies to the secretary of state that Proposal A on the statewide May 19, 1981 special election ballot has been approved by the voters.”

Section 3 of Act 41 of 1981 provides: “Section 34d(13) of this amendatory act shall expire on the date the state board of canvassers certifies to the secretary of state that Proposal A on the statewide May 19, 1981 special election ballot has been rejected by the voters.”

Proposal A, referred to in Sections 2 and 3 of Act 41 of 1981, was submitted to and disapproved by the people at the special election held on May 19, 1981. The state board of canvassers, also referred to in Sections 2 and 3, certified to the secretary of state on May 27, 1981, that Proposal A had been rejected by the voters.

211.34e Millage reduction fraction; calculation; application to local school district millage.

Sec. 34e. (1) Notwithstanding section 34d, the limitation under section 34d on millage authorized by voters after March 30, 1994 for local school district operating purposes shall be calculated beginning with the millage reduction fraction for 1995.

(2) In 1994, the millage reduction fraction shall be applied to the local school district's millage authorized by the voters before April 1, 1994. In 1995, the millage reduction fraction shall be applied to the local school district's millage authorized by voters before June 1, 1995. In 1994, the reduction fraction shall be calculated using the local school district's state equalized valuation without regard to the exemption provided under section 1211 of the school code of 1976, Act No. 451 of the Public Acts of 1976, being section 380.1211 of the Michigan Compiled Laws, and the state equalized valuation of property exempt under section 1211 of Act No. 451 of the Public Acts of 1976 is not considered a loss. In 1995, the reduction fraction shall be calculated using the local school district's taxable value without regard to the exemption provided under section 1211 of Act No. 451 of the Public Acts of 1976, and the taxable value of property exempt under section 1211 of Act No. 451 of the Public Acts of 1976 is not considered a loss.

TAXES, HOW AND BY WHOM CERTIFIED.

211.35 State tax statement; duties of state treasurer; apportionment.

Sec. 35. On or before the first day of September in each year, the state treasurer shall make and record in his or her office a statement showing the taxes to be raised for state purposes that year, referring to the law on which each tax is based, and the total amount of the taxes. The clerk shall present the copies to the county board of commissioners at its annual meeting and file the copies in the clerk's office. The county board of commissioners shall not levy in the year voted a tax levy voted on or after September 30. This subsection does not apply if 1 of subsections (2) through

In 1997 only, the amount of taxes that are to be levied for any purpose by a taxing unit that holds an election in any year on or before November 30 and that are approved by the electors of that taxing unit shall be certified for that calendar year.

(5) After a millage is certified pursuant to subsections (2) through (4), the appropriate county board of commissioners shall meet and direct or amend its direction for the spread of millages by local units in the county pursuant to the certification or amended certification. If a millage is certified pursuant to subsection (4) for library purposes, if a taxing unit requests by resolution, the county board of commissioners for the county in which the library is located also may reduce or eliminate the millage previously authorized or dedicated for library purposes to be levied by that taxing unit for that year and direct the reduction or removal of the levy to be spread by the local units in the county.

(6) The reasonable and actual expenses incurred by a township, county, or city in assessing and collecting the school district, intermediate school district, or community or junior college district taxes levied and spread pursuant to an election under subsection (2) or (3) that is held after September 30, to the extent these expenses are in addition to the expense of collection and assessing any other taxes at the same time and exceed the amount of any fees imposed for the collection of these taxes, shall be billed to and paid by the school district, intermediate school district, or community or junior college district.

211.37 County board of commissioners; determination of money for county purposes; apportionment of money, state tax, and indebtedness of county; correction of certificates, statements, papers, records or proceedings; spread of money on assessment rolls; applicability of section.

Sec. 37. The county board of commissioners, at its annual session in October in each year, shall ascertain and determine the amount of money to be raised for county purposes, and shall apportion the amount and also the amount of the state tax and indebtedness of the county to the state among the several townships in the county in proportion to the valuation of the taxable real and personal property as determined by the board, or as determined by the state tax commission upon appeal in the manner provided by law for that year, which determination and apportionment shall be entered at large on county records. The board shall also examine all certificates, statements, papers, and records submitted to it, showing the money to be raised in the several townships for school, highway, drain, township, and other purposes. It shall hear and duly consider all objections made to raising that money by any taxpayer affected. If it appears to the board that any certificate, statement, paper, or record is not properly certified or is in any way defective, or that any proceeding to authorize the raising of the money has not been had or is in any way imperfect, the board shall verify the same, and if the certificate, statement, paper, record, or proceeding can then be corrected, supplied, or had, the board shall authorize and require the defects or omissions of proceedings to be corrected, supplied, or had. The board may refer any or all the certificates, statements, papers, records, and proceedings to the prosecuting attorney, who shall investigate and without delay report in writing his or her opinion to the board. The board shall direct that the money proposed to be raised for township, school, highway, drain, and all other purposes as authorized by law, shall be spread upon the assessment roll of the proper townships, wards, and cities. This action and direction shall be entered in full upon the records of the proceedings of the board, and shall be final as to the levy and assessment of all the taxes, except if there is a change made in the equalization of any county by the state tax commission upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millages to be spread against the taxable values of properties and shall not direct the raising of any specific amount of money. This section does not apply when section 36(2) applies.

Sec. 37a. If upon such appeal to the board of state tax commissioners it is determined by said board that the appeal is groundless and not well founded, then the costs made and incurred by the county in defending the same and in the proceedings thereof, shall be paid by the township whose supervisor made such appeal. If the allegations set forth by the said supervisor making such appeal are determined to be well founded, then the said county shall pay the costs of the said township by it expended in making and prosecuting said appeal, but in no case shall more than 75 dollars costs be taxed by either side. The costs shall be taxed by affidavit before the county clerk in accordance with the rules of practice now governing circuit courts as to taxation of costs. Copies of the said bill of costs shall be served upon the county treasurer by the township and upon the supervisor of the township by the county. If costs shall be taxed in favor of the township, the said county treasurer shall immediately pay over to the treasurer of said township from the general fund of said county, the amount of said taxed costs, and the township treasurer shall deposit the same to the credit of the contingent fund of said township.

211.39a Tentative levy; final levy; additional taxes; credits; technical assistance.

Sec. 39a. (1) If the determination of the county equalized value is delayed as a result of an appeal taken under this act and pending before the tax tribunal, the assessing officer shall levy taxes upon the taxable value of property as determined by the state tax commission sitting as the state board of equalization and apportioned by the county board of commissioners. The payment of taxes levied in this manner, known as the “tentative levy”, does not constitute a final and ultimate discharge of the taxpayer's obligation.

(2) After the final determination of equalized value by the tax tribunal, the assessing officer shall determine the difference in tax, if any, between the tentative levy and a levy made upon the taxable value as finally determined by the tax tribunal known as the “final levy”.

(3) If the final determination shows that additional taxes are due, the county board of commissioners shall spread the additional levy upon the next succeeding annual tax roll and collect them together with the next succeeding annual taxes upon the property.

(4) If the tax liability is decreased as a result of the tax tribunal's final determination of taxable value, the taxes collected under the tentative levy in excess of the tax liability under the final levy shall be credited against the taxes upon the property for the next succeeding year, together with a proportionate share of any collection fee applicable to the difference.

(5) Additional taxes collected or credits against tax liability made under this section shall inure to the benefit or detriment of the taxing units in the respective proportions in which they share the proceeds of the final levy.

(6) The state tax commission shall provide technical assistance as necessary to implement this section.

211.40 Lien for taxes; priority; statement and receipts for taxes to show taxing unit's fiscal year.

Sec. 40. Notwithstanding any provisions in the charter of any city or village to the contrary, all taxes become a debt due to the township, city, village, or county from the owner or person otherwise assessed on the tax day provided for in sections 2 and 13. The amounts assessed for state, county, village, or township taxes on any interest in real property shall become a lien on the real property on December 1, on a day provided for by the charter of a city or village, or on the day provided for in section 40a. The lien for those amounts, and for all interest and charges on those amounts, shall continue until paid. Each tax statement and receipt for taxes on real property sent or given by any county, township, city, or village treasurer shall contain a printed, stamped, or written statement setting forth the date of the commencement and ending of the fiscal year of each taxing unit of government during which general taxes included on the tax statement or receipt will defray the costs of governmental services rendered by that local governmental unit. All personal taxes levied or assessed for state, county, village, or township taxes are also a first lien, prior, superior, and paramount, on all personal property of the persons assessed on December 1, on a day provided for by the charter of a city or village, or on the day provided for in section 40a. The lien for those amounts, and for all interest and charges on those amounts, shall continue until paid. The tax liens take precedence over all other claims, encumbrances, and liens on that personal property, whether created by chattel mortgage, title retaining contract, execution, any final process of a court, attachment, replevin, judgment, or otherwise. A transfer of personal property assessed for taxes does not divest or destroy the lien, except where the personal property is actually sold in the regular course of retail trade. The personal property taxes levied or assessed by any city or village are a first lien, prior, superior, and paramount to any other claims, liens, or encumbrances of any kind upon the personal property assessed as provided in this act, any provisions in the charter of cities or villages to the contrary notwithstanding.

211.42a Use of computerized data base as tax roll; authorization; requirements; certification; computer terminal for public viewing; noncompliance; notice; failure to correct condition of noncompliance; withdrawal of approval; proceedings; rules.

Sec. 42a. (1) Subject to this section, a local tax collecting unit may use a computerized data base system as the tax roll if any of the following apply:

- (a) The local unit obtains written authorization from the state tax commission.
- (b) The treasurer of the county in which the local tax collecting unit is located obtains written authorization from the state tax commission for the use by the county treasurer or local tax collecting units within the county of an approved computerized data base system as the tax roll. This subdivision shall not be construed to prohibit a local tax collecting unit from seeking authorization from the state tax commission to use a computerized data base system developed by the local tax collecting unit.
- (c) The state tax commission fails to authorize or deny within 120 days a written request from a county treasurer or a local tax collecting unit under this subsection to use a computerized data base system as the tax roll.
- (2) The state tax commission shall authorize the use of a computerized data base system as the tax roll if the local tax collecting unit or the county treasurer demonstrates that the proposed system has the capacity to enable a local unit to comply and the local unit complies with all of the following requirements:
- (a) An original precollection tax roll shall be printed from the computerized data base and warranted by the assessor. That printed precollection tax roll shall be maintained by the assessor until the expiration of the redemption period provided in section 78k following the entry of a judgment foreclosing property forfeited for delinquent taxes under section 78g, or the resolution of all pending appeals, whichever is later.
- (b) A separate computer printout of all parcel splits and combinations, including sufficient information to document the accuracy of the splits or combinations, shall be prepared and maintained by the assessor until the expiration of the redemption period provided in section 78k following the entry of a judgment foreclosing property forfeited for delinquent taxes under section 78g, or the resolution of all pending appeals, whichever is later.
- (c) A separate computer printout of all corrections and adjustments to the precollection tax roll authorized by action of the board of review, state tax commission, or tax tribunal, including sufficient information to document the accuracy of all corrections and adjustments, shall be prepared and maintained by the assessor until the expiration of the redemption period provided in section 78k following the entry of a judgment foreclosing property forfeited for delinquent taxes under section 78g, or the resolution of all pending appeals, whichever is later.
- (d) The local tax collecting treasurer and the assessor shall produce a final computer printed settlement tax roll to certify taxes collected to the county treasurer under section 55. The assessor shall certify that taxable values, state equalized valuations, adjusted valuations, and the spread of taxes and adjusted taxes are correctly recorded in the settlement tax roll. The local tax collecting treasurer shall certify delinquent taxes and certify that all tax collections are posted on the settlement tax roll. Those certifications and the settlement tax roll shall be transmitted to the county treasurer. The affidavit attached to the settlement tax roll shall include documentation that authorizes and reports all changes in the precollection tax roll.
- (e) The treasurer of the local tax collecting unit shall prepare and maintain a journal of the collections totaled and reconciled to the amount of actual collections daily.
- (f) A payment of the tax shall be posted to the computerized data base system using a transaction or receipt number with the date of payment. A posting on the computerized data base system is considered the entry of the fact and date of payment in an indelible manner on the tax roll as required by section 46(2).
- (g) The computerized data base system has internal and external security procedures sufficient to assure the integrity of the system.
- (h) The local tax collecting unit is capable of making available a posted computer printed tax roll.
- (i) The computerized data base system is compatible with the system used by the county treasurer for the collection of delinquent taxes.
- (3) Not later than May 1 of the third year following the year in which a local tax collecting unit begins using a computerized data base system as the tax roll after approval under subsection (1) and every 3 years thereafter, the local tax collecting unit shall certify to the state tax commission that the requirements of this section are being met.

(4) A county treasurer or local tax collecting unit that provides a computer terminal for public viewing of the tax roll is considered having the tax roll available for public inspection.

(5) If at any time the state treasurer or the state tax commission believes that a local tax collecting unit is no longer in compliance with subsection (2), the state treasurer or the state tax commission shall provide written notice to that local tax collecting unit. The notice shall specify the reasons that use of the computerized data base system as the original tax roll is no longer in compliance with subsection (2). The local tax collecting unit has not less than 60 days to provide evidence that the local tax collecting unit is in compliance with subsection (2) or that action to correct noncompliance has been implemented. If, after the expiration of 60 days, the state tax commission or the state treasurer believes that the local tax collecting unit is not taking satisfactory steps to correct a condition of noncompliance, the state tax commission upon its own

motion may, and upon the request of the state treasurer shall, withdraw approval of the use of the computerized data base system as the original tax roll. Proceedings of the state tax commission under this subsection shall be in accordance with rules for other proceedings of the commission promulgated under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, and shall not be considered a contested case.

211.43 Notice of taxes apportioned to township; bond; schedule for delivering tax collections; alternative schedule; accounting for and delivering tax collections; resolution; willfully neglecting or refusing to perform duty; penalty; interest earned; alternative agreement; definitions.

Sec. 43. (1) The supervisor of each township, immediately upon authorization to raise money by taxation pursuant to an election held under section 36 or on or before the November 5 in each year, shall notify the township treasurer of the amount of the state, county, school, and public transportation authority taxes as apportioned to his or her township.

(2) The treasurer, immediately upon authorization to raise money by taxation pursuant to an election held under section 36 or on or before the third day immediately preceding the day the taxes to be collected become a lien, shall give to the county treasurer a bond running to the county in the actual amount of state, county, and school taxes, except school taxes collected through a city treasurer, with sufficient sureties to be approved by the supervisor of the township and the county treasurer, conditioned that he or she will pay over to the county treasurer as required by law all state and county taxes, pay over to the respective school treasurers all school taxes that he or she collects during each year of his or her term of office, and duly and faithfully perform all the other duties of the office of treasurer. If a corporate surety bond is provided, the bond shall be approved only by the county treasurer. If the bond is furnished by a surety company authorized to transact business under the laws of this state, it is sufficient that the bond is equal to 40% of the amount of state, county, and school taxes. If the bond is furnished by a surety company, the premium and cost of the bond given to the county shall be paid by the county treasurer from the general fund of the county against which the premium and cost is made a charge. However, the county treasurer having paid the premium may bill each district school board afforded protection by the bond that portion of the premium charge as is allocated to the school taxes and the school district treasurers shall pay that allocated premium charge as determined by the county treasurer for the protection of school taxes from available school district funds. If the county treasurer and township supervisor determine that the bond of the township treasurer recorded with the township clerk and on file with the township supervisor is adequate and sufficient to safeguard the proper accounting of state, county, and school taxes as required by law, the township treasurer shall not be required to file with the county treasurer the bond provided for in this section. The county treasurer shall deliver to the supervisor on or before the day the taxes to be collected become a lien a signed statement of approval of the bond. Upon the receipt of the signed statement and on or before the day the taxes to be collected become a lien, the supervisor shall deliver to the township treasurer the tax roll of this township. The county treasurer shall file and safely keep the bond in his or her office and shall give to the township treasurer a receipt stating that the required bond was received, which receipt the township treasurer shall deliver to the supervisor on or before the day the taxes to be collected become a lien. After the delivery of the receipt and on or before the day the taxes to be collected become a lien, the supervisor shall deliver to the township treasurer the tax roll of the township.

(3) Except as provided in subsections (4) and (5), tax collections shall be delivered pursuant to the following schedule:

(a) Within 10 business days after the first and fifteenth day of each month, the township or city treasurer shall account for and deliver to the county treasurer the total amount of state and county tax collections on hand on the first and fifteenth day of each month; to the school district treasurers the total amount of school tax collections on hand on the first and fifteenth day of each month; and to the public transportation authorities the total amount of public transportation authority tax collections on hand the first and fifteenth day of each month. If the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the township or city treasurer shall also account for and deliver to the intermediate school district and the community college district the total respective amounts of school tax collections on hand the first and fifteenth day of each month. This subdivision shall not apply to the month of March.

(b) Within 10 business days after the last day of February, the township or city treasurer shall account for and deliver to the county treasurer at least 90% of the total amount of state and county tax collections on hand

on the last day of February; to the school district treasurers at least 90% of the total amount of school tax collections on hand on the last day of February; and to the public transportation authorities at least 90% of the total amount of public transportation authority tax collections on hand on the last day of February. If the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the township or city treasurer shall also account for and deliver to the intermediate school district and community college district at least 90% of the total respective amounts of school tax collections on hand on the last day of February.

(c) A final adjustment and delivery of the total amount of tax collections on hand for the county, community college districts, intermediate school districts, school districts, and public transportation authorities shall be made not later than April 1 of each year.

(4) Instead of following the schedule prescribed in subsection (3), the township or city serving as the tax collecting unit and the local governmental unit for which the tax collections are made may enter into an agreement to establish an alternative schedule for delivering tax collections.

(5) A township that has a state equalized valuation of \$15,000,000.00 or less shall account for and deliver to the county treasurer, the school district treasurers, and the public transportation authorities and, if the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the intermediate school district treasurers and community college treasurers the taxes collected up to and including January 10, within 10 business days after January 10. However, a township treasurer subject to this subsection shall at no time have on hand collections of state, county, community college, intermediate school district if applicable pursuant to subsection (9), school district, and public transportation authority taxes in excess of 25% of the amount of the taxes apportioned to the township and, when collections on hand reach this percentage, the township treasurer shall immediately account for and turn over the total amount of state and county tax collections on hand to the county treasurer, the total respective amounts of school tax collections on hand to the respective treasurers, and the total respective amounts of public transportation authority tax collections on hand to the respective public transportation authorities. The township treasurer shall notify the secretary or superintendent of each community college district, intermediate school district, and school district applicable and each of the applicable public transportation authorities of the total amount of taxes paid to the respective treasurer or authority, which notification shall show the different funds for which the taxes were collected.

(6) Except as may be provided under section 1613 of Act No. 451 of the Public Acts of 1976, being section 380.1613 of the Michigan Compiled Laws, when a county treasurer is collecting the school district or intermediate school district levy, the county treasurer shall account for and deliver to the appropriate local governmental unit treasurer the tax collections received by the county treasurer within 10 business days after the county treasurer receives the funds.

(7) The county treasurer shall account for and deposit in the county library fund for the use of the county library board, county tax collections received pursuant to a tax levied under section 1 of Act No. 138 of the Public Acts of 1917, being section 397.301 of the Michigan Compiled Laws, within 10 business days after the county treasurer receives the funds.

(8) The county treasurer shall account for and deliver to the boards of each metropolitan transportation authority the county tax collections for transportation authority purposes received by the county treasurer within 10 business days after the county treasurer receives the funds.

(9) For taxes that become a lien in December 1984 or after 1984, an intermediate school district board or the board of trustees of a community college may provide that a local tax collecting treasurer shall account for and deliver tax collections directly to the respective intermediate school district or community college treasurer pursuant to the schedule contained in subsections (3), (4), and (5) for delivery of the respective taxes to the county treasurer. A resolution shall be adopted at least 60 days before the day taxes to be collected become a lien and shall specify the period for which the resolution is effective. Copies of the resolution shall be transmitted to each local tax collecting treasurer and county treasurer within the intermediate school district or community college district.

(10) By the fifteenth day of each month, the county treasurer shall account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, on hand on the last day of the preceding month. By the first day of each month, the county treasurer shall account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, on hand on or before the fifteenth day of the immediately preceding month. The county treasurer may retain the interest earned on the money collected under Act No. 331 of the Public Acts of 1993 while held by the county treasurer, as reimbursement for the cost incurred by the county in collecting and transmitting the tax imposed by that act. The money retained by the county treasurer under this section shall be deposited in the treasury of the county in which the tax is

collected to the credit of the general fund.

(11) A treasurer who willfully neglects or refuses to perform a duty required by subsections (3) to (8) is subject to the penalty prescribed in section 119(1).

(12) Except as otherwise provided by subsection (10), interest earned by a city, township, or county on collections of taxes levied on or after November 5, 1985 before the tax collections are accounted for and delivered to the respective taxing units pursuant to this section shall also be accounted for and delivered to the respective taxing units on a pro rata basis. Interest earned by a city, township, or county on collections of taxes levied before November 5, 1985 before those collections were accounted for and delivered to the respective taxing units in compliance with the requirements of this section is not subject to claim and retroactive collection by those taxing units. However, interest earned on collections of taxes levied on or after November 5, 1985 and before December 1, 1987 are not subject to claim and retroactive collection unless a claim has been filed in a court of competent jurisdiction before March 1, 1988. This subsection does not apply to interest or penalties imposed by law or charter and does not nullify or prohibit any agreements made between a collecting unit and a taxing unit regarding the earned interest.

(13) If there is an agreement for an alternative schedule for delivering tax collections or for interest earned under subsections (4) and (12), the collection of the state education tax is subject to those provisions of that agreement.

COLLECTING OF TAXES.

211.44 Collection of taxes; mailing, contents, forms, and expense of tax statement; failure to send or receive notice; time and place for receiving taxes; property tax administration fees; return of excess; cost of appeals; waiver of interest, penalty charge, or property tax administration fee; use of fee; cost of treasurer's bond; enforcement of collection; seizing property or bringing action; amounts includable in return of delinquent taxes; distributions by county treasurer; local governing body authorization for imposition of fees or late penalty charges; annual statement; taxes levied after December 31, 2001 on qualified real property; definitions.

Sec. 44. (1) Upon receipt of the tax roll, the township treasurer or other collector shall proceed to collect the taxes. The township treasurer or other collector shall mail to each taxpayer at the taxpayer's last known address on the tax roll or to the taxpayer's designated agent a statement showing the description of the property against which the tax is levied, the taxable value of the property, and the amount of the tax on the property. If a tax statement is mailed to the taxpayer, a tax statement sent to a taxpayer's designated agent may be in a summary form or may be in an electronic data processing format. If the tax statement information is provided to both a taxpayer and the taxpayer's designated agent, the tax statement mailed to the taxpayer may be identified as an informational copy. A township treasurer or other collector electing to send a tax statement to a taxpayer's designated agent or electing not to include an itemization in the manner described in subsection (10)(d) in a tax statement mailed to the taxpayer shall, upon request, mail a detailed copy of the tax statement, including an itemization of the amount of tax in the manner described by subsection (10)(d), to the taxpayer without charge.

(2) The expense of preparing and mailing the statement shall be paid from the county, township, city, or village funds. Failure to send or receive the notice does not prejudice the right to collect or enforce the payment of the tax. The township treasurer shall remain in the office of the township treasurer at some convenient place in the township from 9 a.m. to 5 p.m. to receive taxes on the following days:

(a) At least one business day between December 25 and December 31 unless the township has an arrangement with a local financial institution to receive taxes on behalf of the township treasurer and to forward that payment to the township on the next business day. The township shall provide timely notification of which financial institutions will receive taxes for the township and which days the treasurer will be in the office to receive taxes.

(b) The last day that taxes are due and payable before being returned as delinquent under section 55.

(3) Except as provided by subsection (7), on a sum voluntarily paid before February 15 of the succeeding year, the local property tax collecting unit shall add a property tax administration fee of not more than 1% of

the total tax bill per parcel. However, unless otherwise provided for by an agreement between the assessing unit and the collecting unit, if a local property tax collecting unit other than a village does not also serve as the local assessing unit, the excess of the amount of property tax administration fees over the expense to the local property tax collecting unit in collecting the taxes, but not less than 80% of the fee imposed, shall be returned to the local assessing unit. A property tax administration fee is defined as a fee to offset costs incurred by a collecting unit in assessing property values, in collecting the property tax levies, and in the review and appeal processes. The costs of any appeals, in excess of funds available from the property tax administration fee, may be shared by any taxing unit only if approved by the governing body of the taxing unit. Except as provided by subsection (7), on all taxes paid after February 14 and before March 1 the governing body of a city or township may authorize the treasurer to add to the tax a property tax administration fee to the extent imposed on taxes paid before February 15 and a late penalty charge equal to 3% of the tax. The governing body of a city or township may waive interest from February 15 to the last day of February on a summer property tax that has been deferred under section 51 or any late penalty charge for the homestead property of a senior citizen, paraplegic, quadriplegic, hemiplegic, eligible serviceperson, eligible veteran, eligible widow or widower, totally and permanently disabled person, or blind person, as those persons are defined in chapter 9 of the income tax act of 1967, 1967 PA 281, MCL 206.501 to 206.532, if the person makes a claim before February 15 for a credit for that property provided by chapter 9 of the income tax act of 1967, 1967 PA 281, MCL 206.501 to 206.532, if the person presents a copy of the form filed for that credit to the local treasurer, and if the person has not received the credit before February 15. The governing body of a city or township may waive interest from February 15 to the last day of February on a summer property tax deferred under section 51 or any late penalty charge for a person's property that is subject to a farmland development rights agreement recorded with the register of deeds of the county in which the property is situated as provided in section 36104 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.36104, if the person presents a copy of the development rights agreement or verification that the property is subject to a development rights agreement before February 15. A 4% county property tax administration fee, a property tax administration fee to the extent imposed on and if authorized under subsection (7) for taxes paid before March 1, and interest on the tax at the rate of 1% per month shall be added to taxes collected by the township or city treasurer after the last day of February and before settlement with the county treasurer, and the payment shall be treated as though collected by the county treasurer. If the statements required to be mailed by this section are not mailed before December 31, the treasurer shall not impose a late penalty charge on taxes collected after February 14.

(4) The governing body of a local property tax collecting unit may waive all or part of the property tax administration fee or the late penalty charge, or both. A property tax administration fee collected by the township treasurer shall be used only for the purposes for which it may be collected as specified by subsection (3) and this subsection. If the bond of the treasurer, as provided in section 43, is furnished by a surety company, the cost of the bond may be paid by the township from the property tax administration fee.

(5) If apprehensive of the loss of personal tax assessed upon the roll, the township treasurer may enforce collection of the tax at any time, and if compelled to seize property or bring an action in December may add, if authorized under subsection (7), a property tax administration fee of not more than 1% of the total tax bill per parcel and 3% for a late penalty charge.

(6) Along with taxes returned delinquent to a county treasurer under section 55, the amount of the property tax administration fee prescribed by subsection (3) that is imposed and not paid shall be included in the return of delinquent taxes and, when delinquent taxes are distributed by the county treasurer under this act, the delinquent property tax administration fee shall be distributed to the treasurer of the local unit who transmitted the statement of taxes returned as delinquent. Interest imposed upon delinquent property taxes under this act shall also be imposed upon the property tax administration fee and, for purposes of this act other than for the purpose of determining to which local unit the county treasurer shall distribute a delinquent property tax administration fee, any reference to delinquent taxes shall be considered to include the property tax administration fee returned as delinquent for the same property.

(7) The local property tax collecting treasurer shall not impose a property tax administration fee, collection fee, or any type of late penalty charge authorized by law or charter unless the governing body of the local property tax collecting unit approves, by resolution or ordinance adopted after December 31, 1982, an authorization for the imposition of a property tax administration fee, collection fee, or any type of late penalty charge provided for by this section or by charter, which authorization shall be valid for all levies that become a lien after the resolution or ordinance is adopted. However, unless otherwise provided for by an agreement between the assessing unit and the collecting unit, a local property tax collecting unit that does not also serve as the assessing unit shall impose a property tax administration fee on each parcel at a rate equal to the rate of the fee imposed for city or township taxes on that parcel.

(8) The annual statement required by 1966 PA 125, MCL 565.161 to 565.164, or a monthly billing form or mortgagor passbook provided instead of that annual statement shall include a statement to the effect that a taxpayer who was not mailed the tax statement or a copy of the tax statement by the township treasurer or other collector shall receive, upon request and without charge, a copy of the tax statement from the township treasurer or other collector or, if the tax statement has been mailed to the taxpayer's designated agent, from either the taxpayer's designated agent or the township treasurer or other collector. A designated agent who is subject to 1966 PA 125, MCL 565.161 to 565.164, and who has been mailed the tax statement for taxes that became a lien in the calendar year immediately preceding the year in which the annual statement may be required to be furnished shall mail, upon request and without charge to a taxpayer who was not mailed that tax statement or a copy of that tax statement, a copy of that tax statement.

(9) For taxes levied after December 31, 2001, if taxes levied on qualified real property remain unpaid on February 15, all of the following shall apply:

(a) The unpaid taxes on that qualified real property shall be collected in the same manner as unpaid taxes levied on personal property are collected under this act.

(b) Unpaid taxes on qualified real property shall not be returned as delinquent to the county treasurer for forfeiture, foreclosure, and sale under sections 78 to 79a.

(c) If a county treasurer discovers that unpaid taxes on qualified real property have been returned as delinquent for forfeiture, foreclosure, and sale under sections 78 to 79a, the county treasurer shall return those unpaid taxes to the appropriate local tax collection unit for collection as provided in subdivision (a).

(10) As used in this section:

(a) "Designated agent" means an individual, partnership, association, corporation, receiver, estate, trust, or other legal entity that has entered into an escrow account agreement or other agreement with the taxpayer that obligates that individual or legal entity to pay the property taxes for the taxpayer or, if an agreement has not been entered into, that was designated by the taxpayer on a form made available to the taxpayer by the township treasurer and filed with that treasurer. The designation by the taxpayer shall remain in effect until revoked by the taxpayer in a writing filed with the township treasurer. The form made available by the township treasurer shall include a statement that submission of the form allows the treasurer to mail the tax statement to the designated agent instead of to the taxpayer and a statement notifying the taxpayer of his or her right to revoke the designation by a writing filed with the township treasurer.

(b) "Qualified real property" means buildings and improvements located upon leased real property that are assessed as real property under section 2(1)(c), except buildings and improvements exempt under section 9f, if the value of the buildings or improvements is not otherwise included in the assessment of the real property.

(c) "Taxpayer" means the owner of the property on which the tax is imposed.

(d) When describing in subsection (1) that the amount of tax on the property must be shown in the tax statement, "amount of tax" means an itemization by dollar amount of each of the several ad valorem property taxes and special assessments that a person may pay under section 53 and an itemization by millage rate, on either the tax statement or a separate form accompanying the tax statement, of each of the several ad valorem property taxes that a person may pay under section 53. The township treasurer or other collector may replace the itemization described in this subdivision with a statement informing the taxpayer that the itemization of the dollar amount and millage rate of the taxes is available without charge from the local property tax collecting unit.

Constitutionality: The Prison Reimbursement Act was intended to apply to all inmates of the state penal system and was not limited to the inmates of the three penal institutions named in the act and in existence at the time of its passage; nor is the act violative of the constitutional guarantee of equal protection. *State Treasurer v. Wilson*, 423 Mich. 138, 347 N.W.2d 770 (1985).

The collection fee imposed by the General Property Tax Act upon property taxes voluntarily paid before February 15 of the year following the issuance of a tax bill does not, on its face, create separate classifications that invoke an equal protection challenge under the Michigan Constitution. *Rouge Parkway Associates v. Wayne*, 423 Mich. 411, 364 N.W.2d 849 (1985).

Compiler's note: Section 2 of Act 503 of 1982 provides: "The designation, by this amendatory act, of collection fees as property tax administration fees is intended to clarify the legislative intent and cure any misinterpretation surrounding the fact that a "collection fee" is imposed to cover all costs necessary and incident to the collection of property taxes, including the costs of assessing property values and

in the review and appeal processes.”

211.44a Summer property tax levy; imposition; collection; procedures; lien; interest; applicability of act to proceedings; establishment of revenue sharing reserve fund; expenditures by counties; limitations.

Sec. 44a. (1) Notwithstanding any other statutory or charter provision to the contrary, beginning in 2005 and each year after 2005, a county shall impose as a summer property tax levy that portion of the number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote as provided in this section. The treasurer that collects the state education tax shall collect the summer property tax levy under this section. The portion of the total number of mills allocated to a county by a county tax allocation board or authorized for a county through a separate tax limitation vote that shall be imposed in each year as a summer property tax levy under this section is as follows:

(a) In 2005, 1/3 of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(b) In 2006, 2/3 of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(c) In 2007 and each year after 2007, the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(2) Before June 30 and in conformance with the procedures prescribed by this act, the taxes being collected as a summer property tax levy shall be spread in terms of millages on the assessment roll, the amount of tax levied shall be assessed in proportion to the taxable value, and a tax roll shall be prepared that commands the appropriate treasurer to collect on July 1 the taxes indicated as due on the tax roll.

(3) Taxes authorized to be collected shall become a lien against the property on which assessed, and due from the owner of that property on July 1.

(4) All taxes and interest imposed pursuant to this section that are unpaid before March 1 shall be returned as delinquent on March 1 and collected pursuant to this act.

(5) Interest shall be added to taxes collected after September 14 at that rate imposed by section 78a on delinquent property tax levies that became a lien in the same year. The tax levied under this act that is collected with the city taxes shall be subject to the same penalties, interest, and collection charges as city taxes and shall be returned as delinquent to the county treasurer in the same manner and with the same interest, penalties, and fees as city taxes.

(6) All or a portion of the fees or charges, or both, authorized under section 44 may be imposed on taxes paid before March 1 and shall be retained by the treasurer actually performing the collection of the summer property tax levy pursuant to this section, regardless of whether all or part of these fees or charges, or both, have been waived by the township or city.

(7) Collections shall be remitted to the county for which the taxes were collected pursuant to section 43.

(8) To the extent applicable and consistent with the requirements of this section, this act shall apply to proceedings in relation to the assessment, spreading, and collection of taxes pursuant to this section.

(9) Each county shall establish a restricted fund known as the revenue sharing reserve fund. The total amount required to be placed in the revenue sharing reserve fund for each county shall equal the amount of that county's December 2004 property tax levy of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote and shall be deposited in the revenue sharing reserve fund as provided in this section. Revenues credited to the revenue sharing reserve fund from the December tax levy of a county with a fiscal year ending December 31 shall be accrued to the fiscal year ending in the year of that December property tax levy. Revenue shall be credited to the fund by each county as follows:

(a) From the county's December 2004 property tax levy, 1/3 of the total December levy of the total number of mills allocated to the county by a county tax allocation board or authorized for the county through a separate tax limitation vote.

(b) From the county's December 2005 property tax levy, 1/2 of the remaining balance required to be deposited in the fund.

(c) From the county's December 2006 property tax levy, the balance required to be deposited in the fund.

(10) All of the following apply to a revenue sharing reserve fund established under subsection (9):

(a) Funds in the revenue sharing reserve fund may not be expended in any fiscal year except as provided in this section.

(b) Funds in the revenue sharing reserve fund may be used within a county fiscal year for cash flow purposes at the discretion of the county.

(c) Interest earnings on funds deposited in the revenue sharing reserve fund shall be credited to the revenue sharing reserve fund. However, the county is not required to reimburse the revenue sharing reserve fund for a reduction of interest earnings that occurs because funds in the revenue sharing reserve fund were used for cash flow purposes.

(d) The revenue sharing reserve fund shall be separately reported in the annual financial report required under section 4 of 1919 PA 71, MCL 21.44.

(11) For a county fiscal year that ends on December 31, 2004, a county may expend in that fiscal year an amount not to exceed the payments made to that county under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, in October and December 2003 and, if the payment is accrued back to the county's 2003 fiscal year, February 2004.

(12) Not later than March 1, 2005, a county that receives a payment in October 2004 as provided in a bill making appropriations to the department of treasury for the 2004-05 fiscal year shall pay the amount of that payment to the state treasurer from the revenue sharing reserve fund. A county that does not make the payment required under this subsection shall not make any expenditures from the fund provided under subsection (13).

(13) For each fiscal year of a county that begins after September 30, 2004, a county may expend from the revenue sharing reserve fund an amount not to exceed the total payments made to that county under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, in the state fiscal year ending September 30, 2004, adjusted annually by the inflation rate, without regard to any executive orders issued after May 17, 2004. As used in this subsection, "inflation rate" means that term as defined in section 34d.

In cases of companies or corporations demand may be made at the principal or other office of the company or corporation, or by mail directed to the corporation or company, or its principal officer at its usual

211.47 Seizure of personal property for nonpayment of taxes; sale at public auction; notice; adjournment of sale; return of balance; returning tax as unpaid; garnisheeing debtors; tax roll as prima facie evidence; recovery of money paid in civil action.

Sec. 47. (1) If a person, firm, or corporation neglects or refuses to pay a tax on property assessed to that person, firm, or corporation, the township or city treasurer, as the case may be, shall, or for the state education tax levied under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, the state treasurer may also, collect the tax by seizing the personal property of that person, firm, or corporation in this state, in an amount sufficient to pay the tax, the fees, and the charges, for subsequent sale of the property, and no property is exempt. The treasurer may sell the property seized, in an amount sufficient to pay the taxes and all charges, at public auction in the place where seized or in the township or city of which he or she is treasurer or for the state treasurer, anywhere in the state. The treasurer shall give public notice of the auction at least 5 days before the sale by posting written or printed notices in 3 public places in the township, village, or city where the sale is to be made. The sale may be adjourned from time to time if the treasurer considers it necessary. If the property is seized and advertised, the sale may take place at any time within 6 days after the expiration of the warrant of sale. If it is necessary to sell personal property that brings more than the amount of taxes and charges, the balance shall be returned to the person, firm, or corporation from whose possession the property was taken. However, if the state seizes and sells property and the sale brings more than the amount of the state education tax and charges due, the state shall distribute the balance on a pro rata basis to any other local taxing units to which delinquent personal property taxes on that property remain unpaid. If the property so seized cannot be sold for want of bidders, and in that case only, the treasurer shall return a statement of that fact and the tax shall be returned as unpaid.

(2) Notwithstanding or in lieu of subsection (1), the township or city treasurer, in the name of the township, village, or city, or the state treasurer in the name of the state may sue the person, firm, or corporation to whom the tax is assessed and garnishee any debtor or debtors of that person, firm, or corporation. The tax roll shall be prima facie evidence of the debt sought to be recovered.

(3) If a person, firm, or corporation having possession of the personal property of any other person, firm, or corporation is assessed for that property and is obliged to pay the taxes on the property, the person, firm, or corporation paying the taxes may recover in a civil action from the person, firm, or corporation for whose benefit the taxes were paid, the money paid with the applicable interest.

If payment of the tax is made after the distress and before the sale, the treasurer or collecting officer may require the payment of \$1.50 as his or her fee for making such distress, and to enforce payment of the same, if necessary, by making sale notwithstanding the payment of the tax.

(2) If personal property which is assessed to any person in any township in this state is removed from the township before the taxes assessed on the property are collected, and there is not other personal property sufficient in that township upon which the treasurer or other collecting officer can levy and collect the taxes, or any portion of them, the treasurer shall make a statement, duly certified by him or her as correct and true, showing that personal property has been assessed to such person, naming that person, the valuation of the property, the various taxes thereon, and the total amount of taxes, as appears from the roll in the hands of the treasurer. The statement shall also show that such property has been removed from the township or city since the assessment thereof and that the taxes or some portion of the taxes have not been paid. The statement shall be witnessed and acknowledged in the same manner as deeds of real estate are acknowledged, and shall be received in all courts and other places as evidence of the facts therein contained, without proof of its execution, and shall be prima facie evidence of the validity of the tax therein named against the person therein named, and shall be full and ample authority to the treasurer or other tax collector to whom it shall be sent to levy and collect the same in the same manner as other personal taxes are collected by him or her when spread upon his or her own roll.

(3) This statement may be sent to the township or city treasurer or other collecting officer of any township or city in this state, where the person against whom the assessment was made may have property, and the treasurer, or other collecting officer to whom the statement is transmitted, shall, upon the receipt of the same, proceed to collect the taxes out of any property belonging to the owner of the property so taxed within his or her jurisdiction which is liable to be seized for taxes, together with double collection fees therefor, and the further sum of 25 cents to defray the expense of transmitting the taxes so collected as hereinafter provided, and shall give his or her receipt therefor. The treasurer or other collecting officer shall thereupon transmit the taxes, and 1/2 of the collection fees collected, to the township treasurer or other collecting officer from whom he or she received the statement, and the latter shall, upon the receipt of the taxes and collection fees, cause to be marked the taxes in an indelible manner as paid upon his or her tax roll, and the date of the receipt of the same, retaining the collection fees so received as his or her fees in the matter of the collection of the taxes.

(4) Executions issued upon judgments rendered for any tax may be levied upon any property, without exemption, the same as though seized for sale under warrants issued for the collection of taxes by township supervisors, and collected in the same manner, in all other respects, as provided by law for the collection of judgments.

For the purpose of such action the defendant shall be deemed to be in possession of the surplus in the hands of the treasurer, and upon the presentation to said treasurer of a certified copy of the final judgment rendered in such action he shall pay over the same to the party recovering such judgment, and no such treasurer shall be liable to any claimant of such surplus, the right to which is contested as provided in this act, until he shall have refused to pay over such surplus upon the production of a certified copy of the judgment as aforesaid. return of excess amount; powers of county treasurer; persons eligible for deferment of summer property taxes; deferred taxes not subject to penalties or interest; filing and form of intent to defer; duties of treasurer; statement of taxes deferred; levy and collection of summer property taxes by local taxing unit; definitions.

Sec. 51. (1) If a township treasurer does not file his or her bond with the county treasurer as prescribed by law and the township board fails to appoint a treasurer to give the bond and deliver a receipt for the bond to the supervisor by December 10, the supervisor shall deliver the tax roll with the necessary warrant directed to the county treasurer, who shall make the collection and return of taxes. The county treasurer, pursuant to the adoption of a resolution by the county board of commissioners, has the same powers and duties to add a property tax administration fee, a late penalty charge, and interest to all taxes collected as conferred upon a township treasurer under section 44. The excess of the amount of property tax administration fees over the expense to the county in collecting the taxes shall be returned to the township, and the remainder of the property tax administration fees and any late penalty charges imposed shall be credited to the county general fund. For the purpose of collecting the taxes, the county treasurer is vested with all the powers conferred upon the township treasurer and an action may be brought on the county treasurer's bond under the same circumstances as on those of a township treasurer.

(2) A local tax collecting unit that collects a summer property tax shall defer the collection of summer property taxes against the following property for which a deferment is claimed until the following February 15:

(C) For taxes levied after December 31, 2005 and before January 1, 2007, \$37,500.00, or less.

(D) For taxes levied after December 31, 2006, \$40,000.00, or less.

(b) Property classified or used as agricultural real property if the gross receipts of the agricultural or horticultural operations in the previous year or the average gross receipts of the operations in the previous 3 years are not less than the household income of the owner in the previous year.

(3) A taxpayer may claim a deferment provided by subsection (2) by filing with the treasurer of the local property tax collecting unit an intent to defer the summer property taxes that are due and payable in that year without penalty or interest. Taxes deferred under subsection (2) that are not paid by the following February 15 are not subject to penalties or interest for the period of deferment.

(4) The intent statement required by subsection (3) shall be on a form prescribed and provided by the department of treasury to the treasurer of the local property tax collecting unit.

(5) The treasurer of the local property tax collecting unit that collects a summer property tax shall do the following:

History: Add. 2004, Act 441, Imd. Eff. Dec. 21, 2004.

211.53 Payment of taxes or special assessments; certificate; payment by owner of part or parcel of real property assessed in 1 description; suspected violation of or potential nonconformity with subdivision control act of 1967; nonrecognition of division; payment by lienholder or tenant; payment by owner of mineral rights or surface rights; property acquired for highway purposes; excluding payment made by means of property tax credit; accepting less than total taxes or special assessments due; effect.

Sec. 53. (1) A person may pay the taxes or special assessments, any 1 of the several taxes or special assessments, a portion of the taxes or special assessments that is specified by the charter of a local collecting unit or by an ordinance or resolution adopted by the governing body of the local collecting unit, or if a specification is not made by an ordinance, resolution, or the charter of a local collecting unit a portion of the taxes or special assessments that is approved by the treasurer of the local collecting unit, on any parcel or description of land, or on any undivided share thereof, and the treasurer shall cause to be noted across the face of the receipt in an indelible manner any portion of the taxes or special assessments remaining unpaid. When payment of the taxes or special assessments on any parcel or description of land, or on any undivided share thereof, is made to any local collecting treasurer, the treasurer shall place or cause to be placed upon the face of the receipt the following certificate: "I hereby certify that application was made to pay all taxes and special assessments due and payable at this office on the description shown in this receipt except....."

(Signed)..... Treas."

(2) Except as provided in subsection (3), a person owning an undivided share or other part or parcel of real property assessed in 1 description may pay on the part thus owned, by paying in any manner provided by subsection (1) an amount having the same relation to the whole tax or special assessment as the value of the part on which payment is made has to the value of the whole parcel. The application to pay the taxes or

special assessments on any part of any parcel or description of land shall be accompanied by a statement from the assessing officer of the township or city in which the lands are situated showing the valuation of the part and of the several parts of the parcel or description of land, and the assessing officer shall make the valuations and furnish a statement at the request of any person who presents to the assessing officer a correct description and division of the parcel or description of land to be divided. The person making the payment shall accurately describe the part or share on which he or she makes payment, and the receipt given, and the record of the receiving officer shall show the description, and by whom paid; and in case of the sale of the remaining part or share for nonpayment of taxes or special assessments, he or she may purchase the same in like manner as any disinterested person could.

(3) If an assessing officer has reason to believe that a violation of the subdivision control act of 1967, Act No. 288 of the Public Acts of 1967, being sections 560.101 to 560.293 of the Michigan Compiled Laws, has occurred with respect to property for which a division is being requested pursuant to subsection (2) or section 24, or that such a division does not conform with the requirements of the subdivision control act of 1967, Act No. 288 of the Public Acts of 1967, the assessing officer shall not recognize a division of that property requested pursuant to subsection (2) or section 24 on the tax roll or assessment roll until he or she refers the suspected violation or potential nonconformity to the county prosecuting attorney and gives written notice to the plat section of the department of commerce, the person requesting the division, and the person suspected of the violation or potential nonconformity, of such referral to the prosecuting attorney.

(4) A person having a lien on property may, after 30 days from the time the tax is payable, pay the taxes thereon, and the same may be added to his or her lien and recovered with the rate of interest borne by the lien. A tenant of real estate may pay the taxes thereon and deduct the taxes from his or her rent, unless there is an agreement to the contrary. Such payment may be made to the local collecting treasurer while the tax roll is in his or her hands, or afterwards to the county treasurer. The receipt given shall be evidence of payment. Every such receipt shall be considered to include the certificate prescribed by subsection (1), and unless otherwise noted thereon, shall be construed as an application to pay all taxes and special assessments assessed against the property described therein and then due and payable at the office of the treasurer issuing the receipt.

(5) A person owning either the mineral rights or surface rights in property, but not both, which rights are authorized under this act to be separately assessed, may pay on the rights so owned as authorized in this section for the payment upon an undivided share in the property, except that the state geologist or his or her authorized deputy, instead of the local assessing officer, shall furnish a statement showing the valuation upon the mineral rights.

(6) If a part of any parcel of real property is acquired for highway purposes, it shall be separately assessed and the assessing officer shall make the allocation of the taxes or special assessments between the part so acquired and the remainder as may be considered by the assessing officer to be in conformity with standard assessment practices. Upon the payment of the taxes or assessments attributable thereto, the part or parcel of real property so acquired shall be removed from the tax rolls. The acceptance by the city, village, township, or county treasurer of the payment shall not affect, prejudice, or destroy any tax lien on the remainder of the parcel of real property from which the part is taken.

(7) For purposes of determining the taxes which are required to be paid, payment made by means of a property tax credit which is authorized to be transferred under the income tax act of 1967, Act No. 281 of the Public Acts of 1967, as amended, being sections 206.1 to 206.532 of the Michigan Compiled Laws, shall be excluded.

(8) The acceptance of payment of less than the total of the taxes or special assessments due shall not serve to waive interest imposed pursuant to law or charter on taxes or special assessments that are not paid by dates set, pursuant to subsection (1), by law or charter.

211.53b Qualified error; verification, approval, and affidavit; correction of records; rebate; notice and payment; initiation of action; actions of board of review; exemption; appeal; "qualified error" defined.

Sec. 53b. (1) If there has been a qualified error, the qualified error shall be verified by the local assessing officer and approved by the board of review at a meeting held for the purposes of this section on Tuesday following the second Monday in December and, for summer property taxes, on Tuesday following the third Monday in July. If there is not a levy of summer property taxes, the board of review may meet for the purposes of this section on Tuesday following the third Monday in July. If approved, the board of review shall file an affidavit within 30 days relative to the qualified error with the proper officials and all affected official records shall be corrected. If the qualified error results in an overpayment or underpayment, the rebate, including any interest paid, shall be made to the taxpayer or the taxpayer shall be notified and payment made within 30 days of the notice. A rebate shall be without interest. The treasurer in possession of the appropriate tax roll may deduct the rebate from the appropriate tax collecting unit's subsequent distribution of taxes. The treasurer in possession of the appropriate tax roll shall bill to the appropriate tax collecting unit the tax collecting unit's share of taxes rebated. Except as otherwise provided in subsection (6) and section 27(a)4, a correction under this subsection may be made in the year in which the qualified error was made or in the following year only.

(2) Action pursuant to this section may be initiated by the taxpayer or the assessing officer.

(3) The board of review meeting in July and December shall meet only for the purpose described in subsection (1) and to hear appeals provided for in sections 7u, 7cc, 7ee, and 7jj. If an exemption under section 7u is approved, the board of review shall file an affidavit with the proper officials involved in the assessment and collection of taxes and all affected official records shall be corrected. If an appeal under section 7cc, 7ee, or 7jj results in a determination that an overpayment has been made, the board of review shall file an affidavit and a rebate shall be made at the times and in the manner provided in subsection (1). Except as otherwise provided in sections 7cc, 7ee, and 7jj, a correction under this subsection shall be made for the year in which the appeal is made only. If the board of review grants an exemption or provides a rebate for property under section 7cc, 7ee, or 7jj as provided in this subsection, the board of review shall require the owner to execute the affidavit provided for in section 7cc, 7ee, or 7jj and shall forward a copy of any section 7cc affidavits to the department of treasury.

(4) If an exemption under section 7cc is granted by the board of review under this section, the provisions of section 7cc apply. If an exemption under section 7cc is not granted by the board of review under this section, the owner may appeal that decision in writing to the department of treasury within 35 days of the board of review's denial and the appeal shall be conducted as provided in section 7cc(8).

(5) An owner or assessor may appeal a decision of the board of review under this section regarding an exemption under section 7ee or 7jj to the residential and small claims division of the Michigan tax tribunal. An owner is not required to pay the amount of tax in dispute in order to receive a final determination of the residential and small claims division of the Michigan tax tribunal. However, interest and penalties, if any, shall accrue and be computed based on interest and penalties that would have accrued from the date the taxes were originally levied as if there had not been an exemption.

(6) A correction under this section that grants a principal residence exemption pursuant to section 7cc may be made for the year in which the appeal was filed and the 3 immediately preceding tax years.

(7) As used in this section, "qualified error" means 1 or more of the following:

(a) A clerical error relative to the correct assessment figures, the rate of taxation, or the mathematical computation relating to the assessing of taxes.

(b) A mutual mistake of fact.

(c) An adjustment under section 27a(4) or an exemption under section 7hh(3)(b).

RETURN OF DELINQUENT TAXES.

211.55 Duplicate statement of uncollected taxes on roll; unpaid special assessment as delinquent tax; original tax roll as delinquent roll; tax roll forms; affidavit; stamp or marking to note payment of delinquent tax; certificate; rejection of tax; duplicate statement of school taxes collected and school taxes unpaid; recordation and filing of duplicate statements or copies; receipt and statements as vouchers.

Sec. 55. A township treasurer or other collecting officer who is unable to collect any of the taxes on the roll, assessed on real or personal property, shall make a duplicate statement of the same with a full and perfect description of the property, as entered on the tax roll, with the taxes assessed upon each parcel as shown on the roll and the name of the person to whom the property is assessed. A township treasurer or other collecting officer may include as a delinquent tax any unpaid special assessment which is delinquent on the last day of February in the delinquent taxes returned to the county treasurer the next day pursuant to this section. A delinquent special assessment included as a delinquent tax pursuant to this section shall, after return to the county treasurer, be a valid tax for all purposes under this act. In lieu of this delinquent tax roll, the original tax roll may be used as a delinquent roll, if the use is approved by a resolution adopted by the county board of commissioners. If the original tax roll is used as a delinquent roll the amount of the taxes which remain unpaid on a piece of property at time of settlement with the county treasurer shall be extended in total to a column provided in the tax roll for this purpose. The aggregate total of this delinquent tax column in the tax roll constitutes the total taxes returned delinquent to the county treasurer. The state treasurer may prescribe a tax roll form which meets the requirements of this section or approve or disapprove tax roll forms adopted by the various tax collecting local units.

The collecting officer shall attach his affidavit to the tax roll or delinquent roll stating the aggregate amount of taxes remaining unpaid and the amounts remaining unpaid for each taxing unit and the amount of all moneys collected on account of taxes. The affidavit shall state in substance that the sums mentioned in the statement as uncollected remain unpaid and that the collecting officer has not, upon diligent inquiry, been able to discover any goods or chattels belonging to the person liable to pay the sums upon which he could levy the same.

If the original tax roll is used as a delinquent tax roll the county treasurer, upon receipt of the payment of an item of delinquent tax, shall note the fact of the payment of delinquent tax in the roll using a distinctive stamp or marking which clearly indicates that the tax was paid to the county treasurer, the date of payment and the number of the delinquent tax receipt. The county treasurer shall immediately compare the affidavits of the tax collecting officer with regard to the taxes collected and taxes remaining unpaid with the tax roll. If the county treasurer finds them to be correct, a certificate shall be added to each of them showing that the county treasurer has examined and compared the statements with the tax roll and found them correct, and shall file the original of the statements in his office and forward the duplicate to the township clerk who shall file them in his office. The county treasurer at any time may reject any tax upon land which has been twice assessed, or upon any parcel which is so erroneously or defectively described upon the tax roll that it cannot be correctly and easily ascertained. The township treasurer or other collecting officer upon filing the statement with the county treasurer, or within 5 days thereafter, shall file a duplicate statement with the secretary or director of each school district showing the amount of school taxes collected for the school district and the amount of school taxes remaining unpaid which have been returned delinquent to the county treasurer. The township treasurer or other collecting officer at the time of filing the statement shall also prepare duplicate statements or copies thereof to be signed and approved by the secretary or director of each school district which shall be recorded by the township clerk and filed with the supervisor of the township. The county treasurer shall give to the township treasurer a receipt, stating the amount of moneys paid by the township treasurer, for which the township shall receive a credit on the books of the county treasurer, and shall also give the township treasurer a statement of all taxes rejected, the amount of delinquent taxes returned, and the amount of any unpaid taxes on personal property, which receipt and statements shall be the vouchers of the treasurer of the amounts specified therein.

Compiler's note: The repealed section pertained to certified special residential property tax roll.

211.56 Indorsing settlement of bond on statement; discharge from obligation of bond; liability on bond for incorrect returns; deposit, filing, and preservation of tax roll; tax roll as evidence; statement of uncollected personal property taxes; warrant authorizing collection; payment of sums collected; credit and receipt for collection; liability; agreement for collection of delinquent personal property taxes; condition; notice demanding payment; neglecting or refusing to pay tax; distraint and sale; legal and equitable remedies; collection, deposit, and use of fees, interest, penalties, costs, charges, or expenses; transfer of excess money; distribution of taxes collected.

Sec. 56. (1) The county treasurer shall indorse on the statement given to the township treasurer the fact of the settlement on the bond of the township or city treasurer, which indorsement shall operate as a discharge of the township or city treasurer and his or her sureties from the obligation on the bond, unless the return of the treasurer is incorrect, in which case the bond shall continue in force, and the township or city treasurer and his or her sureties shall be liable on the bond for all damages occasioned by incorrect returns. The township treasurer shall immediately deposit his or her tax roll with the county treasurer, who shall file and preserve the tax roll in his or her office. This tax roll or a certified copy of this tax roll shall, for all purposes and in all courts, actions, and proceedings, be taken, held, and used as evidence, in the same manner and with like effect as the original roll.

(2) The county treasurer shall give the township or city treasurer a statement of all the personal property taxes which remain uncollected, taken from the return of the township or city treasurer, with a warrant authorizing the township or city treasurer, or his or her successor, to collect them pursuant to law, and after receipt of this statement the township or city treasurer, or his or her successor, shall have the same power to collect the personal property taxes as under the original warrant. A township or city shall not be required to advance to the county treasurer or school district treasurer the amount of any unpaid county and school district taxes assessed against personal property, but any sums collected by any township or city treasurer upon county personal property taxes subsequent to the settlement with the county treasurer shall be paid to the county treasurer and any sums collected by any township or city treasurer upon school district personal property taxes subsequent to the settlement with the county treasurer shall be paid to the school district treasurer within 10 days after the collection. The county treasurer and the township or city treasurer shall then credit the remitted personal property tax collections upon the returned tax roll and give receipt for them. The bond, if any, given by the township or city treasurer to the county treasurer covering the collection of county and school taxes shall not be kept in force on account of any unpaid personal property taxes but in case any treasurer should default in the payment to the county treasurer of any collected county personal property taxes or to the school district treasurer of any collected school district personal property taxes, after the termination of the bond, then the township or city of which he or she is treasurer shall be liable for these tax collections.

(3) Notwithstanding subsection (2) and upon an agreement entered into by the governing body of the local property tax collecting unit and the county board of commissioners with the concurrence of the county treasurer, the county treasurer shall be responsible for the collection of the delinquent personal property taxes of the city or township. The agreement shall specify the period during which the county treasurer shall be responsible for the collection of delinquent personal property taxes. However, a county may condition such an agreement upon the county entering into similar agreements with other local property tax collecting units in the county. After the accounting has been made and the other duties required by this section are performed, the county treasurer shall collect delinquent personal property taxes collected by the local property tax collecting unit which has entered into an agreement pursuant to this subsection. Within 120 days after March 1 of each year the county treasurer shall send notices to all known delinquent personal property taxpayers, demanding payment of the delinquent personal property taxes. Failure to send or receive the notice shall not in any way prejudice the right to collect or enforce the payment of the tax. If a delinquent personal property taxpayer neglects or refuses to pay the tax, the county treasurer shall have powers of distraint and sale identical to those given to the township or city treasurer in section 47. The county treasurer may also use whatever remedies there may be at law or equity for the collection of any indebtedness in order to enforce the payment of the tax. The county treasurer shall add to the amount of the assessed tax any collection or administration fee, distraint and sale fee, interest, penalty, or charge provided by this act and shall also collect whatever costs, fees, or expenses allowed by a court in which action was taken. For each county that has agreed to collect delinquent personal property taxes pursuant to this subsection, a county delinquent personal property tax administrative fund is established and all fees, interest, penalties, costs, charges, or expenses the county treasurer collects pursuant to this subsection shall be deposited into this fund. The money in this fund shall be used by the county treasurer to pay the costs of collecting delinquent personal property taxes. To the

extent that money in this fund exceeds the cost of collecting delinquent personal property taxes, the county treasurer shall intermittently transfer the excess money to the general fund of the county. The amount of the assessed taxes collected by the county treasurer shall be distributed to the different taxing units in the same manner as the delinquent real property taxes collected by him or her are distributed.

211.78 Return, forfeiture, and foreclosure of property; construction of act; election to have state foreclose property forfeited to county; definitions.

Sec. 78. (1) The legislature finds that there exists in this state a continuing need to strengthen and revitalize the economy of this state and its municipalities by encouraging the efficient and expeditious return to productive use of property returned for delinquent taxes. Therefore, the powers granted in this act relating to the return of property for delinquent taxes constitute the performance by this state or a political subdivision of this state of essential public purposes and functions.

(2) It is the intent of the legislature that the provisions of this act relating to the return, forfeiture, and foreclosure of property for delinquent taxes satisfy the minimum requirements of due process required under the constitution of this state and the constitution of the United States but that those provisions do not create new rights beyond those required under the state constitution of 1963 or the constitution of the United States. The failure of this state or a political subdivision of this state to follow a requirement of this act relating to the return, forfeiture, or foreclosure of property for delinquent taxes shall not be construed to create a claim or cause of action against this state or a political subdivision of this state unless the minimum requirements of due process accorded under the state constitution of 1963 or the constitution of the United States are violated.

(3) Not later than December 1, 1999, the county board of commissioners of a county, by a resolution adopted at a meeting held pursuant to the open meetings act, 1976 PA 267, MCL 15.261 to 15.275, and with the written concurrence of the county treasurer and the county executive, if any, may elect to have this state foreclose property under this act forfeited to the county treasurer under section 78g. At any time during December 2004, the county board of commissioners of a county, by a resolution adopted at a meeting held pursuant to the open meetings act, 1976 PA 267, MCL 15.261 to 15.275, and with the written concurrence of the county treasurer and county executive, if any, may do either of the following:

(a) Elect to have this state foreclose property under this act forfeited to the county treasurer under section 78g.

(b) Rescind its prior resolution by which it elected to have this state foreclose property under this act forfeited to the county treasurer under section 78g.

(4) The foreclosure of forfeited property by a county is voluntary and is not an activity or service required of units of local government for purposes of section 29 of article IX of the state constitution of 1963.

(5) A county and a local governmental unit within that county may enter into an agreement for the collection of property taxes or the enforcement and consolidation of tax liens within that local governmental unit. A local governmental unit shall not establish a delinquent tax revolving fund under section 87b.

(6) As used in this section and sections 78a through 157 for purposes of the collection of taxes returned as delinquent:

(a) "Foreclosing governmental unit" means 1 of the following:

(i) The treasurer of a county.

(ii) This state if the county has elected under subsection (3) to have this state foreclose property under this act forfeited to the county treasurer under section 78g.

(b) "Forfeited" or "forfeiture" means a foreclosing governmental unit may seek a judgment of foreclosure under section 78k if the property is not redeemed as provided under this act, but does not acquire a right to possession or any other interest in the property.

The list required under this subsection may be in a computer generated form or other form.

(6) Notwithstanding any charter provision to the contrary, the governing body of a local governmental unit that collects delinquent taxes may establish for any property, by ordinance, procedures for the collection of delinquent taxes and the enforcement of tax liens and the schedule for the forfeiture or foreclosure of delinquent tax liens. The procedures and schedule established by ordinance shall conform at a minimum to those procedures and schedules established under sections 78a to 78l, except that those taxes subject to a payment plan approved by the treasurer of the local governmental unit as of July 1, 1999 shall not be considered delinquent as of the following March 1 if payments are not delinquent under that payment plan.

Popular name: Act 206

211.78g Property delinquent for preceding 12 months or forfeited for total amount; right to possession by foreclosing governmental unit; limitation; recording certificate with county register of deeds; redemption.

Sec. 78g. (1) Except as otherwise provided in this subsection, on March 1 in each tax year, certified abandoned property and property that is delinquent for taxes, interest, penalties, and fees for the immediately preceding 12 months or more is forfeited to the county treasurer for the total amount of those unpaid delinquent taxes, interest, penalties, and fees. If property is forfeited to a county treasurer under this subsection, the foreclosing governmental unit does not have a right to possession of the property until the April 1 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case until 22 days after the entry of a judgment foreclosing the property under section 78k. If property is forfeited to a county treasurer under this subsection, the county treasurer shall add a \$175.00 fee to each parcel of property for which those delinquent taxes, interest, penalties, and fees remain unpaid. A county treasurer shall withhold a parcel of property from forfeiture for any reason determined by the state tax commission. The procedure for withholding a parcel of property from forfeiture under this subsection shall be determined by the state tax commission.

(2) Not more than 45 days after property is forfeited under subsection (1), the county treasurer shall record with the county register of deeds a certificate in a form determined by the department of treasury for each parcel of property forfeited to the county treasurer, specifying that the property has been forfeited to the county treasurer and not redeemed and that absolute title to the property shall vest in the county treasurer on the March 31 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case 21 days after the entry of a judgment foreclosing the property under section 78k. If a certificate of forfeiture is recorded in error, the county treasurer shall record with the county register of deeds a certificate of error in a form prescribed by the department of treasury. A certificate submitted to the county register of deeds for recording under this subsection need not be notarized and may be authenticated by a digital signature of the county treasurer or by other electronic means. If the county has elected under section 78 to have this state foreclose property under this act forfeited to the county treasurer under this section, the county treasurer shall immediately transmit to the department of treasury a copy of each certificate recorded under this subsection. The county treasurer shall upon collection transmit to the department of treasury within 30 days the fee added to each parcel under subsection (1), which may be paid from the county's delinquent tax revolving fund and shall be deposited in the land reutilization fund created under section 78n.

(3) Property forfeited to the county treasurer under subsection (1) may be redeemed at any time on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under section 78k or in a contested case within 21 days of the entry of a judgment foreclosing the property under section 78k upon payment to the county treasurer of all of the following:

(a) The total amount of unpaid delinquent taxes, interest, penalties, and fees for which the property was forfeited.

(b) In addition to the interest calculated under sections 60a(1) or (2) and 78a(3), additional interest computed at a noncompounded rate of 1/2% per month or fraction of a month on the taxes that were originally returned as delinquent, computed from the March 1 preceding the forfeiture.

(c) All recording fees and all fees for service of process or notice.

(4) If property is redeemed by a person with a legal interest as provided under subsection (3), any unpaid taxes not returned as delinquent to the county treasurer under section 78a are not extinguished.

(5) If property is redeemed by a person with a legal interest as provided under subsection (3), the person redeeming does not acquire a title or interest in the property greater than that person would have had if the property had not been forfeited to the county treasurer, but the person redeeming, other than the owner, is entitled to a lien for the amount paid to redeem the property in addition to any other lien or interest the person may have, which shall be recorded within 30 days with the register of deeds by the person entitled to the lien. The lien acquired shall have the same priority as the existing lien, title, or interest.

(6) If property is redeemed as provided under subsection (3), the county treasurer shall issue a redemption certificate in quadruplicate in a form prescribed by the department of treasury. One of the quadruplicate certificates shall be delivered to the person making the redemption payment, 1 shall be filed in the office of

the county treasurer, 1 shall be recorded in the office of the county register of deeds, and 1 shall be immediately transmitted to the department of treasury if this state is the foreclosing governmental unit. The county treasurer shall also make a note of the redemption certificate in the tax record kept in his or her office, with the name of the person making the final redemption payment, the date of the payment, and the amount paid. If the county treasurer accepts partial redemption payments, the county treasurer shall include in the tax record kept in his or her office the name of the person or persons making each partial redemption payment, the date of each partial redemption payment, the amount of each partial redemption payment, and the total amount of all redemption payments. A certificate and the entry of the certificate in the tax record by the county treasurer is prima facie evidence of a redemption payment in the courts of this state. A certificate submitted to the county register of deeds for recording under this subsection need not be notarized and may be authenticated by a digital signature of the county treasurer or by other electronic means. If a redemption certificate is recorded in error, the county treasurer shall record with the county register of deeds a certificate of error in a form prescribed by the department of treasury. A copy of a certificate of error recorded under this section shall be immediately transmitted to the department of treasury if this state is the foreclosing governmental unit.

(7) If a foreclosing governmental unit has reason to believe that a property forfeited under this section may be the site of environmental contamination, the foreclosing governmental unit shall provide the department of environmental quality with any information in the possession of the foreclosing governmental unit that suggests the property may be the site of environmental contamination.

211.78h Petition for foreclosure; filing in circuit court; withholding property by foreclosing governmental unit; hearing date.

Sec. 78h. (1) Not later than June 15 in each tax year, the foreclosing governmental unit shall file a single petition with the clerk of the circuit court of that county listing all property forfeited and not redeemed to the county treasurer under section 78g to be foreclosed under section 78k for the total of the forfeited unpaid delinquent taxes, interest, penalties, and fees. If available to the foreclosing governmental unit, the petition shall include the street address of each parcel of property set forth in the petition. The petition shall seek a judgment in favor of the foreclosing governmental unit for the forfeited unpaid delinquent taxes, interest, penalties, and fees listed against each parcel of property. The petition shall request that a judgment be entered vesting absolute title to each parcel of property in the foreclosing governmental unit, without right of redemption.

(2) If property is redeemed after the petition for foreclosure is filed under this section, the foreclosing governmental unit shall request that the circuit court remove that property from the petition for foreclosure before entry of judgment foreclosing the property under section 78k.

(3) The foreclosing governmental unit may withhold the following property from the petition for foreclosure filed under this section:

(a) Property the title to which is held by minor heirs or persons who are incompetent, persons without means of support, or persons unable to manage their affairs due to age or infirmity, until a guardian is appointed to protect that person's rights and interests.

(b) Property the title to which is held by a person undergoing substantial financial hardship, as determined under a written policy developed and adopted by the foreclosing governmental unit. The foreclosing governmental unit shall make available to the public the written policy adopted under this subdivision. The written policy adopted under this subdivision shall include, but is not limited to, all of the following:

(ii) The household income of the person requesting that the property be withheld from the petition for foreclosure meets the federal poverty income standards as defined and determined annually by the United States office of management and budget or alternative guidelines adopted by the foreclosing governmental unit, provided that the alternative guidelines include all persons who would otherwise meet the federal poverty income standards under this subparagraph. As used in this subparagraph, "household income" means that term as defined in section 508 of the income tax act of 1967, 1967 PA 281, MCL 206.508.

(4) If a foreclosing governmental unit withholds property from the petition for foreclosure under subsection (3), a taxing unit's lien for taxes due or the foreclosing governmental unit's right to include the

property in a subsequent petition for foreclosure is not prejudiced.

(5) The clerk of the circuit court in which the petition is filed shall immediately set the date, time, and place for a hearing on the petition for foreclosure, which hearing shall be held not more than 30 days before the March 1 immediately succeeding the date the petition for foreclosure is filed.

Sec. 78i. (1) Not later than May 1 immediately succeeding the forfeiture of property to the county treasurer under section 78g, the foreclosing governmental unit shall initiate a search of records identified in subsection (6) to identify the owners of a property interest in the property who are entitled to notice under this section of the show cause hearing under section 78j and the foreclosure hearing under section 78k. The foreclosing governmental unit may enter into a contract with 1 or more authorized representatives to perform a title search or may request from 1 or more authorized representatives another title search product to identify the owners of a property interest in the property as required under this subsection or to perform other functions required for the collection of delinquent taxes under this act.

(2) After conducting the search of records under subsection (1), the foreclosing governmental unit or its authorized representative shall determine the address reasonably calculated to apprise those owners of a property interest of the show cause hearing under section 78j and the foreclosure hearing under section 78k and shall send notice of the show cause hearing under section 78j and the foreclosure hearing under section 78k to those owners, and to a person entitled to notice of the return of delinquent taxes under section 78a(4), by certified mail, return receipt requested, not less than 30 days before the show cause hearing. If after conducting the search of records under subsection (1) the foreclosing governmental unit is unable to determine an address reasonably calculated to inform a person with an interest in a forfeited property, or if the foreclosing governmental unit discovers a deficiency in notice under subsection (4), the following shall be considered reasonable steps by the foreclosing governmental unit or its authorized representative to ascertain the address of a person entitled to notice under this section or to ascertain an address necessary to correct the deficiency in notice under subsection (4):

(c) If the occupant appears to lack the ability to understand the advice given, notify the department of human services or provide the occupant with the names and telephone numbers of the agencies that may be able to assist the occupant.

A notice shall be published for 3 successive weeks, once each week, in a newspaper published and circulated in the county in which the property is located, if there is one. If no paper is published in that county, publication shall be made in a newspaper published and circulated in an adjoining county. This publication shall be instead of notice under subsection (2).

Sec. 78j. (1) If a petition for foreclosure is filed under section 78h, the foreclosing governmental unit shall schedule a hearing not later than 7 days immediately preceding the date of the foreclosure hearing under section 78k to show cause why absolute title to the property forfeited to the county treasurer under section 78g should not vest in the foreclosing governmental unit. The foreclosing governmental unit may hold combined or separate hearings for different owners or persons with a property interest in the property forfeited to the county treasurer.

(2) The owner and any person with a property interest in the property forfeited to the county treasurer may appear at the hearing held pursuant to this section and redeem that property or show cause why absolute title

to that property should not vest in the foreclosing governmental unit for any of the reasons set forth in section 78k(2).

(3) If the owner or any person with a property interest in the property forfeited to the county treasurer prevails in a hearing under subsection (1), the foreclosing governmental unit shall notify the county treasurer and the county treasurer shall correct the tax roll to reflect that determination.

211.78k Proof of service of notice; filing with circuit court; contesting validity or correctness by person claiming property interest; filing objections; order extending redemption period; entry of judgment; specifications; failure to pay delinquent taxes, interest, penalties, and fees after entry of judgment; appeal to court of appeals; recording judgment or notice of judgment; cancellation; submission of certificate of error.

Sec. 78k. (1) If a petition for foreclosure is filed under section 78h, not later than the date of the hearing, the foreclosing governmental unit shall file with the clerk of the circuit court proof of service of the notice of the show cause hearing under section 78j, proof of service of the notice of the foreclosure hearing under this section, and proof of the personal visit to the property and publication under section 78i.

(2) A person claiming an interest in a parcel of property set forth in the petition for foreclosure may contest the validity or correctness of the forfeited unpaid delinquent taxes, interest, penalties, and fees for 1 or more of the following reasons:

(a) No law authorizes the tax.

(b) The person appointed to decide whether a tax shall be levied under a law of this state acted without jurisdiction, or did not impose the tax in question.

(c) The property was exempt from the tax in question, or the tax was not legally levied.

(d) The tax has been paid within the time limited by law for payment or redemption.

(e) The tax was assessed fraudulently.

(f) The description of the property used in the assessment was so indefinite or erroneous that the forfeiture was void.

(3) A person claiming an interest in a parcel of property set forth in the petition for foreclosure who desires to contest that petition shall file written objections with the clerk of the circuit court and serve those objections on the foreclosing governmental unit prior to the date of the hearing required under this section.

(4) If the court determines that the owner of property subject to foreclosure is a minor heir, is incompetent, is without means of support, or is undergoing a substantial financial hardship, the court may withhold that property from foreclosure for 1 year or may enter an order extending the redemption period as the court determines to be equitable. If the court withholds property from foreclosure under this subsection, a taxing unit's lien for taxes due is not prejudiced and that property shall be included in the immediately succeeding year's tax foreclosure proceeding.

(5) The circuit court shall enter final judgment on a petition for foreclosure filed under section 78h at any time after the hearing under this section but not later than the March 30 immediately succeeding the hearing with the judgment effective on the March 31 immediately succeeding the hearing for uncontested cases or 10 days after the conclusion of the hearing for contested cases. All redemption rights to the property expire on the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case 21 days after the entry of a judgment foreclosing the property under this section. The circuit court's judgment shall specify all of the following:

(a) The legal description and, if known, the street address of the property foreclosed and the forfeited unpaid delinquent taxes, interest, penalties, and fees due on each parcel of property.

(b) That fee simple title to property foreclosed by the judgment will vest absolutely in the foreclosing governmental unit, except as otherwise provided in subdivisions (c) and (e), without any further rights of redemption, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(c) That all liens against the property, including any lien for unpaid taxes or special assessments, except future installments of special assessments and liens recorded by this state or the foreclosing governmental unit pursuant to the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106, are extinguished, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(d) That, except as otherwise provided in subdivisions (c) and (e), the foreclosing governmental unit has good and marketable fee simple title to the property, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(e) That all existing recorded and unrecorded interests in that property are extinguished, except a visible or recorded easement or right-of-way, private deed restrictions, interests of a lessee or an assignee of an interest of a lessee under a recorded oil or gas lease, interests in oil or gas in that property that are owned by a person other than the owner of the surface that have been preserved as provided in section 1(3) of 1963 PA 42, MCL 554.291, or restrictions or other governmental interests imposed pursuant to the natural resources and environmental protection act, 1994 PA 451, MCL 324.101 to 324.90106, if all forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section.

(f) A finding that all persons entitled to notice and an opportunity to be heard have been provided that notice and opportunity. A person shall be deemed to have been provided notice and an opportunity to be heard if the foreclosing governmental unit followed the procedures for provision of notice by mail, for visits to forfeited property, and for publication under section 78i, or if 1 or more of the following apply:

(i) The person had constructive notice of the hearing under this section by acquiring an interest in the property after the date the notice of forfeiture is recorded under section 78g.

(ii) The person appeared at the hearing under this section or filed written objections with the clerk of the circuit court under subsection (3) prior to the hearing.

(iii) Prior to the hearing under this section, the person had actual notice of the hearing.

(g) A judgment entered under this section is a final order with respect to the property affected by the judgment and except as provided in subsection (7) shall not be modified, stayed, or held invalid after the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or for contested cases 21 days after the entry of a judgment foreclosing the property under this section.

(6) Except as otherwise provided in subsection (5)(c) and (e), fee simple title to property set forth in a petition for foreclosure filed under section 78h on which forfeited delinquent taxes, interest, penalties, and fees are not paid on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section, shall vest absolutely in the foreclosing governmental unit, and the foreclosing governmental unit shall have absolute title to the property, including all interests in oil or gas in that property except the interests of a lessee or an assignee of an interest of a lessee under an oil or gas lease in effect as to that property or any part of that property if the lease was recorded in the office of the register of deeds in the county in which the property is located before the date of filing the petition for foreclosure under section 78h, and interests preserved as provided in section 1(3) of 1963 PA 42, MCL 554.291. The foreclosing governmental unit's title is not subject to any recorded or unrecorded lien and shall not be stayed or held invalid except as provided in subsection (7) or (9).

(7) The foreclosing governmental unit or a person claiming to have a property interest under section 78i in property foreclosed under this section may appeal the circuit court's order or the circuit court's judgment foreclosing property to the court of appeals. An appeal under this subsection is limited to the record of the proceedings in the circuit court under this section and shall not be de novo. The circuit court's judgment foreclosing property shall be stayed until the court of appeals has reversed, modified, or affirmed that judgment. If an appeal under this subsection stays the circuit court's judgment foreclosing property, the circuit court's judgment is stayed only as to the property that is the subject of that appeal and the circuit court's judgment foreclosing other property that is not the subject of that appeal is not stayed. To appeal the circuit court's judgment foreclosing property, a person appealing the judgment shall pay to the county treasurer the amount determined to be due to the county treasurer under the judgment on or before the March 31 immediately succeeding the entry of a judgment foreclosing the property under this section, or in a contested case within 21 days of the entry of a judgment foreclosing the property under this section, together with a notice of appeal. If the circuit court's judgment foreclosing the property is affirmed on appeal, the amount determined to be due shall be refunded to the person who appealed the judgment. If the circuit court's judgment foreclosing the property is reversed or modified on appeal, the county treasurer shall refund the amount determined to be due to the person who appealed the judgment, if any, and retain the balance in accordance with the order of the court of appeals.

(8) The foreclosing governmental unit shall record a notice of judgment for each parcel of foreclosed property in the office of the register of deeds for the county in which the foreclosed property is located in a

form prescribed by the department of treasury.

(9) After the entry of a judgment foreclosing the property under this section, if the property has not been transferred under section 78m to a person other than the foreclosing governmental unit, a foreclosing governmental unit may cancel the foreclosure by recording with the register of deeds for the county in which the property is located a certificate of error in a form prescribed by the department of treasury, if the foreclosing governmental unit discovers any of the following:

(a) The foreclosed property was not subject to taxation on the date of the assessment of the unpaid taxes for which the property was foreclosed.

(b) The description of the property used in the assessment of the unpaid taxes for which the property was foreclosed was so indefinite or erroneous that the forfeiture of the property was void.

(c) The taxes for which the property was foreclosed had been paid to the proper officer within the time provided under this act for the payment of the taxes or the redemption of the property.

(d) A certificate, including a certificate issued under section 135, or other written verification authorized by law was issued by the proper officer within the time provided under this act for the payment of the taxes for which the property was foreclosed or for the redemption of the property.

(e) An owner of an interest in the property entitled to notice under section 78i was not provided notice sufficient to satisfy the minimum requirements of due process required under the state constitution of 1963 and the constitution of the United States.

(f) A judgment of foreclosure was entered under this section in violation of an order issued by a United States bankruptcy court.

(10) A certificate of error submitted to the county register of deeds for recording under subsection (9) need not be notarized and may be authenticated by a digital signature of the foreclosing governmental unit or by other electronic means.

If property is purchased by a city, village, township, or county under this subsection, the foreclosing governmental unit shall convey the property to the purchasing city, village, township, or county within 30 days. If property purchased by a city, village, township, or county under this subsection is subsequently sold for an amount in excess of the minimum bid and all costs incurred relating to demolition, renovation, improvements, or infrastructure development, the excess amount shall be returned to the delinquent tax property sales proceeds account for the year in which the property was purchased by the city, village, township, or county or, if this state is the foreclosing governmental unit within a county, to the land reutilization fund created under section 78n. Upon the request of the foreclosing governmental unit, a city, village, township, or county that purchased property under this subsection shall provide to the foreclosing governmental unit without cost information regarding any subsequent sale or transfer of the property. This subsection applies to the purchase of property by this state, a city, village, or township, or a county prior to a sale held under subsection (2).

(2) Subject to subsection (1), beginning on the third Tuesday in July immediately succeeding the entry of the judgment under section 78k vesting absolute title to tax delinquent property in the foreclosing governmental unit and ending on the immediately succeeding first Tuesday in November, the foreclosing governmental unit, or its authorized agent, at the option of the foreclosing governmental unit, shall hold at least 2 property sales at 1 or more convenient locations at which property foreclosed by the judgment entered under section 78k shall be sold by auction sale, which may include an auction sale conducted via an internet website. Notice of the time and location of the sales shall be published not less than 30 days before each sale in a newspaper published and circulated in the county in which the property is located, if there is one. If no newspaper is published in that county, publication shall be made in a newspaper published and circulated in an adjoining county. Each sale shall be completed before the first Tuesday in November immediately succeeding the entry of judgment under section 78k vesting absolute title to the tax delinquent property in the foreclosing governmental unit. Except as provided in subsection (5), property shall be sold to the person bidding the highest amount above the minimum bid. The foreclosing governmental unit may sell parcels individually or may offer 2 or more parcels for sale as a group. The minimum bid for a group of parcels shall equal the sum of the minimum bid for each parcel included in the group. The foreclosing governmental unit may adopt procedures governing the conduct of the sale and may cancel the sale prior to the issuance of a deed under this subsection if authorized under the procedures. The foreclosing governmental unit may require full payment by cash, certified check, or money order at the close of each day's bidding. Not more than 30 days after the date of a sale under this subsection, the foreclosing governmental unit shall convey the property by deed to the person bidding the highest amount above the minimum bid. The deed shall vest fee simple title to the property in the person bidding the highest amount above the minimum bid, unless the foreclosing governmental unit discovers a defect in the foreclosure of the property under sections 78 to 78l. If this state is the foreclosing governmental unit within a county, the department of natural resources shall conduct the sale of property under this subsection and subsections (4) and (5) on behalf of this state.

(3) For sales held under subsection (2), after the conclusion of that sale, and prior to any additional sale

held under subsection (2), a city, village, or township may purchase any property not previously sold under subsection (1) or (2) by paying the minimum bid to the foreclosing governmental unit. If a city, village, or township does not purchase that property, the county in which that property is located may purchase that property under this section by payment to the foreclosing governmental unit of the minimum bid.

(4) If property is purchased by a city, village, township, or county under subsection (3), the foreclosing governmental unit shall convey the property to the purchasing city, village, or township within 30 days.

(5) All property subject to sale under subsection (2) shall be offered for sale at not less than 2 sales conducted as required by subsection (2). The final sale held under subsection (2) shall be held not less than 28 days after the previous sale under subsection (2). At the final sale held under subsection (2), the sale is subject to the requirements of subsection (2), except that the minimum bid shall not be required. However, the foreclosing governmental unit may establish a reasonable opening bid at the sale to recover the cost of the sale of the parcel or parcels.

(6) On or before December 1 immediately succeeding the date of the sale under subsection (5), a list of all property not previously sold by the foreclosing governmental unit under this section shall be transferred to the clerk of the city, village, or township in which the property is located. The city, village, or township may object in writing to the transfer of 1 or more parcels of property set forth on that list. On or before December 30 immediately succeeding the date of the sale under subsection (5), all property not previously sold by the foreclosing governmental unit under this section shall be transferred to the city, village, or township in which the property is located, except those parcels of property to which the city, village, or township has objected. Property located in both a village and a township may be transferred under this subsection only to a village. The city, village, or township may make the property available under the urban homestead act, 1999 PA 127, MCL 125.2701 to 125.2709, or for any other lawful purpose.

(7) If property not previously sold is not transferred to the city, village, or township in which the property is located under subsection (6), the foreclosing governmental unit shall retain possession of that property. If the foreclosing governmental unit retains possession of the property and the foreclosing governmental unit is this state, title to the property shall vest in the land bank fast track authority created under section 15 of the land bank fast track act, 2003 PA 258, MCL 124.765.

(8) A foreclosing governmental unit shall deposit the proceeds from the sale of property under this section into a restricted account designated as the "delinquent tax property sales proceeds for the year ____". The foreclosing governmental unit shall direct the investment of the account. The foreclosing governmental unit shall credit to the account interest and earnings from account investments. Proceeds in that account shall only be used by the foreclosing governmental unit for the following purposes in the following order of priority:

(a) The delinquent tax revolving fund shall be reimbursed for all taxes, interest, and fees on all of the property, whether or not all of the property was sold.

(b) All costs of the sale of property for the year shall be paid.

(c) Any costs of the foreclosure proceedings for the year, including, but not limited to, costs of mailing, publication, personal service, and outside contractors shall be paid.

(d) Any costs for the sale of property or foreclosure proceedings for any prior year that have not been paid or reimbursed from that prior year's delinquent tax property sales proceeds shall be paid.

(e) Any costs incurred by the foreclosing governmental unit in maintaining property foreclosed under section 78k before the sale under this section shall be paid, including costs of any environmental remediation.

(f) If the foreclosing governmental unit is not this state, any of the following:

(i) Any costs for the sale of property or foreclosure proceedings for any subsequent year that are not paid or reimbursed from that subsequent year's delinquent tax property sales proceeds shall be paid from any remaining balance in any prior year's delinquent tax property sales proceeds account.

(ii) Any costs for the defense of title actions.

(iii) Any costs incurred in administering the foreclosure and disposition of property forfeited for delinquent taxes under this act.

(g) If the foreclosing governmental unit is this state, any remaining balance shall be transferred to the land reutilization fund created under section 78n.

(h) In 2008 and each year after 2008, if the foreclosing governmental unit is not this state, not later than June 30 of the second calendar year after foreclosure, the foreclosing governmental unit shall submit a written report to its board of commissioners identifying any remaining balance and any contingent costs of title or other legal claims described in subdivisions (a) through (f). All or a portion of any remaining balance, less any contingent costs of title or other legal claims described in subdivisions (a) through (f), may subsequently be transferred into the general fund of the county by the board of commissioners.

(9) Two or more county treasurers of adjacent counties may elect to hold a joint sale of property as provided in this section. If 2 or more county treasurers elect to hold a joint sale, property may be sold under

this section at a location outside of the county in which the property is located. The sale may be conducted by any county treasurer participating in the joint sale. A joint sale held under this subsection may include or be an auction sale conducted via an internet website.

(10) The foreclosing governmental unit shall record a deed for any property transferred under this section with the county register of deeds. The foreclosing governmental unit may charge a fee in excess of the minimum bid and any sale proceeds for the cost of recording a deed under this subsection.

(11) As used in this section, "minimum bid" is the minimum amount established by the foreclosing governmental unit for which property may be sold under this section. The minimum bid shall include all of the following:

(a) All delinquent taxes, interest, penalties, and fees due on the property. If a city, village, or township purchases the property, the minimum bid shall not include any taxes levied by that city, village, or township and any interest, penalties, or fees due on those taxes.

(b) The expenses of administering the sale, including all preparations for the sale. The foreclosing governmental unit shall estimate the cost of preparing for and administering the annual sale for purposes of prorating the cost for each property included in the sale.

(12) For property transferred to this state under subsection (1), a city, village, or township under subsection (6) or retained by a foreclosing governmental unit under subsection (7), all taxes due on the property as of the December 31 following the transfer or retention of the property are canceled effective on that December 31.

(13) For property sold under this section, transferred to this state under subsection (1), a city, village, or township under subsection (6), or retained by a foreclosing governmental unit under subsection (7), all liens for costs of demolition, safety repairs, debris removal, or sewer or water charges due on the property as of the December 31 immediately succeeding the sale, transfer, or retention of the property are canceled effective on that December 31. This subsection does not apply to liens recorded by the department of environmental quality under this act or the land bank fast track act, 2003 PA 258, MCL 124.751 to 124.774.

(14) If property foreclosed under section 78k and held by or under the control of a foreclosing governmental unit is a facility as defined under section 20101(1)(o) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101, prior to the sale or transfer of the property under this section, the property is subject to all of the following:

(a) Upon reasonable written notice from the department of environmental quality, the foreclosing governmental unit shall provide access to the department of environmental quality, its employees, contractors, and any other person expressly authorized by the department of environmental quality to conduct response activities at the foreclosed property. Reasonable written notice under this subdivision may include, but is not limited to, notice by electronic mail or facsimile, if the foreclosing governmental unit consents to notice by electronic mail or facsimile prior to the provision of notice by the department of environmental quality.

(b) If requested by the department of environmental quality to protect public health, safety, and welfare or the environment, the foreclosing governmental unit shall grant an easement for access to conduct response activities on the foreclosed property as authorized under chapter 7 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20519.

(c) If requested by the department of environmental quality to protect public health, safety, and welfare or the environment, the foreclosing governmental unit shall place and record deed restrictions on the foreclosed property as authorized under chapter 7 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20519.

(d) The department of environmental quality may place an environmental lien on the foreclosed property as authorized under section 20138 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20138.

(15) If property foreclosed under section 78k and held by or under the control of a foreclosing governmental unit is a facility as defined under section 20101(1)(o) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101, prior to the sale or transfer of the property under this section, the department of environmental quality shall request and the foreclosing governmental unit shall transfer the property to the state land bank fast track authority created under section 15 of the land bank fast track act, 2003 PA 258, MCL 124.765, if all of the following apply:

(a) The department of environmental quality determines that conditions at a foreclosed property are an acute threat to the public health, safety, and welfare, to the environment, or to other property.

(b) The department of environmental quality proposes to undertake or is undertaking state-funded response activities at the property.

(c) The department of environmental quality determines that the sale, retention, or transfer of the property other than under this subsection would interfere with response activities by the department of environmental quality.

211.79a Abandoned property; action to quiet title.

Sec. 79a. (1) A person who holds a tax deed issued on abandoned property may quiet title to that abandoned property in the circuit court of the county in which the abandoned property is located by doing all of the following:

(a) The tax deed holder or his or her authorized agent conducts a title search on the abandoned property.

(b) After conducting the title search as provided in subdivision (a), the tax deed holder or his or her authorized agent sends notice by certified mail, return receipt requested, to the owner and to all persons with a legal interest in each parcel of abandoned property subject to accelerated foreclosure under this section, as determined by the records in the office of the register of deeds and in records maintained by the county treasurer and the state treasurer. If, for any reason, the notice cannot be delivered to the last recorded address of the owner or persons with a legal interest in the abandoned property, notice shall be made by publication. The notice shall be published for 4 successive weeks, once each week, in a newspaper published and circulated in the county in which the parcel is located, if there is one. If no newspaper is published in the county where the parcel is located, publication shall be made in a newspaper published and circulated in an adjoining county. Publication under this subdivision is subject to the requirements set forth in section 65.

(c) At the request of the tax deed holder, the building inspector of the municipality in which the property is located inspects the property and executes an affidavit attesting that the abandoned property is vacant, dilapidated, or open to entrance or trespass. The cost of the inspection shall be paid by the tax deed holder and shall be included in the amount necessary to redeem the property.

(d) The tax deed holder or his or her authorized agent posts a notice on the abandoned property not less than 90 days before a foreclosure action is brought under this subsection.

(e) The notice required under this subsection shall include, but is not limited to, all of the following:

(i) The legal description, parcel number, and, if known, the street address of the abandoned property.

(ii) A statement of the total amount that must be paid to the county treasurer to redeem the abandoned property within 90 days of receipt of the notice, including fees to cover the cost of a title search, publication, and inspection by the municipal building inspector.

(iii) A statement of the person's rights of redemption and notice that the rights of redemption will expire 90 days after the person has received notice by mail or publication.

(iv) A statement that unless the taxes, interest, penalties, and fees are paid before the 90-day redemption period expires and a judgment of foreclosure is entered, title to the abandoned property shall vest absolutely in the petitioning tax deed holder.

(f) If the abandoned property is not redeemed by the owner or a person with a legal interest in the abandoned property by payment to the county treasurer within 90 days of service of the notice, the tax deed holder may bring an action in the circuit court of the county in which the abandoned property is located and petition the court to issue a judgment to quiet title in favor of the tax deed holder. The tax deed holder shall provide all of the following to the circuit court:

(i) An affidavit from the building inspector of the municipality as provided in subdivision (c).

(ii) A title search on the abandoned property that identifies all owners and persons with a legal interest in the abandoned property as determined by the records maintained in the office of the register of deeds, the county treasurer, and the state treasurer.

(iii) Proofs of service required under this section. If a tax deed holder fails to serve notice on 1 or more persons with a legal interest in the abandoned property as required under this section, service on any other person is not invalidated and the redemption period for any other person is not stayed or extended.

(iv) An affidavit from the county treasurer certifying to the lack of payment within the 90-day redemption period.

(2) If the circuit court enters a judgment in favor of the petitioning tax deed holder, the circuit court shall foreclose the abandoned property as requested in the petition for foreclosure. The circuit court's judgment shall specify all of the following:

(a) The legal description and, if known, the street address and parcel number of the abandoned property foreclosed.

(b) That fee simple title to the abandoned property foreclosed by the judgment is vested absolutely in the petitioning tax deed holder without any further rights of redemption.

(c) That, as of the date of the judgment, all delinquent property taxes, demolition liens, and all other municipal liens of any kind, except future installments of special assessments, are extinguished.

(d) That all existing recorded and unrecorded interests in that property are extinguished, except a visible or recorded easement or right-of-way.

(e) That the petitioning tax deed holder has good and marketable fee simple title to the property.

(3) If a judgment for foreclosure is entered under subsection (2) and all existing recorded and unrecorded interests in a parcel of property are extinguished as provided in the judgment, the owners of any extinguished recorded or unrecorded interest in that property shall not bring an action for possession of the property against any subsequent owner, but may only bring an action to recover monetary damages. An action to recover monetary damages under this subsection shall not be brought more than 2 years after a judgment for foreclosure is entered under subsection (2). Monetary damages shall be determined as of the date a judgment

for foreclosure is entered under subsection (2).

(4) For purposes of this section, property shall be considered abandoned if all of the following requirements are satisfied:

(a) Within 30 days before the commencement of foreclosure proceedings under this section, the tax deed holder mails by certified mail, return receipt requested, to the last known address of the owner and all persons with a legal interest in the abandoned property a notice that the property is abandoned and that the tax deed holder intends to foreclose it.

(b) Before commencement of foreclosure proceedings under this section, the tax deed holder executes and records an affidavit in the office of the register of deeds in the county in which the abandoned property is located that states all of the following:

(i) That the tax deed holder has mailed to the last known address of the owner and all persons with a legal interest in the abandoned property a notice of abandonment and intention to foreclose pursuant to subdivision (a) and that the owner or any person with a legal interest in the abandoned property has not responded to the notice.

(ii) That the tax deed holder or his or her authorized agent has made a personal inspection of the abandoned property and that the inspection did not reveal that the owner or any person with a legal interest in the abandoned property is presently occupying or intends to occupy the abandoned property.

(c) The tax deed holder mails by certified mail, return receipt requested, a copy of the affidavit recorded under subdivision (b) to the owner or any person with a legal interest in the abandoned property at his or her last known address before commencing foreclosure proceedings under this section.

(d) The owner or any person with a legal interest in the abandoned property, before the judgment of foreclosure is entered, does not give a written affidavit to the tax deed holder and record a duplicate original in the office of the register of deeds of the county in which the abandoned property is located stating that the owner or person with a legal interest in the abandoned property is occupying or intends to occupy the abandoned property.

Sec. 87. (1) The accounts between this state and each county and local tax collecting unit in this state shall be adjusted on the basis of crediting and paying to each county and local tax collecting unit the taxes collected by and for each county and local tax collecting unit with interest on those taxes.

(2) The state treasurer shall, on January 1, April 1, July 1, and October 1 in each year, make a statement of account between this state and each county and deliver the statement of account to the county treasurer of each county together with a warrant payable to the county treasurer for all money in the state treasury collected for the county, a local tax collecting unit, school district, or highway in that county, or any other purposes for that county, local tax collecting unit, school district, or highway. The state treasurer shall send notice of the warrant to the county clerk.

(3) At the time designated in subsection (2), the county treasurer shall pay to this state all money collected and due from that county to this state, as shown by the statement of account prepared by the state treasurer. On January 15, and on the fifteenth day of each month thereafter, the county treasurer shall pay to this state all money coming into his or her hands from the collection of the state tax, and shall transmit a sworn statement of the amount of taxes received from the collector in each assessing district in that county. The collector in each assessing district in the county shall pay to the county treasurer of its respective county all money collected not later than January 10, and not later than the tenth day of each month thereafter until the regular quarterly settlement for the quarter ending March 31 is made each year. The county treasurer or collector of each assessing district in the county shall also pay to the state treasurer for the use of this state 1/2 of 1% for each month or fraction of a month as interest on all money in his or her possession belonging to this state and not remitted on the fifteenth of the month. (4) The county treasurer of each county shall, on or before the fifteenth day of each month, make out a detailed statement of account for the preceding calendar month between the county and the local tax collecting units in that county. The statement shall show the different funds to which the several debits and credits belong. The county treasurer shall deliver the statement to the treasurer of the local tax collecting unit and pay the amount shown by the statement to the local tax collecting unit. The county treasurer shall notify the clerk of the local tax collecting unit of the total amount paid and provide a description of the property upon which the taxes were paid. The county clerk shall charge that amount to the county treasurer, and the clerks of the local tax collecting units shall charge that amount to the treasurers of the local tax collecting units on the books of their respective offices.

(5) Treasurers for the local tax collecting units are not required to make a settlement with the county treasurer for the items of state and county taxes included in the annual charge back list until the annual settlement with the county treasurer.

(6) The county board of commissioners by majority vote may authorize the county treasurer to pay directly to the school districts all money shown on the statement to be due to the school districts within the county. In that case the county superintendent is not required to compute and report delinquent school taxes handled by the county.

211.87b Delinquent tax revolving fund; creation; designation; payments; recovery of delinquent taxes and interest; validation and confirmation of resolution or agreement; segregation into separate funds; county treasurer as agent; powers and duties of county treasurer; payment to local taxing unit; interest charges, penalties, and county property tax administration fee rates; transfer of surplus; borrowing money; alternative method for paying delinquent taxes.

Sec. 87b. (1) The county board of commissioners of any county may create a delinquent tax revolving fund that, at the option of the county treasurer, may be designated as the "100% tax payment fund". Upon the establishment of the fund, all delinquent taxes, except taxes on personal property, due and payable to the taxing units in the county, except those units that collect their own delinquent taxes after March 1 by charter or otherwise, are due and payable to the county. The primary obligation to pay to the county the amount of taxes and the interest on the taxes shall rest with the local taxing units and the state for the state education tax under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906. If the delinquent taxes that are due and payable to the county are not received by the county for any reason, the county has full right of recourse against the taxing unit or to the state for the state education tax under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, to recover the amount of the delinquent taxes and interest at the rate of 1% per month or fraction of a month until repaid to the county by the taxing unit. However, if the county borrows to

provide funds for those payments, the interest rate shall not exceed the highest interest rate paid on that borrowing. A resolution or agreement previously executed or adopted to this effect is validated and confirmed. 211.87d Submitting to voters question of issuing revolving fund notes at general or special election; establishment of revolving fund; limitation; form of question; issuance of notes; issuance of general obligation tax notes secured by delinquent taxes; submitting question annually; issuance of nonvoted notes; issuance of coupon notes.

Sec. 87d. (1) Notwithstanding section 87c(10), a county which determines to borrow pursuant to section 87c may submit to its voters the question of issuing revolving fund notes at any general or special election, which question shall provide for the establishment of the revolving fund for not to exceed 10 years and shall be in substantially the following form:

“Shall the county of _____ establish or continue for _____ years a delinquent tax revolving fund and, in connection with that fund, borrow an amount not to exceed the delinquent taxes pledged for repayment of the borrowing or borrowings, as may be made each year, and issue its general obligation unlimited tax notes, pledging the county's full faith and credit for the purpose of providing money for the delinquent tax revolving fund?”

(2) If a majority of the electors voting on the question vote in favor of the question, the county may proceed to issue the notes as provided for in this act, which notes may be designated general obligation unlimited tax notes.

(3) If a majority of the electors voting on the question vote against the question, or if the question is not submitted, the county may also issue the notes but only in accordance with subsection (6).

(4) In addition, this section shall validate a question submitted to the electors before the effective date of this section in which the electors were asked to approve the issuance of general obligation tax notes secured by delinquent taxes, regardless of how the question may have been phrased. The defeat of the question shall require that the notes be issued as nonvoted until a future question is approved by the electors.

(5) A county may submit to its electors the question authorized by this section once each calendar year.

(6) If nonvoted notes are issued pursuant to section 87c:

(a) The resolution authorizing the borrowing and issuance of the notes shall establish the pledged delinquent taxes, the interest thereon, and any amounts received in the future from taxing units in the county because of the uncollectibility of any delinquent taxes as funds pledged to note repayment, which amounts shall be placed in a segregated fund and used for no other purpose except to repay the notes and the interest thereon. The resolution shall provide that the expenses of borrowing shall be repaid from the county property tax administration fees on the pledged delinquent taxes and the balance of the county property tax administration fees may be added to the funds pledged to note repayment, if the resolution provides.

(b) The notes shall be designated general obligation limited tax notes.

(c) The resolution may establish a special fund to secure the notes referred to as a note reserve fund and shall pay into the note reserve fund any proceeds of sale of the notes to the extent provided in the resolution authorizing issuance of the notes. All money in the note reserve fund, except as hereafter provided, shall be added to the funds pledged to note repayment and shall be used solely for payment of principal and interest on the notes for which the fund was established, or the purchase of notes for which the fund was established. Money in the note reserve fund shall first be withdrawn for payment of principal and interest on notes before other county general funds are used to make the payments. All income or interest earned by, or increment to, the note reserve fund due to its investment or reinvestment shall be deposited in the delinquent tax revolving fund, when the notes for which the fund was established are retired. The resolution shall provide that when the note reserve fund is sufficient to retire the notes and accrued interest thereon, it may be so used.

(d) A resolution which establishes a note reserve fund may provide for an additional borrowing of an amount not to exceed the amount of the reserve, and the county shall have the power to borrow that additional amount.

(e) The notes shall be the full faith and credit obligations of the county issuing them. If the proceeds of the taxes and interest and, when pledged, county property tax administration fees, or note reserve fund are not sufficient to pay the principal and interest, when due, the county shall pay the same from its general funds or any additional tax which may be levied within its constitutional and statutory debt limits, and the county may thereafter reimburse itself from delinquent taxes collected. The county's obligation to pay from its general funds shall be its first budget obligation and shall be provided for in the borrowing resolution in the following language:

"This note issue, in addition, shall be a general obligation of the county of _____, secured by its full faith and credit, which shall include this county's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The county budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on these notes, the county, before paying any other budgeted amounts, will promptly advance from its general funds sufficient money to pay that principal and interest."

(7) If coupon notes are issued, pursuant to section 87c or this section:

(a) Interest shall be payable semiannually or annually.

(b) The coupons shall specify the source from which the notes shall be payable, which may be by reference to the note itself.

(c) The coupons shall contain the facsimile signature of the county treasurer.

211.107 Applicability of interest, penalty, and fee requirements to cities and villages; prerequisite for protest to board of review; reference to supervisor, township treasurer, and board of review; composition of board in certain cities; sessions; election and duties of chairperson and clerk; purchase of county tax lien; enforcement and collection; interest and penalties; validity of pledge; foreclosure; county tax lien.

Sec. 107. (1) The requirements of this act relating to the amount and imposition of interest, penalties, collection or administration fees, the procedures for collection of taxes, and the enforcement of tax liens are applicable to all cities and villages if not inconsistent with their respective charters or an ordinance enacted pursuant to their respective charters. In addition to the methods authorized under section 108, a city or village, which by its charter does not return its delinquent taxes to the county for collection, may enforce the tax liens for delinquent taxes, assessments, and charges by foreclosure proceedings or any other method authorized under statute, charter, or ordinance enacted pursuant to law or charter. Notwithstanding any provision of this act to the contrary, a charter of a city or township may authorize the establishment of procedures requiring protests to the board of review to be first addressed to the assessor or other agency of the city or township as a prerequisite for a protest before the board of review if the assessor or other agency to whom a protest is first addressed does not have the authority to deny the petitioner the right to protest before the board of review.

(2) For purposes of this act, reference to supervisor, township treasurer, and board of review includes assessing and collecting officers and boards whose duty it is to review an assessment roll. The word township may include city, ward, village, or, if in relation to property tax collection functions, any other local property tax collecting unit.

(3) In an incorporated city, the charter of which does not provide for a board of review, the board of review shall consist of the supervisors or other officers making the assessment, the city attorney, and additional members to be appointed by the common council, who shall not be aldermen, equaling the number of

supervisors or assessing officers. The session of the board of review shall be held at the council room on the same days as designated in this act for the meeting of the township board of review, unless otherwise provided by the charter of the city, and the proceedings shall be conducted in the same manner as provided in this act. The board of review shall elect a chairperson and clerk, who shall certify to the correctness of the several assessment rolls when completed, substantially as the form prescribed in sections 29 and 30. The appointed members of the board of review shall take the constitutional oath of office, which shall be filed in the office of the city recorder or clerk.

(4) For taxes levied before January 1, 1997, at any time before the redemption period provided under section 131e has expired, a person who holds a tax lien from a city pursuant to the Michigan tax lien sale and collateralized securities act, 1998 PA 379, MCL 211.921 to 211.941, may also purchase a county tax lien. A county tax lien purchased under this section shall be transferred by the county or by this state to the purchaser upon receipt of an amount equal to the delinquent taxes, charges, assessments, penalties, interest, and fees represented by the county tax lien. This subsection only applies to county tax liens on property for which the purchaser holds a tax lien from a city.

(5) For taxes levied before January 1, 1997, a person who purchased a county tax lien under this section may enforce that county tax lien and collect the amounts secured by that county tax lien, together with any interest and penalties that accrued before or after the purchase, in any manner that the city is authorized to use to enforce and collect a tax lien for taxes collected by the city. A county tax lien sold under this section is a preferred or first claim upon the property subject to the lien in the same manner as if the city held the tax lien. A county tax lien purchaser shall not take any action to enforce or collect a county tax lien that the city is not authorized to take to enforce and collect a tax lien for taxes collected by the city.

(6) For taxes levied before January 1, 1997, if a county tax lien is purchased pursuant to this section, the portion of the county tax lien that represents delinquent taxes, charges, and assessments is subject to interest and penalties at the same rate as interest and penalties on delinquent taxes, charges, and assessments subject to collection by the city. However, the maximum amount of penalties charged before and after the purchase of the tax lien shall not exceed the maximum amount of penalties that may be imposed by the city for delinquent taxes, charges, and assessments subject to collection by the city. A person who purchases a county tax lien pursuant to this section may retain any delinquent taxes, interest, and penalties collected for delinquent taxes, charges, and assessments subject to the county tax lien purchased.

(7) For taxes levied before January 1, 1997, a pledge of tax liens or earnings, revenues, other money, or assets from enforcement of county tax liens purchased pursuant to this section is valid and binding from the time the pledge is made without any filing, recording, or other requirement of notice. The tax liens, earnings, revenues, other money, or assets pledged by a person who purchased a tax lien are immediately subject to the lien of the pledge without physical delivery or further act. The lien of the pledge of tax liens, earnings, revenues, other money, or assets is valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the purchaser whether or not those parties have notice of the lien of the pledge. Any instrument by which a pledge is created is not required to be recorded.

(8) For taxes levied before January 1, 1997, a city that does not return its delinquent taxes to the county for collection pursuant to its charter shall commence a civil action to foreclose its lien for any delinquent taxes, assessments, and charges subject to collection by the city on real property for which a prior lien has been obtained from the city pursuant to the Michigan tax lien sale and collateralized securities act. Foreclosure proceedings required under this subsection shall commence within 3 years after the date the taxes, assessments, and charges subject to collection by the city become delinquent. Foreclosure proceedings on a lien shall not be required under this subsection if either of the following circumstances exists:

(a) The subsequent tax lien on the same property is conveyed pursuant to the Michigan tax lien sale and collateralized securities act.

(b) The prior tax lien conveyed pursuant to the Michigan tax lien sale and collateralized securities act has been satisfied or extinguished.

(9) For taxes levied after December 31, 1996, at any time before the redemption period provided under section 78g has expired, a person who holds a tax lien from a city pursuant to the Michigan tax lien sale and collateralized securities act, 1998 PA 379, MCL 211.921 to 211.941, may also purchase a county tax lien. A county tax lien purchased under this section shall be transferred by the county or by this state to the purchaser upon receipt of an amount equal to the delinquent taxes, charges, assessments, penalties, interest, and fees represented by the county tax lien. This subsection only applies to county tax liens on property for which the purchaser holds a tax lien from a city.

(10) For taxes levied after December 31, 1996, a person who purchased a county tax lien under subsection (9) may enforce that county tax lien and collect the amounts secured by that county tax lien, together with any interest and penalties that accrued before or after the purchase, in the manner provided under sections 78 to

78k only, notwithstanding any city charter provisions to the contrary. A county tax lien sold under subsection (9) is a preferred or first claim upon the property subject to the lien in the same manner as if the city held the tax lien. A county tax lien purchaser shall not take any action to enforce or collect a county tax lien that is not authorized under sections 78 to 78n.

(11) For taxes levied after December 31, 1996, if a county tax lien is purchased pursuant to subsection (9), the portion of the county tax lien that represents delinquent taxes, interest, penalties, and fees is subject to interest, penalties, and fees as provided under sections 78 to 78k. A person who purchases a county tax lien pursuant to subsection (9) may retain any delinquent taxes, interest, penalties, and fees collected for delinquent taxes, interest, penalties, and fees subject to the county tax lien purchased. The fees levied under sections 78 to 78k shall not be levied more than 1 time on each parcel in each tax year.

(12) For taxes levied after December 31, 1996, a pledge of tax liens or earnings, revenues, other money, or assets from enforcement of county tax liens purchased pursuant to subsection (9) is valid and binding from the time the pledge is made without any filing, recording, or other requirement of notice. The tax liens, earnings, revenues, other money, or assets pledged by a person who purchased a tax lien are immediately subject to the lien of the pledge without physical delivery or further act. The lien of the pledge of tax liens, earnings, revenues, other money, or assets is valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the purchaser whether or not those parties have notice of the lien of the pledge. Any instrument by which a pledge is created is not required to be recorded.

(13) As used in this section, "county tax lien" means the following:

(a) As used in subsections (4) to (8), an interest in or encumbrance upon property for taxes levied before January 1, 1997, and charges, assessments, penalties, interest, or fees on those taxes that are returned as delinquent to a county treasurer or, after being returned as delinquent and bid off to this state pursuant to section 70, the state treasurer.

(b) As used in subsections (9) to (12), an interest in or encumbrance upon property for taxes levied after December 31, 1996, charges, assessments, penalties, interest, or fees that are returned as delinquent to a county treasurer.

Sec. 108. If not provided in the charter of a city or village, the governing body of a city or village may provide by ordinance for the return of all unpaid taxes on real property to the county treasurer in the same manner and with the same effect as returns by township treasurers. The words and characters by which the property is described on the village delinquent tax roll shall be the same as the words and characters used to describe the property as it appears on the regular roll of the local tax collecting unit. The county treasurer shall reject, as provided in section 55, any description returned by the treasurer of a local tax collecting unit that does not agree with the description as it appears on the regular tax roll for the same year. The taxes returned shall be collected in the same manner as other taxes returned delinquent under this act. The governing body of a city or village, which by its charter has the right to sell property for unpaid taxes or assessments, may provide for judicial sale of that property. The city or village sale shall be made on petition filed in behalf of the city or village in interest, and shall conform, as near as practicable, to the provisions for

a sale under this act. However, if property is offered at a city or village sale that has been bid off or forfeited to this state at any tax sale or forfeiture made under this act, and the bid or forfeiture remains undischarged, a sale of that property at the city or village tax sale is conditioned upon the payment of the tax lien held by this state on the property and the city or village tax sale is void if the tax lien held by this state remains unsatisfied.

***** 211.131e THIS SECTION IS REPEALED BY ACT 611 OF 2006 EFFECTIVE DECEMBER 31, 2014

211.131e Extension of redemption period; notice of hearing; hearing; redemption following expiration of redemption period; additional penalty; redemption of property exempt from taxes; payment; failure of property owner to redeem property; prohibited assertions; initiation of expedited quiet title and foreclosure action; definitions.

Sec. 131e. (1) For all property the title to which vested in this state under this section after October 25, 1976, the redemption period on property deeded to the state under former section 67a shall be extended until the owners of a recorded property interest in the property have been notified of a hearing before the department of treasury, a local unit of government, or a land bank fast track authority. Proof of the notice of a hearing under this section shall be recorded with the register of deeds in the county in which the property is located in a form prescribed by the department of treasury. If a notice is recorded in error, the department of treasury, a local unit of government, or a land bank fast track authority may correct the error by recording a certificate of error with the register of deeds. A notice under this subsection need not be notarized and may be authenticated by digital signature or other electronic means.

(2) For all property the title to which vested in this state under this section after October 25, 1976, 1 hearing shall be held to allow each owner of a recorded property interest the opportunity to show cause why the tax sale and the deed to the state should be canceled for any reason specified in section 98. The hearing shall be held after the expiration of the redemption periods provided in section 131c. The department of treasury, a local unit of government, or a land bank fast track authority may hold combined or separate show cause hearings for different owners of a recorded property interest.

(3) For tax reverted property that was transferred to a local unit of government under section 2101 or 2102 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.2101 and 324.2102, or under former section 461 of 1909 PA 223, if the local unit of government determines that the owner of a recorded property interest was not properly served with a notice of the hearing under this section, the local unit of government or a land bank fast track authority may conduct a hearing to show cause why the tax sale and tax deed to the state should be canceled for any reason specified in section 98. Notice of the hearing shall be provided to the department of treasury, which may provide evidence why the tax sale and tax deed to the state should not be set aside. The local unit of government or a land bank fast track authority may hold combined or separate show cause hearings for different owners of a recorded property interest.

(4) For all property the title to which vested in this state under this section after October 25, 1976, after expiration of the redemption periods provided in section 131c, on the first Tuesday in November after title to the property vests in this state, an owner of a recorded property interest may redeem the property up to 30 days following the date of hearing for that owner of a recorded property interest provided by this section by payment of the amounts set forth in subsection (5) and in section 131c(1), plus an additional penalty of 50% of the tax on which foreclosure was made. The additional penalty shall be credited to the delinquent property tax administration fund. A redemption under this section shall reinstate title as provided in section 131c(4).

(5) For all property the title to which vested in this state under this section after October 25, 1976, if property redeemed under this section has been exempt from taxes levied in any year after the year of foreclosure because a deed to that property was issued to this state, an amount equal to the sum of the following amounts shall be paid, as required by subsection (4), before redemption of the property:

(a) For taxes and ad valorem special assessments levied before January 1, 1997, an amount computed by applying the special assessment and ad valorem property tax rates levied by taxing units in which the property is located in the years the property was exempt against the most recently established state equalized valuation of the property. For taxes and ad valorem special assessments levied after December 31, 1996, an amount computed by applying the special assessment and ad valorem property tax rates levied by taxing units in which the property is located in the years the property was exempt against the most recently established taxable value of the property. For purposes of this subsection, special assessments do not include special assessments or special assessment installments deferred under former section 67a.

(b) If the levy of an ad valorem special assessment on the property's taxable value is found to be invalid by

a court of competent jurisdiction, the levy of the ad valorem special assessment may be levied on the property's state equalized value.

(c) Interest on the delinquent taxes or special assessments to be computed from the date title vested in this state to the date of the application to redeem under this section.

(d) Interest and penalties on taxes and special assessments identified by subdivision (a) that would have been imposed by law or charter and would have accrued if the property had not been exempt, computed from the date title vested in the state to the date of the application to redeem under this section.

(6) For all property the title to which vested in this state under this section after October 25, 1976, the owner of a recorded property interest who has been properly served with a notice of a hearing under this section and who fails to redeem the property as provided under this section shall not assert any of the following:

(a) That notice was insufficient or inadequate on the grounds that some other owner of a property interest was not also served.

(b) That the redemption period provided under this section was extended in any way on the grounds that some other owner of a property interest was not also served.

(7) For tax reverted property that was transferred to a local unit of government under section 2101 or 2102 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.2101 and 324.2102, or under former section 461 of 1909 PA 223, the local unit of government may initiate an expedited quiet title and foreclosure action to quiet title to the property in the same manner as a land bank fast track authority under section 9 of the land bank fast track act, 2003 PA 258, MCL 124.759. A local unit of government may initiate an action under this subsection as an alternative to a hearing by the local unit of government under this section.

(8) For tax reverted property held by a land bank fast track authority, in lieu of notice and a hearing under this section, the land bank fast track authority may initiate an expedited quiet title and foreclosure action to quiet title to the property under section 9 of the land bank fast track act, 2003 PA 258, MCL 124.759.

(9) A document, including, but not limited to, proof of notice of a hearing or a certificate of error, may be recorded with the register of deeds office in the county in which the property is located without the payment of a fee by this state, a local unit of government, or a land bank fast track authority.

(10) As used in this section:

(a) "Land bank fast track authority" means an authority formed under section 15 or 23 of the land bank fast track act, 2003 PA 258, MCL 124.765 and 124.773.

(b) "Local unit of government" means a county, city, village, or township and includes a department or agency of the county, city, village, or township. 211.152 State tax commission; inspection of assessment rolls; time; review procedure; complaints; hearing; notice; report; correction; contested case proceedings.

Sec. 152. (1) After the various assessment rolls required to be made under this act or under the provisions of any municipal charter have been passed upon by the several boards of review, and prior to the making and delivery of the tax rolls to the proper officer for collection of taxes, and in no case later than the first Monday in May, the several assessment rolls shall be subject to inspection by the state tax commission or by any member or duly authorized representative thereof. If it appears to the commission after such investigation, or is made to appear to the commission by written complaint of any taxpayer, or assessing officer, that property subject to taxation has been omitted from or improperly described upon the roll or individual assessments have not been made in compliance with law, the commission may issue an order directing the assessor whose assessments are to be reviewed to appear with his assessment roll and the sworn statements of the person or persons whose property or whose assessments are to be considered at a time and place to be stated in the order, the time to be not less than 14 days from the date of the issuance of the order, and the place to be at the office of the board of supervisors at the county seat or at such other place in the county in which the roll was made as the commission shall deem most convenient for the hearing herein provided. A written complaint by a taxpayer or assessing officer shall be deemed to have been filed timely if it was deposited in the United States mail on or before the first Monday of May. No written complaint of any taxpayer shall be accepted by the state tax commission unless the taxpayer has protested the assessment from which he appeals to the board of review.

(2) A notice of the hearing shall be sent by registered mail, with return receipt requested, to all persons whose assessments are to be considered, at their last known address, except that where the commission shall conduct a general review of all assessments within the taxing district, such notice shall be by publication in a newspaper published in the county, if there be any. If no newspaper is published in the county, then the notice shall be by publication in a newspaper with general circulation in the county, at least 5 days before the date of the hearings. A copy of the order shall also be served upon the supervisor or assessing officer in whose possession the roll shall be at least 14 days before he is required to appear with the roll. The commission, or any member or duly authorized representative thereof, shall appear at the time and place mentioned in the order, and the supervisor or assessing officer upon whom notice shall have been served shall appear also with the assessment roll. The commission or any member or duly authorized representatives thereof shall then and there hold a hearing as to the proper assessment of all property and persons mentioned in the notice, and all

persons affected or liable to be affected by review of the assessments thus provided for may appear and be heard at the hearing. In any case where the hearings shall be held by a duly authorized representative of the state tax commission, he shall report the facts brought forth at the hearing to the members of the state tax commission, who will determine the true and lawful assessment or change in the description of property as found necessary.

(3) In case the commission, or member thereof, who shall act in the review, shall determine that the assessments so reviewed are not assessed according to law, he or they shall, in a column provided for that purpose, place opposite the property the true and lawful assessment of it. Any increase or decrease of the assessment by such action shall also increase or decrease the state equalized value of the local unit wherein the property is located by the amount that such property's state equalized value has been altered. As to the property not upon the assessment roll, the commission, or member thereof acting in the review, shall place it upon the assessment roll by proper description and shall place thereafter, in the proper column, the true cash value of the property. As to property not properly described upon the assessment roll, the commission, or member thereof acting in the review, shall make such change in the description of the property assessed as is found necessary. The commission shall also spread upon the roll a certificate, signed by the chairman, showing the day and date on which the assessment roll was reviewed. For appearing with the roll as required herein the supervisor or assessing officer shall receive the same per diem as is received by him while in attendance at the meeting of the board of supervisors, to be presented to and paid by the proper officer of the municipality of which he is the assessing officer in the manner as his other compensation is paid. In all of its proceedings the contested case provisions of Act No. 197 of the Public Acts of 1952 as amended, shall not be applicable to the state tax commission, and in its determination, article VI, section 28, of the constitution of the state of Michigan shall apply. If the final action of the commission or member results in a change in the assessment, the commission, on a form provided by the commission, shall notify each affected school district, county, township and city of its action. When the assessment of any property has been reviewed by the commission as herein authorized, such assessment shall not be changed for a period of 3 years without the written consent of the commission. Whenever a local assessing district fails to have an assessment roll prepared as required in this act and it becomes necessary for the commission to assess the properties in the district either by its own staff or the county equalization department under direction of the commission, the local assessing district shall bear the cost of such assessment and shall reimburse the state or county.

211.152a Apportionment and levy of tax where appeal filed with state tax commission; additional taxes; refunds.

Sec. 152a. (1) Notwithstanding any other provision of the law to the contrary if an appeal is filed with the state tax commission under section 152 the taxes shall be apportioned and levied on the valuation of the property as fixed by the board of review and equalized under section 34. The taxes shall be due and payable and subject to the same collection fees and interest in the same manner and amount as if an appeal had not been filed. When the valuation is established by the state tax commission appeals decision the tax collecting officer having the tax roll in his possession shall make the necessary adjustments to the tax liability.

(2) If additional taxes are due they may be paid to the collecting officer with the addition of a collection fee of 1% of the additional tax for a period of 60 days after the taxpayer receives notification of the increased tax liability. After the 60-day period such taxes shall be considered delinquent and commencing March 1 following the year of the levy shall be subject to the same collection fees and interest charges as other delinquent taxes. The notification of increased tax liability shall be sent to the taxpayer shown in the roll by the collecting officer by certified mail, return receipt requested, within 5 days after receiving notification from the tax commission of the valuation established. The notification shall be sent by the state tax commission to all taxing units involved, to the county treasurer and the city or township treasurer.

(3) If the tax liability is decreased due to a decreased valuation and an overpayment of taxes has been made to the collecting officer, the tax collecting officer having possession of the tax roll or delinquent tax roll shall make a refund of the tax overpayment. There shall be added to the tax overpayment refund a proportionate share of the collection fees paid. The collection fee rebate shall be computed by multiplying the total collection fee paid by a fraction the numerator of which is the amount of tax refund and the denominator of which is the total tax paid. The officer making the refund shall charge back such refund to all taxing units in

the same proportion as the originally collected tax was distributed. The chargeback may be made prior to or subsequent to the payment of the refund to the taxpayer in the discretion of the county, city or township treasurer.

Sec. 154. (1) If the state tax commission determines that property subject to the collection of taxes under this act, including property subject to taxation under 1974 PA 198, MCL 207.551 to 207.572, 1905 PA 282, MCL 207.1 to 207.21, 1953 PA 189, MCL 211.181 to 211.182, and the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, has been incorrectly reported or omitted for any previous year, but not to exceed the current assessment year and 2 years immediately preceding the date the incorrect reporting or omission was discovered and disclosed to the state tax commission, the state tax commission shall place the corrected assessment value for the appropriate years on the appropriate assessment roll. The state tax commission shall issue an order certifying to the treasurer of the local tax collecting unit if the local tax collecting unit has possession of a tax roll for a year for which an assessment change is made or the county treasurer if the county has possession of a tax roll for a year for which an assessment change is made the amount of taxes due as computed by the correct annual rate of taxation for each year except the current year. Taxes computed under this section shall not be spread against the property for a period before the last change of ownership of the property.

(2) If an assessment change made under this section results in increased property taxes, the additional taxes shall be collected by the treasurer of the local tax collecting unit if the local tax collecting unit has possession of a tax roll for a year for which an assessment change is made or by the county treasurer if the county has possession of a tax roll for a year for which an assessment change is made. Not later than 20 days after receiving the order certifying the amount of taxes due under subsection (1), the treasurer of the local tax collecting unit if the local tax collecting unit has possession of a tax roll for a year for which an assessment change is made or the county treasurer if the county has possession of a tax roll for a year for which an assessment change is made shall submit a corrected tax bill, itemized by taxing jurisdiction, to each person identified in the order and to the owner of the property on which the additional taxes are assessed, if different than a person named in the order, by first-class mail, address correction requested. Except for real property subject to taxation under 1974 PA 198, MCL 207.551 to 207.572, 1905 PA 282, MCL 207.1 to 207.21, 1953 PA 189, MCL 211.181 to 211.182, and the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, and for real property only, if the additional taxes remain unpaid on the March 1 in the year immediately succeeding the year in which the state tax commission issued the order certifying the additional taxes under subsection (1), the real property on which the additional taxes are due shall be returned as delinquent to the county treasurer. Real property returned for delinquent taxes under this section, and upon which taxes, interest, penalties, and fees remain unpaid after the property is returned as delinquent to the county treasurer, is subject to forfeiture, foreclosure, and sale for the enforcement and collection of the delinquent taxes as provided in sections 78 to 79a.

(3) Except as otherwise provided in subsection (4), a corrected tax bill based on an assessment roll corrected for incorrectly reported or omitted personal property that is issued after the effective date of the amendatory act that added this subsection shall include penalty and interest at the rate of 1.25% per month or fraction of a month from the date the taxes originally could have been paid without interest or penalty. If the tax bill has not been paid within 60 days after the corrected tax bill is issued, interest shall again begin to accrue at the rate of 1.25% per month or fraction of a month.

(4) If a person requests that an increased assessment due to incorrectly reported or omitted personal property be added to the assessment roll under this section before March 1, 2004 with respect to statements filed or required to be filed under section 19 for taxes levied before January 1, 2004, and the corrected tax bill issued under this subsection is paid within 30 days after the corrected tax bill is issued, that person is not liable for any penalty or interest on that portion of the additional tax attributable to the increased assessment resulting from that request. However, a person who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest imposed under subsection (3).

(5) Except as otherwise provided in this section, the treasurer of the local tax collecting unit or the county treasurer shall disburse the payments of interest received to this state and to a city, township, village, school district, county, and authority, in the same proportion as required for the disbursement of taxes collected

under this act. The amount to be disbursed to a local school district, except for that amount of interest attributable to mills levied under section 1211(2) or 1211c of the revised school code, 1976 PA 451, MCL 380.1211 and 380.1211c, and mills that are not included as mills levied for school operating purposes under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, shall be paid to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963. For an intermediate school district receiving state aid under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, of the interest that would otherwise be disbursed to or retained by the intermediate school district, all or a portion, to be determined on the basis of the tax rates being utilized to compute the amount of the state school aid, shall be paid instead to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(6) If an assessment change made under this section results in a decreased tax liability, a refund of excess tax payments shall be made by the county treasurer and shall include interest at the rate of 1% per month or fraction of a month for taxes levied before January 1, 1997 and interest at the rate provided under section 37 of the tax tribunal act, 1973 PA 186, MCL 205.737, for taxes levied after December 31, 1996, from the date of the payment of the tax to the date of the payment of the refund. The county treasurer shall charge a refund of excess tax payments under this subsection to the various taxing jurisdictions in the same proportion as the taxes levied.

(7) A person to whom property is assessed under this section may appeal the state tax commission's order to the Michigan tax tribunal.

The property that had been subject to that exemption shall be immediately placed on the tax roll by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll as though the exemption had not been granted. A corrected tax bill shall be issued for the tax year being adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. If an owner pays the corrected tax bill issued under this subsection within 60 days after the corrected tax bill is issued, that owner is not liable for any penalty or interest on the additional tax. If an owner pays a corrected tax bill issued under this subsection more than 60 days after the corrected tax bill is issued, the owner is liable for the penalties and interest that would have accrued if the exemption had not been granted from the date the taxes were originally levied.

(b) “Municipal corporation” means villages and cities.

(c) “Board” means the county tax allocation board created by section 5.

Sec. 3. (1) Except as otherwise provided in this section, the total amount of taxes levied against property for all purposes in any 1 year shall not exceed the limits provided by or fixed under section 6 of article IX of the state constitution of 1963, except taxes levied for the payment of interest and principal on obligations incurred before December 8, 1932, which shall be known and referred to as debt service tax rates.

(2) If a municipal corporation is limited by a provision in its charter or general law in its power to levy taxes against property for purposes authorized by law to be supported under the municipal budget, the municipal corporation shall levy the taxes under those provisions and those taxes shall be in addition to the taxes that may be levied under the limitation set forth in subsection (1). Taxes levied under this subsection shall be known and referred to as charter tax rates. If any portion of the net limitation tax rate is allocated to the municipal corporation by the board, the allocated tax rate shall be included within the total tax rate levied by the municipal corporation under this subsection.

(3) If any local unit holds an election for the purpose of increasing the total tax rate limitation, as provided for by section 6 of article IX of the state constitution of 1963, the vote at the election shall be taken by ballot and the ballots shall be cast and counted in the manner provided by the general election laws of this state. The ballots shall state the amount in dollars per thousand dollars of taxable value by which it is proposed that the total tax rate limitation on property in the local unit be increased and the number of years for which it is proposed that the increase shall be effective. If a previous increase in the total tax limitation on property is about to expire and a new increase for the identical amount levied in the immediately preceding year or a lesser amount is proposed, the ballot proposal may be presented as a renewal or continuation of the previous increase for a specified number of years. The ballot shall specify the intended purpose of the renewed or new funds. The ballot may also state the purpose for which the funds derived from the voted increase over the constitutional tax rate limitation may be used, and those funds shall not be considered by the board in dividing the net limitation tax rate among the various governmental units under this act. Within 5 days after every election held in any local unit to increase the tax rate limitation, a certified copy of the official declaration of

the result of the election shall be filed with the treasurer of the county or counties in which the local unit is located. The voted increase in the tax rate limitation shall be effective in the local unit only when the certified copy of the official declaration of the result of the election is filed. The notice of an election in which an increase in the total tax rate limitation is to be voted upon shall contain a statement by the county treasurer of the county or counties in which the local unit voting on the increase is located of the total of all voted increases in the total tax rate limitation, in any local units, affecting the taxable property in the local unit voting on the increase, and the years the increases are effective.

The remainder of these maximum tax rates determined pursuant to section 3(1), after deducting the total tax rates levied for state purposes and a tax rate in mills allocated for charter county purposes pursuant to subsection (3), if any, shall be known and referred to as the net limitation tax rate.

(2) If a state tax is levied for any year other than 1994, the state treasurer shall notify by registered mail the county clerk of each county, on or before the day after the last day provided by this act for the filing of budgets and statements of local units with the board, stating the total amount of the state tax rates. (3) Each county that adopts a charter shall be allocated for charter county purposes, from the maximum tax rate that is fixed pursuant to section 6 of article IX of the state constitution of 1963 without approval of the voters, a tax rate in mills equal to the number of mills allocated to the county either by a county tax allocation board or a separate tax limitation under this act in the year immediately preceding the year in which the county adopts a charter.

211.211 County tax allocation board; powers and duties in determining tax rates.

Sec. 11. (1) The board shall examine the budgets and statements of local units that are filed with it, and shall determine the tax rates, exclusive of debt service tax rates, that are required pursuant to its proposed budget. The board may request additional statements and examine financial records to verify the tax rate request of a local unit. For the purpose of determining its tax rate, a local unit shall submit a statement accounting for the amount of money contained in the budget stabilization fund. In submitting the budget to the board, the amount contained in the budget stabilization fund shall not be a factor used by the board in determination of the tax rate, if that amount does not exceed the permitted level of funding for that fund as provided by law.

(2) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit does not exceed the net limitation tax rate, the board shall approve the tax rates as maximum tax rates, except tax rates required to be determined under subsections (3) to (8).

(3) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit exceeds the net limitation tax rate, the board shall proceed according to subsections (4), (5), and (6).

(4) The board shall approve minimum tax rates for the county if other than a charter county, of 3 mills; for community college districts organized after April 15, 1957, of 1/4 of 1 mill; for intermediate school districts, 1/10 of 1 mill; for townships other than charter townships, of 1 mill; and to a first-class school district to be collected and paid by the school district to the public library commission existing in the district for services of an educational nature rendered by the library to the residents of that school district, of .64 mills. If the community college district votes to increase the total tax limitation as provided in section 6 of article IX of the state constitution of 1963, the board, during the period the increase is in effect, shall not allocate the 1/4 of 1 mill minimum tax rate to the community college district, but the community college district shall raise all of its tax revenues from the amount of increase so voted. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget.

(5) The board shall divide the balance of the net limitation tax rate between all local units after due consideration of the needs of the several local units, the importance to the public of functions of local units that may have to be curtailed, the need of local units for construction or repair of public works, the proposed or accomplished transfer of functions from 1 local unit to others, and other facts or matters concerning the operations of local units that the board considers relevant. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget. The board shall approve a maximum limitation tax rate to be levied from the tax rate fixed by section 6 of article IX of the state constitution of 1963 without approval of the voters for each local unit consisting of the minimum tax rate, if any, provided in subsection (4), added to the tax rate determined under this subsection.

(6) The board shall approve a maximum tax rate for each local unit that votes to increase the total tax rate limitation as provided in the last sentence of the first paragraph of section 6 of article IX of the state constitution of 1963, and as provided for in this act. The maximum tax rate for each local unit, with other maximum tax rates that may be levied within the area of the local unit, shall not exceed the limitation voted.

In approving a maximum limitation tax rate under subsection (5) for the various local units, the board shall not take into consideration any increase of the tax rate limitation voted by a local unit.

(7) The board shall not approve a tax rate for a local unit that does not submit a budget or statements as required.

(8) The approval by the board of a maximum tax rate for a local unit, which will necessitate a reduction in the total proposed expenditures as listed in the budget of the local unit, shall not be construed as a reduction or elimination of any specific items in the list of proposed expenditures, and the board may not reduce or eliminate those specific items. A local unit, in the budget of which a reduction in the total proposed expenditure is necessitated by the action of the board, or of the state tax commission on an appeal, may revise its budget and amend and alter its tax levy to the extent made necessary by that action. Budgets previously prepared to be met from taxes levied pursuant to this act may likewise be revised.

(9) Beginning in 1994, the number of mills that may be allocated by the board under this section shall be reduced by the number of mills in excess of the mills levied under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, allocated to a local school district, other than to a first class school district for payment to the public library commission existing in the district, for school district operating purposes in 1993 and the board shall not allocate mills to a local school district for school district operating purposes.

Sec. 12. Tax levies to be in rates. In order that the maximum tax rates ordered by the board and tax levies pursuant thereto may not be invalidated by any process of determination or review of assessments subsequent to the allocation of the net limitation tax rate, all tax levies shall hereafter be made by prescribing the rate of taxes and the sums of money to be raised thereby, which shall be imposed upon property. No such levy shall be a rate in excess of the maximum tax rate ordered by the board or by the state tax commission in case of appeal: Provided, That nothing in this act shall be construed to limit or restrict the power of the state or local units to make tax levies separately in excess of such maximum tax rates for the purpose of payment of interest and principal on obligations incurred prior to December eighth, 1932.

Sec. 14a. (1) The allocation board of a county in which other than the greatest part of the area of an intercounty intermediate school district is located shall remain in session to receive the notice. If the notice indicates that a higher rate was approved for the intermediate school district by the allocation board of the county in which the greatest part of the intermediate school district is located, the allocation board of any county that has adopted a lower rate shall change it to the rate approved by the allocation board of the county in which the greatest part of the area of the intermediate school district is located.

(2) The allocation board of a county containing other than the greatest part of the area of an intercounty intermediate school district shall adopt a maximum rate for the intermediate school district that is not less than the separate tax rate for the intermediate school district adopted by the qualified electors of the county containing the greatest part of the area of the intermediate school district, if there has been a vote. ADDITIONAL TAXES IN MUNICIPAL SCHOOL DISTRICTS

Act 162 of 1933

AN ACT to provide for the levy of certain additional taxes in municipal school districts.

History: 1933, Act 162, Imd. Eff. June 22, 1933.

The People of the State of Michigan enact:

211.251 Definitions.

Sec. 1. Definitions. As used in this act:

- (a) The term “municipal corporation” shall mean a township, county, village or city;
- (b) The term “commission” shall mean the county tax commission created by the property tax limitation act, being Act No. 62 of the Public Acts of the regular session of 1933.
- (c) The term “net limitation tax rate” shall mean the net limitation tax rate as determined according to the provisions of the aforesaid property tax limitation act.

History: 1933, Act 162, Imd. Eff. June 22, 1933;—CL 1948, 211.251.

Constitutionality: Since this act authorizes variable rates of taxation within a single school district, it violates the uniformity clause of Mich. Const. Art. IX, § 3. *East Grand Rapids School District v. Kent County Tax Allocation Board*, 415 Mich. 381, 330 N.W.2d 7 (1982).

Compiler's note: For provisions of Act 62 of 1933, referred to in this section, see § 211.201 et seq.

211.252 Tax rates in certain municipal school districts.

Sec. 2. Tax rates in certain municipal school districts. In the case of any school district lying partly within and partly without the limits of a municipal corporation the following procedure shall be observed: The commission shall find, in accordance with the provisions of the property tax limitation act the maximum tax rate which may be levied against all of the property lying within such school district. Such tax rate is hereinafter referred to as the “regular tax rate”. Thereafter the commission shall find the maximum additional tax rate which fairly and reasonably is equivalent to and represents the additional annual value to the property lying within the boundaries of the municipal corporation resulting from the greater proximity of the school buildings and facilities to such property and the greater accessibility thereof, and not already reflected in assessed valuations. In no case shall the additional tax rate be such as to increase beyond the net limitation tax rate the total of all taxes levied against property within the limits of such municipal corporation, exclusive of rates levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, and rates levied pursuant to the provisions of the charter of such municipal corporation. The findings and order of the commission made and entered concerning the maximum tax rates of such school district shall specify both the maximum regular tax rate and the maximum additional tax rate computed as aforesaid.

History: 1933, Act 162, Imd. Eff. June 22, 1933;—CL 1948, 211.252.

211.253 Findings of commission; conclusiveness.

Sec. 3. Conclusiveness of findings. The findings of the commission on questions of fact as to the fairness and reasonableness of the additional tax rates shall be conclusive.

History: 1933, Act 162, Imd. Eff. June 22, 1933;—CL 1948, 211.253.

211.254 Additional tax rate; levy by board of education.

Sec. 4. Power to levy additional tax rate. The board of education of any school district for which the commission has found and ordered an additional tax rate as hereinbefore provided is hereby empowered to levy such additional tax rate upon the property of the district lying within the municipal corporation, such levy to be in addition to the regular tax rate which is permitted to be levied upon all of the property of such district, both that lying within such municipal corporation, and that lying outside thereof. Such additional rate shall be certified to the proper officers of the municipal corporation at the same time as the regular rate is certified, and such additional rate shall be assessed, levied, collected and returned in the same manner as the taxes of the municipal corporation are assessed, levied, collected and returned.

History: 1933, Act 162, Imd. Eff. June 22, 1933;—CL 1948, 211.254.

211.255 Rules and regulations by state treasurer.

Sec. 5. The state treasurer shall issue any rules, regulations, and instructions that he or she considers necessary to the proper administration and enforcement of this act.

History: 1933, Act 162, Imd. Eff. June 22, 1933;—CL 1948, 211.255;—Am. 2002, Act 178, Imd. Eff. Apr. 23, 2002.

211.256 Supplementary order of commission; retroactive effect.

Sec. 6. Supplementary order, retroactive effect.

(a) If any commission has made its final order for 1933 prior to the effective date of this act such commission is hereby empowered to hold necessary additional meetings, afford necessary additional hearings and enter a supplementary order making findings and authorizing the levy of an additional tax rate in harmony with the provisions of this act. Such supplementary order shall be in addition to and shall in no way invalidate, limit, or otherwise effect the final order previously entered.

(b) If any commission has made its final order of 1933 prior to the effective date of this act and such final order has authorized the levy of an additional tax rate for a school district upon property lying within the boundaries of a municipal corporation, or has authorized the levy of a greater tax rate within the boundaries of the municipal corporation, than outside thereof, such order is hereby validated and rendered as effective as though made subsequent to the effective date of this act, and such order shall authorize the levy of such additional tax rate of any part thereof: Provided, however, That the commission may, if such previously made order is not in harmony with this act, hold necessary additional meetings, afford necessary additional hearings and enter an order amending such previous order to cause it to conform with this act. Such amended order shall stand as the final order of the commission for 1933 and shall be effective as such.

History: 1951, Act 77, Imd. Eff. May 28, 1951;—Am. 1959, Act 147, Eff. Mar. 19, 1960;—Am. 1987, Act 277, Imd. Eff. Jan. 6, 1988.

Compiler's note: Section 2 of Act 277 of 1987 provides: "This act shall be known and cited as the 'James Goulette iron ore recovery act of 1987'."

The People of the State of Michigan enact:

211.621 Definitions.

Sec. 1. As used in this act:

(a) "Low grade iron ore" means iron-bearing rock, also known as iron formation, jasper, ferruginous chert, or ferruginous slate, that is not merchantable as ore in its natural state and from which a merchantable product can be produced only by beneficiation or treatment involving fine grinding.

(b) "Low grade iron ore mining property" means mineral bearing land from which low grade iron ore is mined, and includes the beneficiation or treatment plants, and other necessary land, buildings, facilities, equipment, tools, and supplies used in connection with the mining, transportation, and beneficiation or treatment of the low grade iron ore in producing merchantable iron ore pellets or other concentrated or agglomerated products. For the 1987 tax year only, low grade iron ore mining property includes a coal-fired power generating facility or a portion of a coal-fired power generating facility if all of the following conditions are met:

(i) The power generating facility or portion of the power generating facility has a manufacturer's rated capacity of 400 megawatts or less and produces power that for 1987 is reserved for use by other low grade iron ore mining property before that power is used for other purposes. Not more than 30 days after the effective date of the amendatory act that added this subparagraph, the owner of the power generating facility on tax day of the 1987 tax year shall certify the portion of the facility reserved for first use by the mining operation for 1987.

(ii) The power generating facility or portion of the power generating facility is owned directly or indirectly on tax day of the 1987 tax year by a person or corporation that owns directly or indirectly at least 15% of the other low grade iron ore mining property for which the power is reserved.

History: 1951, Act 77, Imd. Eff. May 28, 1951;—Am. 1959, Act 147, Eff. Mar. 19, 1960;—Am. 1978, Act 537, Imd. Eff. Dec. 21, 1978;—Am. 1987, Act 277, Imd. Eff. Jan. 6, 1988.

Compiler's note: Section 2 of Act 277 of 1987 provides: "This act shall be known and cited as the 'James Goulette iron ore recovery act of 1987'."

211.622 Specific tax on mining property before production of ore or construction of plants.

Sec. 2. Before the first calendar year in which production of merchantable ore from a low grade iron ore mining property has been established on a commercial basis, or before the period of construction of the plants for the beneficiation or treatment of low grade iron ore and the period of experimental operation of the plants, the low grade iron ore mining property shall be subject to a specific tax equal to the rated annual capacity of the plant in gross tons multiplied by .55% of the mine value per gross ton, based upon the projected natural iron analysis of the iron ore pellets or of the concentrated and/or agglomerated products, multiplied by the percent of construction completion of the low grade iron ore mining property.

History: 1951, Act 77, Imd. Eff. May 28, 1951;—Am. 1959, Act 147, Eff. Mar. 19, 1960;—Am. 1978, Act 537, Imd. Eff. Dec. 21, 1978.

Compiler's note: Sec. 2, as amended by Act 324 of 1993, did not take effect pursuant to the terms of the act.

211.623 Specific tax on mining property after production of ore; determination of mine value; "lower lake price" defined.

Sec. 3. (1) Beginning with the first calendar year after production of merchantable ore from a low grade iron ore mining property has been established on a commercial basis, the low grade iron ore mining property shall be subject to a specific tax equal to the average annual production in gross tons during the preceding 5-year period, multiplied by 1.1% or beginning December 31, 2001 through December 31, 2006 0.75% of the

mine value per gross ton, based on the average natural iron analysis of shipments for that year of the iron ore pellets or of the concentrated or agglomerated products. A year in which production did not take place shall be excluded in computing the average production but only until the property has a 5-year record of commercial production. Mine value is determined by subtracting from the published lower lake price of Lake Superior iron ore pellets, or the particular concentrated or agglomerated products as of December 31, for the subsequent calendar year, all the transportation and handling costs, including any tax charged for transporting or handling the iron ore pellets or products, from the mining property to Lake Erie ports.

(2) As used in this section, "lower lake price" means the base price of Lake Superior district iron ore pellets or of the particular concentrated or agglomerated products at rail of vessel at lower lake ports as published in "Iron Age" published in New York City, New York, and "Industry Week" published in Cleveland, Ohio. If either "Iron Age" or "Industry Week" is not published or does not publish a price, a replacement trade journal recognized and generally accepted as reliable by the iron ore industry shall be substituted. If "Iron Age" or "Industry Week" do not publish the same price, if 1 of the trade journals publishes 2 different prices, or if the replacement trade journal does not publish a price, the price shall be the generally prevailing market price at which iron ore pellets or concentrated or agglomerated products, of comparable quality and utility, are being offered for sale in comparable quantity by or on behalf of bona fide producers from sources in the continental United States or Canada.

History: 1951, Act 77, Imd. Eff. May 28, 1951;—Am. 1959, Act 147, Eff. Mar. 19, 1960;—Am. 1978, Act 537, Imd. Eff. Dec. 21, 1978;—Am. 2002, Act 443, Imd. Eff. June 17, 2002.

211.624 Minimum specific tax; entering land descriptions on separate roll; spreading and collecting specific tax; return and sale of property for nonpayment of taxes; valuation; property located in more than 1 township; distribution and use of sums collected; specific tax in lieu of ad valorem tax; determining proportion for disbursement and attribution of taxes; payment.

Sec. 4. (1) If the specific tax determined under section 3 is less than the specific tax determined under section 2, then section 2 shall govern.

(2) The township supervisor shall remove from the list of land descriptions assessed and taxed under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, the land descriptions of property taxed under this act, and shall enter the land descriptions on a separate roll. The township supervisor shall spread the specific tax against the property and the township treasurer shall collect the specific tax at the same time, in the same manner, and subject to the same collection charges as general property taxes under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157. Property listed and taxed under this act shall be subject to return and sale for nonpayment of taxes in the same manner, at the same time, and under the same penalties as property returned and sold for nonpayment of taxes levied under the general property tax act, 1893 PA 206, MCL 211.1 to 211.157. A valuation shall not be determined for a description listed under this act and the property shall not be considered by the county board of commissioners or by the state board of equalization in connection with county or state equalization for taxation purposes. If a low grade iron ore mining property is located in more than 1 township, the state geologist shall determine the portion attributable to each township. Except as provided in subsections (5) and (6), sums collected under this act shall be distributed by the township treasurer to school districts, this state, and to local governmental units in the same proportion as the general property taxes are distributed. The amounts distributed may be used by the school districts and local governmental units for operating expenses, for capital improvements, and for the accumulation of reserves in a building and site fund or for the payment of interest or principal on bonds.

(3) The tax provided in this act shall be in lieu of an ad valorem tax on any of the following:

- (a) The low grade iron ore.
- (b) The low grade iron ore mining property.
- (c) The mining of the low grade iron ore mining property.
- (d) The production of iron ore pellets or other concentrated or agglomerated products.
- (e) The iron ore pellets or other concentrated or agglomerated merchantable products.
- (f) Land occupied by or used in connection with the mining, transportation, and beneficiation of the ore and shipping of iron ore pellets or other concentrated or agglomerated merchantable products.

(4) For specific taxes levied after 1993, to determine the proportion for the disbursement of taxes under this section and for attribution of taxes under subsection (5) for the specific taxes collected pursuant to this act, the number of mills levied for local school district operating purposes to be used in the calculation shall equal the number of mills for local school district operating purposes levied in 1993 minus the number of

mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, for the year for which the disbursement is calculated.

(5) For specific taxes levied after 1993 and school operating purposes, the amount that would otherwise be disbursed to a local school district shall be paid instead to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(6) The proceeds of the specific tax levied under subsection (1) beginning December 31, 2001 through December 31, 2006 shall be distributed as follows:

(a) To school districts and local governmental units the same amount that they would have been entitled to receive if the specific tax rate were 1.1%.

(b) After the distribution under subdivision (a) is made, the remaining proceeds shall be deposited into the state school aid fund.

Sec. 2. (1) The payment of special assessments assessed and due and payable on a homestead in any year in which the owner meets all of the terms and conditions of this act shall be deferred until 1 year after the owner's death, subject to further order by the probate court or until the homestead or any part of the homestead is conveyed or transferred to another or a contract to sell is entered into. If the homestead is owned jointly by husband and wife, each spouse shall sign and file the affidavit. If the homestead is encumbered by a mortgage or an unpaid balance on a land contract, a deferment of special assessments shall not be made without the written consent of the mortgagee or the land contract vendor, which shall be filed with the affidavit. The affidavit shall be filed with the local assessing officer at least 30 days after the due date of a special assessment or installment of a special assessment for which deferment is requested.

At the same time, the department shall cause the recording of a lien in favor of the state with the register of deeds and notify the county treasurer of the special assessment deferred, indicating the amount deferred for each special assessment and identifying the homestead. The county treasurer shall keep a record of the notice and shall require that the homestead be included in the subsequent return of delinquent taxes by each collecting officer, that the property is identified on the delinquent roll as provided in this act, and that the amount of special assessment shown on the roll as due and unpaid are the same as the amount approved by the department for deferment. Sec. 5. (1) Beginning in 1994 through 2002, the tax levied under this act shall be collected and distributed by the local tax collecting unit under the provisions of the general property tax act at the same time as other taxes levied by the local school district for school operating purposes. However, in each year after 1993 if a local school district is not going to levy a tax in that summer but levied a tax in the summer of 1993, and the local tax collecting unit in which the local school district is located is collecting a tax for any taxing unit in that summer, the local tax collecting unit shall collect within that local school district 1/2 of the tax under this act in that summer. The tax levied under this act that is collected by a city shall become a lien against the property on which assessed in the same manner and on the same date as city taxes or, if the city approves the collection of the tax levied under this act on a date other than the date it collects the city taxes, on July 1. The tax levied under this act that is collected with the city taxes shall be subject to the same penalties, interest, and collection charges as city taxes and, except as otherwise provided in subsection (3), shall be returned as delinquent to the county treasurer in the same manner and with the same interest, penalties, and fees as city taxes, except as provided in section 89a of the general property tax act, 1893 PA 206, MCL 211.89a.

(2) Beginning in 2003, the tax levied under this act shall be collected under the provisions of the general property tax act in a summer levy and shall be distributed as provided in this act. Except as otherwise provided in subsection (3) and section 5b, the tax levied under this act shall be collected by each city and township.

(3) Notwithstanding the provision of a charter of a county adopted pursuant to 1966 PA 293, MCL 45.501 to 45.521, or the provisions of the charter of a home rule city, to the contrary, the city treasurer of a city that does not return delinquent real property taxes levied by the city to the county treasurer shall return all uncollected delinquent taxes levied under this act to the county treasurer as provided by the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, on the March 1 immediately following the year in which the

taxes are levied. After the delinquent real property taxes are returned to the county treasurer for collection under this section, the provisions of the general property tax act, 1893 PA 206, MCL 211.1 to 211.157, apply for the collection of those taxes and for the issuance of notes in anticipation of the collection of the taxes.

(4) Beginning in 2003, if a school district or intermediate school district collects taxes in the summer under section 1613 of the revised school code of 1976, 1976 PA 451, MCL 380.1613, the school district or intermediate school district shall collect the taxes levied under this act in the summer and shall distribute the taxes collected as provided in this act.

(5) The state treasurer shall certify the levy of the tax under this act pursuant to the general property tax act.

(6) The state treasurer upon receipt shall deposit the collections from the tax into the state treasury to the credit of the state school aid fund. Upon request by the local tax collecting unit, if the local tax collecting unit collects the tax levied under this act, or by the school district or intermediate school district, if the school district or intermediate school district collects the tax levied under this act, the state treasurer shall return to the local tax collecting unit or to the school district or intermediate school district an amount erroneously collected or an amount required to be returned by court order in a bankruptcy proceeding filed after December 31, 1999.

211.905a Debt levy retirement funds; submission and deposit of excess; amount of credit; definitions.

Sec. 5a. (1) Not later than May 25, 2001, a qualified local school district shall transmit to the state treasurer all excess debt levy retirement funds held by the qualified local school district. The state treasurer shall deposit all excess debt levy retirement funds transmitted under this subsection into the state treasury to the credit of the state school aid fund established in section 11 of article IX of the state constitution of 1963.

(2) Each parcel of property subject to the tax levied under this act located in a qualified local school district shall receive a credit against the tax levied in July 2001 under this act. The amount of the credit shall be calculated by multiplying the taxable value of the property by the applied millage rate. The local tax collecting unit shall reflect the amount of the credit on the July 2001 tax bill for each parcel of property.

(3) As used in this section:

(a) “Applied millage rate” is the rate determined by the state treasurer by dividing the excess debt levy retirement funds transferred under subsection (1) by the total taxable value of all property subject to the tax levied under this act located in the qualified local school district.

(b) “Excess debt levy retirement funds” means the amount that a qualified local school collected on or after July 1, 1997 to retire outstanding bonded indebtedness in excess of the amount necessary to retire the outstanding bonded indebtedness of the qualified local school district on December 1, 1998. Excess debt levy retirement funds include any accrued investment income, interest, and penalties on delinquent accounts.

(c) “Qualified local school district” means a local school district that, on or after July 1, 1997, levied and collected a tax to retire outstanding bonded indebtedness in an amount not less than \$100,000.00 more than necessary to retire the outstanding bonded indebtedness of the local school district on December 1, 1998.

(b) Village taxes.

(c) Beginning in the summer of 2005, that portion of the number of mills allocated to a county by a county tax allocation board or authorized for a county through a separate tax limitation vote, if that portion of the number of mills allocated to a county by a county tax allocation board or authorized for a county through a separate tax limitation vote were not levied before the summer of 2005.

(2) Except as otherwise provided in subsection (3), a city or township shall collect the tax levied under this act unless, before November 1, 2002, the legislative body of the city or township adopts a resolution declining to collect the tax levied under this act and, for a township, the treasurer concurs in writing with that resolution. Before November 1, 2002, if the city or township adopts a resolution declining to collect the tax under this act and, for a township, the treasurer concurs in writing with that resolution, the appropriate assessing officer shall send a copy of that resolution and, for a township, that concurrence to the state treasurer and the treasurer of the county in which the city or township is located. In January 2004 and each

January thereafter, the legislative body of a city or township that has declined to collect the tax under this subsection may by resolution adopted by a majority of the legislative body rescind the earlier decision to decline to collect the tax. The city or township shall immediately send a copy of the resolution rescinding the earlier decision to decline to collect the tax to the state treasurer and the treasurer of the county in which the city or township is located. If a city or township collects the tax levied under this act pursuant to this section, that city or township shall retain \$2.50 for each parcel of property in that city or township on which the tax levied under this act is billed under this section from the tax collected under this act before transmitting the tax collected as provided in this act.

(3) Notwithstanding the adoption of a resolution by the legislative body of a city or township declining to collect the tax levied under this act as provided in subsection (2), in a city or township in which the state treasurer collected the tax levied under this act during the summer of 2006 pursuant to subsection (5), the city or township shall collect the tax levied under this act beginning in the summer of 2007 and each summer thereafter.

(4) A county that receives a copy of a resolution declining to collect the tax under this act and, for a township, a written concurrence as provided in subsection (2) shall collect the tax levied under this act pursuant to this section unless, before February 1, 2003, the county board of commissioners adopts a resolution declining to collect the tax levied under this act and the county treasurer concurs in writing with that resolution. Before February 1, 2003, if the county board of commissioners adopts a resolution declining to collect the tax under this act and the county treasurer concurs in writing with that resolution, the county treasurer shall send a copy of that resolution and that concurrence to the state treasurer. In February 2004 and each February thereafter, a county board of commissioners that has declined to collect the tax under this subsection may by resolution, with the written concurrence of the county treasurer, rescind the earlier decision to decline to collect the tax. The county treasurer shall immediately send a copy of the resolution rescinding the earlier decision to decline to collect the tax and the written concurrence of the county treasurer to the state treasurer. If a county collects the tax levied under this act pursuant to this section, that county shall retain \$2.50 for each parcel of property in that county on which the tax levied under this act is billed under this section from the tax collected under this act before transmitting the tax collected under this act to the state treasurer as provided in this act.

(5) If a city or township does not collect the tax levied under this act pursuant to subsection (2) and if a county does not collect the tax levied under this act pursuant to subsection (4), the state treasurer shall, except as otherwise provided in subsection (3), collect the tax under the provisions of the general property tax act. The collection of the tax levied under this act is not subject to 1941 PA 122, MCL 205.1 to 205.31. The tax levied under this act collected pursuant to this subsection is subject to a 1% administration fee.

(6) All of the following apply to the collection of the tax levied under this act by a county treasurer or, except as otherwise provided in subsection (3), the state treasurer:

(a) Not later than June 1, the township or city for which the tax is being collected shall deliver to the county treasurer or the state treasurer, as applicable, a certified copy of each assessment roll for taxable property located in the township or city. Each assessment roll shall include the taxable value of each parcel subject to the collection of the tax levied under this act. The county treasurer or state treasurer, as applicable, shall remit the necessary cost incident to the reproduction of the assessment roll to the township or city.

(b) Not later than June 30, the county treasurer or the state treasurer, as applicable, shall spread the millage levied under this act against the assessment roll and prepare the tax roll.

(c) The county treasurer or the state treasurer, as applicable, may impose all or a portion of the fees and charges authorized under section 44 of the general property tax act, 1893 PA 206, MCL 211.44, on taxes paid before March 1. The county treasurer or the state treasurer, as applicable, shall retain the fees and charges imposed under this subdivision regardless of whether all or part of the fees and charges have been waived by the township or city.

(7) In relation to the assessment, spreading, and collection of taxes pursuant to this section, a county treasurer or the state treasurer, as applicable, shall have powers and duties similar to those prescribed by the general property tax act for township supervisors, township clerks, and township treasurers. However, this section shall not be considered to transfer any authority over the assessment of property.

(8) A county treasurer or state treasurer collecting taxes pursuant to this section shall be bonded for tax collection in the same amount and in the same manner as a township treasurer would be for undertaking the duties prescribed by this section.

(9) If a county treasurer or the state treasurer collects the tax levied under this act pursuant to this section, all payments from this state for collecting the tax levied under this act in a summer levy, and all revenue generated by the administration fee, shall be deposited in a restricted account designated as the "state education tax collection account". The county treasurer or the state treasurer, as applicable, shall direct the

investment of the account. The county treasurer or the state treasurer, as applicable, shall credit to the account interest and earnings from the account investments. Proceeds in that account shall only be used for the cost of collecting the tax levied under this act. For a county collecting the tax under this act, the county board of commissioners shall appropriate sufficient money from the account to the county treasurer to cover the cost of collecting the tax levied under this act.

(10) The tax levied under this act that is collected by a city pursuant to this section on a date other than a date it collects city taxes shall be subject to the same fees and charges a city may impose under section 44 of the general property tax act, 1893 PA 206, MCL 211.44, except that a city may impose the administration fee on the tax levied under this act that is billed in the summer even if the fee is not imposed on taxes billed in December. The tax levied under this act that is collected pursuant to this section on or before September 14 of each year by a city that collects school taxes on a date other than the date it collects city taxes shall be without interest, but the tax levied under this act that is collected after September 14 in each year shall bear interest at the rate imposed by section 59 of the general property tax act, 1893 PA 206, MCL 211.59, on delinquent property tax levies that become a lien in the same year. All interest and penalties that are imposed prior to the date the tax levied under this act is returned as delinquent, other than the administration fee, shall be transmitted to the state treasurer for deposit into the state school aid fund established in section 11 of article IX of the state constitution of 1963. If imposed, the administration fee shall be retained by the city.

(11) The tax levied under this act that is collected by a township on or before September 14 in each year shall be without interest.
